shouldn't miss." — *Publishers Weekly***

**EDITED AND WITH A NEW PREFACE AND AFTERWORD
BY WILLIAM W. SAVAGE, JR.**

Cowboy Life Reconstructing An American Myth

Marie W. Dallam

Cowboy Life Reconstructing An American Myth:

Cowboy Life: Reconstructing an American Myth. Edited and with an Introd. by William W. Savage, Jr William W. comp Savage,1975 **The Cowboy Hero** William W. Savage,1979 Analyzes the modern myth of the cowboy as it appears in movies advertising the rodeo and fiction and gauges its effect on American thought The American West Robert V. Hine,John Mack Faragher,2000-01-01 Two historians Robert V Hine and John Mack Faragher present the American West as both frontier and region real and imagined old and new and they show how men and women of all ethnic groups were affected when different cultures met and clashed Their concise and engaging survey of frontier history traces the story from the first Columbian contacts between Indians and Europeans to the multicultural encounters of the modern Southwest Profusely illustrated with contemporary drawings posters and photographs and written in lively and accessible prose the book not only presents a panoramic view of historical events and characters but also provides fascinating details about such topics as western landscapes environmental movements literature visual arts and film **The Cowboy** Blake Allmendinger,1992 The Cowboy uses literary historical folkloric and pop cultural sources to document the cowboy s role in the culture of the American West In doing so Allmendinger makes use of early oral poems recited by cowboys in the course of their work and later poems histories and autobiographies written by cowboys most of which have never before been studied by scholars Aryan Cowboys Evelyn A. Schlatter,2009-06-03 During the last third of the twentieth century white supremacists moved both literally and in the collective imagination from midnight rides through Mississippi to broadband wired cabins in Montana But while rural Montana may be on the geographical fringe of the country white supremacist groups were not pushed there and they are far from fringe elements of society as many Americans would like to believe Evelyn Schlatter s startling analysis describes how many of the new white supremacist groups in the West have co opted the region s mythology and environment based on longstanding beliefs about American character and Manifest Destiny to shape an organic home grown movement Dissatisfied with the urbanized culturally progressive coasts disenfranchised by affirmative action and immigration white supremacists have found new hope in the old ideal of the West as a land of opportunity waiting to be settled by self reliant traditional families Some even envision the region as a potential white homeland Groups such as Aryan Nations The Order and Posse Comitatus use controversial issues such as affirmative action anti Semitism immigration and religion to create sympathy for their extremist views among mainstream whites while offering a solution in the popular conception of the West as a place of freedom opportunity and escape from modern society Aryan Cowboys exposes the exclusionist message of this American ideal while documenting its dangerous appeal **Comparing Cowboys and Frontiers** Richard W. Slatta,1997 Historians of the American West perhaps inspired by NAFTA and Internet communication are expanding their intellectual horizons across borders north and south This collection of essays functions as a how to guide to comparative frontier research in the Americas Frontiers specialist Richard W Slatta presents topics techniques and

methods that will intrigue social science professionals and western history buffs alike as he explores the frontiers of North and South America from Spanish colonial days into the twentieth century The always popular cowboy is joined by the fascinating gaucho llanero vaquero and charro as Slatta compares their work techniques roundups songs tack lingo equestrian culture and vices We visit saloons and pulperias as well as plains and pampas and Slatta expertly compares clothing weather terrain diets alcoholic beverages card games and military tactics From primary records we learn how Europeans Native Americans and African Americans became the ranch hands cowmen and buckaroos of the Americas and why their dependence on the ranch cattle industry kept them bachelors and landless peons

Women of Oklahoma, 1890-1920 Linda Williams Reese,1997 Linda Williams Reese tells of political activist Kate Barnard who became Oklahoma s Commissioner of Charities and Corrections but fell from political grace of Alice Robertson who in 1920 abandoned the acceptable female endeavors of teaching and charity work to become a representative to the U S Congress and of Isabel Crawford missionary to the Kiowas who confided to her journal There are different kinds of hardships and those of the heart and spirit are harder to bear

Cowboy Christians Marie W. Dallam,2018 This book examines the long history of cowboy Christians in the American West focusing on the cowboy church movement of the present day and closely related ministries in racetrack and rodeo settings Marie W Dallam demonstrates that the cowboy church s antecedents and influences include muscular Christianity the Jesus movement and new paradigm church methodology

The Important Things of Life Dee Garceau,2022-01-07 Sweetwater County lies in southwestern Wyoming and has stood as a significant symbolic geography for the new Western Woman s history As the county in which Elinore Pruitt Stewart Letters of a Woman Homesteader Nebraska 1990 said she proved up her homestead in 1913 it is a fitting locale for the study of western gender relations The Important Things of Life examines women s work and family lives in Sweetwater County in the late nineteenth and early twentieth centuries The 1880 s discovery of coal caused a population boom attracting immigrants from numerous ethnic groups At the same time liberalized homestead law drew sheep and cattle ranchers Dee Garceau demonstrates how survival on the ranching and mining frontier heightened the value of group cooperation in ways that bred conservative attitudes toward gender Augmented by reminiscences and oral histories Garceau traces the adaptations that broadened women s work roles and increased their domestic authority Hers is a compelling portrait of the American West as a laboratory of gender role change in which migration relocation and new settlement underscored the development of new social identities

Working in America Catherine Reef,2014-05-14 Presents an overview of the history of American labor using excerpts from primary source documents short biographies of influential people and more

Black Cowboys of the Old West Tricia Martineau Wagner,2010-12-21 The word cowboy conjures up vivid images of rugged men on saddled horses men lassoing cattle riding bulls or brandishing guns in a shoot out White men as Hollywood remembers them What is woefully missing from these scenes is their counterparts the black cowboys who made up one fourth of the wranglers and rodeo riders This book tells

their story When the Civil War ended black men left the Old South in large numbers to seek a living in the Old West industrious men resolved to carve out a life for themselves on the wild roaming plains Some had experience working cattle from their time as slaves others simply sought a freedom they had never known before The lucky travelled on horseback the rest by foot Over dirt roads they went from Alabama and South Carolina to present day Texas and California up north through Kansas to Montana The Old West was a land of opportunity for these adventurous wranglers and future rodeo champions A long overdue testament to the courage and skill of black cowboys Black Cowboys of the Old West finally gives these courageous men their rightful place in history Praise for an earlier book by the same author Whether you are a history enthusiast or a lover of adventure stories African American Women of the Old West presents the reader with fascinating accounts of ten extraordinary generally unrecognized African Americans Tricia Martineau Wagner takes these remarkable women from the footnotes of history and brings them to life Ed Diaz President of the Association for African American Historical Research and Preservation

Prep School Cowboys Melissa Bingmann, 2015-02 An engaging well researched account of the private schools that proliferated in the interwar years in the American Southwest Bingmann does an excellent job of situating these schools in the context of the history of American education Lynn Dumenil author of The Modern Temper American Culture and Society in the 1920s

Icon, Brand, Myth Max Foran, 2008 This book investigates the meanings and iconography of the Stampede an invented tradition that takes over the city of Calgary for ten days every July Since 1912 archetypal Cowboys and Indians are seen again at the chuckwagon races on the midway and throughout Calgary Each essay in this collection examines a facet of the experience from the images on advertising posters to the ritual of the annual parade This study of the Calgary Stampede as a social phenomenon reveals the history and sociology of the city of Calgary and a component of the social construction of identity for western Canada as a whole

Gunsmoke and Saddle Leather Charles G. Worman, 2005-12-15 The many roles played by guns in the old West with personal accounts by many early settlers and hundreds of photos

American Cowboy , 1994-05 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West

The United States and Latin America Fredrick B. Pike, 2010-07-05 The lazy greaser asleep under a sombrero and the avaricious gringo with money stuffed pockets are only two of the negative stereotypes that North Americans and Latin Americans have cherished during several centuries of mutual misunderstanding This unique study probes the origins of these stereotypes and myths and explores how they have shaped North American impressions of Latin America from the time of the Pilgrims up to the end of the twentieth century Fredrick Pike s central thesis is that North Americans have identified themselves with civilization in all its manifestations while viewing Latin Americans as hopelessly trapped in primitivism the

victims of nature rather than its masters He shows how this civilization nature duality arose from the first European settlers perception that nature and everything identified with it including American Indians African slaves all women and all children was something to be conquered and dominated This myth eventually came to color the North American establishment view of both immigrants to the United States and all our neighbors to the south [Policing the Monstrous](#) Ashley Szanter,2021-01-11 This collection of new essays examines how the injection of supernatural creatures and mythologies transformed the hugely popular crime procedural television genre These shows complicate the predictable and comforting patterns of the procedural with the inherently unknowable nature of the supernatural From Sherlock to Supernatural essays cover a range of topics including the gothic the post structural nature of The X Files the uncanny lure of Twin Peaks trickster detectives forensic fairy tales the allure of the vampire detective and even the devil himself *Commies, Cowboys, and Jungle Queens* William W. Savage,1998-04-24 in the confusing decade following World War II comic books were all the rage They treated such issues as the atomic and hydrogen bombs communism and the Korean War and they offered heroes and heroines to deal with these problems Using five representative cartoon stories historian William Savage looks at the immense popularity of comic books and their impact on the American public Cartoons *Encyclopedia of Community* DAVID LEVINSON,KAREN CHRISTENSEN,2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The

great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake. It is a major contribution to a more coherent understanding of this fundamental idea. Robert Bellah, Professor of Sociology Emeritus, University of California Berkeley and co-author of *Habits of the Heart*, SAGE Publications is proud to announce the *Encyclopedia of Community*, a major reference work that summarizes the many fascinating and important concepts of a global topic. Community itself is a concept, an experience and a central part of being human. Whether the reader is a student, researcher or professional in the field of psychology, sociology or even economics, this three-volume work will provide the necessary definitions of community beyond traditional views. Arranged in an A to Z fashion, the Encyclopedia can also be viewed topically via a Reader's Guide. This allows for interdisciplinary compare and contrast among topics such as types of communities, social capital, technology, urban life, politics and law, community design and global studies. Edited by the award-winning team at Berkshire Reference and assisted by an editorial board of world-renowned scholars, the *Encyclopedia of Community* will prove to be one of the most widely used reference works in your collection.

Key Features: 500 signed articles, 3 volumes, 2000 pages, Reader's Guide, Master bibliography, 250 sidebars, Appendices, Resource Guides, Master Bibliography, Libraries Build Community, Libraries and Popular Culture.

Cowboys of the Americas Richard W. Slatta, 1990-01-01. Lavishly illustrated with photographs, paintings and movie stills, this Western Heritage Award-winning book explores what life was actually like for the working cowboy in North America. If you read only one book on cowboys, read this one. *Journal of the Southwest*.
