[The Cowboy's Family Plan](#) Judy Duarte, 2012-08-21 Solemn rancher Alex Connor was looking for a good woman. To be more precise, he was looking for a surrogate to bear his babies. He had it all figured out: he'd be a single dad, completely devoted to his children. But after his first meeting with obstetrician Dr. Selena Ramirez, all his carefully made plans flew out the window. Selena knew she'd be able to help Alex, though not in the way he might imagine. Common sense told her to run when the sexy, green-eyed cowboy admitted he wanted her. What kind of crazy fate had brought a man yearning for offspring to a woman who couldn't have any? What kind of crazy girl would gamble on a man whose heart was already taken? P 4 of cover

**The Lone Black Cowboy - Book Set** Oscar Micheaux, 2023-12-24 In *The Lone Black Cowboy Book Set*, Oscar Micheaux crafts a compelling narrative that delves into the life of the African American cowboy during the early 20th century. This work marries realism with elements of folklore, revealing the often overlooked contributions and experiences of Black cowboys within the American West. Micheaux's straightforward yet evocative prose exposes themes of identity, race, and resilience, offering a rich tapestry that reflects the complexities of the African American experience during a time of pervasive segregation and injustice. Oscar Micheaux, a pivotal figure of early African American literature and filmmaking, drew on his own experiences as a homesteader and filmmaker to create authentic portrayals of Black life. Born in 1884 to former slaves, Micheaux faced numerous societal challenges that fueled his desire to highlight marginalized voices in an era dominated by racial stereotypes. His innovative storytelling and commitment to representing Black culture have left an indelible mark on American literature and cinema. I highly recommend *The Lone Black Cowboy Book Set* to readers seeking both an engaging narrative and a deeper understanding of the contributions of African Americans to the tapestry of the American West. Micheaux's work is not just a celebration of the cowboy life but a vital commentary on race and identity that resonates with contemporary audiences.
