Inventing the Fiesta City Laura Hernández-Ehrisman,2010-10-22 Fiesta San Antonio began in 1891 and through the twentieth century expanded from a single parade to over two hundred events spanning a ten day period Laura Hernández-Ehrisman examines Fiesta s development as part of San Antonio s culture of power relations between men and women Anglos and Mexicanos In some ways Fiesta resembles hundreds of urban celebrations across the country but San Antonio offers a unique fusion of Southern Western and Mexican cultures that articulates a distinct community identity From its beginning as a celebration of a new social order in San Antonio controlled by a German and Anglo elite to the citywide spectacle of today Hernández-Ehrisman traces the connections between Fiesta and the construction of the city s tourist industry and social change in San Antonio **Cornyation** Amy L. Stone,2017-03-20 Fiesta San Antonio began in 1891 began as a parade in honor of the battles of the Alamo and San Jacinto and has evolved into an annual Mardi Gras like festival attended by four million with more than 100 cultural events raising money for nonprofit organizations in San Antonio Texas At Fiesta s start the events were socially exclusive one of the most prominent being the Coronation of the Queen of the Order of the Alamo a lavish debutante pageant crowning a queen of the festival Cornyation was created in 1951 by members of the San Antonio s theater community as a satire mocking the elite with their own flamboyant duchesses empresses and queens accompanied by men in drag and local political figures in outrageous costume The stage show quickly transformed into a controversial parody

of local and national politics and culture. Cornyation is the first history of this major Fiesta San Antonio event tracing how it has become one of Texas's iconic and longest running LGBT events and one of the Southwest's first large scale fundraisers for HIV AIDS research raising more than 2.5 million since 1990. *San Antonio Express-News*, 2015-10-19. On Sept 27 1865 the San Antonio Express News made its debut. And from the beginning there was plenty to write about. The Civil War had just concluded and it was only twenty nine years after the fall of the Alamo. The Chisholm Trail the high road of the Cattle Kingdom began in San Antonio which was the largest and among the most diverse cities in Texas. Spanish German and English were commonly spoken. The politics were lively and sometimes divisive as the city was full of Unionist sympathizers in a state that was an anchor of the Confederacy. Today 150 years later San Antonio is America's fastest growing big city and still making history. San Antonio is a richly illustrated compilation of more than 150 years of coverage on the history and culture of the city as told in the pages of the San Antonio Express News. From local politics to news stories on the military energy water use the border and immigration that reverberate nationally and internationally to the recent naming of San Antonio's five Spanish missions as a World Heritage site the city has always been a place where the American identity is forged. This book tracks the city's past from 1865 until 2015 and is full of evocative pictures and compelling accounts culled from the Express News archives. The collection celebrates companies that shaped the city such as Frost Bank which began extending credit in 1867 the Sisters of Charity of the Incarnate Word founders in 1869 of what is now the Christus Santa Rosa Health System and subsequently their namesake university and H E B grocery. This is not a standard civic history or a straightforward march through the decades. Loosely organized by theme the stories in the collection are often quite often surprising just like San Antonio itself. As anyone who has spent time in the city knows this is a place with a soul. **San Antonio on Parade** Judith Berg-Sobré, 2003. Recounts the events of six historic festivals in San Antonio Texas at the end of the nineteenth century describing each event's pageantry parades competitions and participants. **Fiesta City: San Antonio Out and about** Lewis F. Fisher, 2016-04-12. Fiesta City captures San Antonio's centuries old rich celebratory lifestyle. It is a city known for its festivals celebrations and rich mix of civil and cultural events. Once the largest city in Texas from the 1888 San Antonio Fair and International Exposition to HemisFair in the 1960s the city has always sought to put itself in the international spotlight. But day to day the locals have enjoyed wonderful if not sometimes quirky parks such as the San Pedro Electric Park. Featured is the legendary Brackenridge Park the tenth oldest park in the U.S. complete with the zoo sky buckets the Japanese Gardens and Sunken Garden Theater. Today Fiesta is still held every spring and has grown into one of the largest civic events in the nation. The centerpiece of hundreds of events is the Battle of the Flowers parade the second oldest continuously operating parade in the U.S. after the Rose Parade complete with Fiesta queens and entries that reflect the colorful and sometimes surprising cultures of San Antonio including Mexican and German heritage. Historic landmarks of present and yesteryear abound including theaters such as the Majestic Aztec and Empire Hot Spring Hotel spas which

attracted luminaries such as Teddy Roosevelt and Cecil B DeMille the Spanish Missions including The Alamo and the San Antonio river later known around the world as Riverwalk Dining establishments has long reflected the local character of the city as shown through a burgeoning Mexican food scene as well as favorites like the Buckhorn Saloon the Menger Hotel Earl Abel s and many others From inner city car races and Ostrich races to music by accordion and maracas San Antonio at rest and at play has a storied and colorful history that is reflected through the postcards over the decades *The Alamo City* Pearson Newcomb,1926 *Greetings from San Antonio* Lewis F. Fisher,2020-04 A compelling visual narrative of San Antonio in the early twentieth century by way of more than six hundred historic postcards
