Gender, Whiteness, and Power in Rodeo Tracey Owens Patton, Sally M. Schedlock, 2012-08-31 The lure of cowgirls and cowboys has hooked the American imagination with the lure of freedom and adventure since the turn of the twentieth century The cowboy and cowgirl played in the imagination and made rodeo into a symbolic representation of the Western United States As a sport that is emblematic of all things Western rodeo is a phenomenon that has since transcended into popular culture Rodeo's attraction has even spanned oceans and lives in the imaginations of many around the world From the modest start of this fantastic sport in open fields to celebrate the end of a long cattle drive or to settle a friendly who's the best bet between neighboring ranches rodeo truly has grown into an edge of the seat money drawing and crowd cheering favorite pastime However rodeo has diverse history that largely remains unaccounted for unexamined and silenced In Gender Whiteness and Power in Rodeo Tracey Owens Patton and Sally M Schedlock visually explore how race gender and other issues of identity complicate the mythic historical narrative of the West The authors examine the experiences of ethnic minorities specifically Latinos American Indians and African Americans and women who have continued to be marginalized in rodeo Throughout the book Patton and Schedlock questioned the binary divisions in rodeo that exists between women and men and between ethnic minorities and Whites divisions that have become naturalized in rodeo and in the mind of the general public Using iconic visual images along with the voices of the marginalized Patton and Schedlock enter into the sometimes acrimonious debate of cowgirls and ethnic minorities in rodeo

Cowboy Poetry Matters Robert McDowell, 2000 In his groundbreaking essay Can Poetry Matter reprinted here Dana Gioia suggested that many types of poetry assumed by some readers to be marginal art should not so easily be deleted from mainstream American literature Throughout the twentieth century perhaps no important writing has been as seriously and mistakenly overlooked by the

literati as Cowboy poetry Essentially connected to the folk tale to legend myth the ballad and song and vitally enhanced by the contemporary voices of independent ranch women Cowboy poetry vividly connects us to our past and our fragile threatened natural environment The writers included here both working horse and cattle people and mainstream authors share the brand of bold expression and independent thought found only among the best literary artists Here is not literary theory Here is literary life An anthology as diverse as America herself Core Of My Heart, My Country Maggie MacKellar, 2016-05-18 When Georgiana Molloy gave birth on the beach at Augusta in 1830 with boxes of her possessions lying where they d landed she was one of the many women who literally had to remake their homes out of the broken bones of their past In this passionate book Maggie MacKellar tells the stories of women on the frontier in Canada and Australia who ventured out in bonnets and petticoats to collect seeds who abandoned sidesaddles to ride in the mountains who risked their reputations to climb mountains and beyond this it tells of the risky business of women who put their lives on the page to claim the importance of their experience Core of My Heart My Country weaves together experience and insight from women who lived and wrote in different landscapes in different climates and in different eras It is a provocative and remarkable encounter with buried stories and persistent myths *Canadian Book Review Annual* ,1998 *The Canadian Who's who* ,2001 **Celebrating 100 Years of the Texas Folklore Society, 1909-2009** Kenneth L. Untiedt, 2009 The Texas Folklore Society is one of the oldest and most prestigious organizations in the state Its secret for longevity lies in those things that make it unique such as its annual meeting that seems more like a social event or family reunion than a formal academic gathering This book examines the Society s members and their substantial contributions to the field of folklore over the last century Some articles focus on the research that was done in the past while others offer studies that continue today This book does more than present a history of the Texas Folklore Society it explains why the TFS has lasted so long and why it will continue Book Review Index ,2003 Vols 8 10 of the 1965 1984 master cumulation constitute a title index Canadian Heroines 2-Book Bundle Merna Forster, 2014-11-12 In this special two book bundle you ll meet remarkable women in science sport preaching and teaching politics war and peace arts and entertainment etc The book is full of amazing facts and fascinating trivia about intriguing figures Discover some of the many heroines Canada can be proud of Find out how we re remembering them Or not Augmented by great quotes and photos this inspiring collection profiles remarkable women heroines in science sport preaching and teaching politics war and peace arts and entertainment and more Profiles include mountaineer Phyllis Munday activist Hide Shimizu unionist Lea Roback movie mogul Mary Pickford the original Degraffi kids Captain Kool hockey star Hilda Ranscombe and the woman dubbed the atomic mosquito Includes 100 Canadian Heroines 100 More Canadian Heroines **Christmas with the Cowgirl** Justine Davis, 2025-10-14 She s a no nonsense cowgirl He s Hollywood charm with a second shot But this Christmas in Texas the heart might be the biggest wildcard Former barrel racer Riley Garrett is a sixth generation Texan and a lifelong cowgirl She s kicked the unfortunate blip of her failed wedding into

the dust is happy running her family's ranch and prospering in more ways than one So when a smooth talking far too handsome outsider unexpectedly arrives in Last Stand during the holidays full of starry schemes he says will help her family and ranch along with the town Riley's beyond skeptical Producer Miles Flint is a Hollywood success by any measure even though his biggest hit imploded when his star quit to build a new life with his young son in small town Texas He cut his losses and moved on until he's given a second chance to reboot his hit show the way he originally wanted to do it No compromises But convincing a stubborn cowgirl who's distractingly fascinating that he can be trusted is going to take all of his persuasive powers plus the magic of a Hill Country Christmas to find a hit happily ever after for both of them *Bibliographic Guide to Womens Studies 1998* New York Public Library Staff,1999-08 **Canadian Books in Print 2002** Marian Butler,2002-02
