Words on Cassette, 1999 Bowker Editorial Staff, Staff Bowker R R, Bowker, 1999-02 **Traditional Inuit Songs from the Thule Area** Michael Hauser, 2010 Transcriptions and investigations of traditional songs from the Thule Area recorded by Erik Holtved in 1937 and Michael Hauser and Bent Jensen in 1962 Further investigations with music examples of traditional songs from the Uummannaq Upernavik Areas the Baffin Island Areas and the Copper Inuit Areas *MacIntyre and the Practice of Governing Institutions* Dulce M. Redín, Garrett W. Potts, Omowumi Ogunyemi, 2025-01-27 This volume offers a cross disciplinary exploration of Alasdair MacIntyre s provocative approach to governance drawing on insights from philosophy economics sociology business ethics and organizational studies The chapters explore how MacIntyre s theory is applied to diverse institutional contexts including education medicine and technology addressing contemporary challenges in governance and ethical decision making Bringing together well known scholars from the 16th Annual Conference of the International Society for MacIntyrean Enquiry ISME at the University of Navarra this book critically examines the role of governing institutions in shaping practices and traditions It highlights MacIntyre s distinction between practices and institutions addressing how these concepts influence ethical governance leadership and community building in today s complex societal landscapes Contributors explore key themes such as the development of virtues within institutions the ethical challenges of artificial intelligence the moral foundations of education and the governance of professions like medicine and land management This volume also engages with contemporary issues offering practical insights for fostering ethical decision making and community participation in an increasingly technocratic world *MacIntyre and the Practice of Governing Institutions* is an essential resource for scholars of political philosophy ethics and governance as well as for practitioners looking to navigate the ethical challenges posed by modern institutions By examining how MacIntyre s thought applies to real world issues this book provides both theoretical depth and practical strategies for promoting human flourishing through virtuous governance Words on Cassette, 2002 R R Bowker Publishing, 2002 **Negro Folk Music U. S. A.** Harold Courlander, 2019-09-18 This thorough well researched exploration of the origins and development of a rich and varied African American musical tradition features authentic versions of over 40 folk songs These include such time honored selections as Wake Up Jonah Rock Chariot Wonder Where Is My Brother Gone Traveling Shoes It s Getting Late in the Evening Dark Was the Night I m Crossing Jordan River Russia Let That Moon Alone Long John Rosie Motherless Children three versions of John Henry and many others One of the first and best surveys in its field *Negro Folk Music U S A* has long been admired for its perceptive history and analysis of the origins and musical qualities of typical forms ranging from simple cries and calls to anthems and spirituals ballads and the blues Traditional dances and musical instruments are examined as well The author a well known novelist folklorist journalist and specialist in African and African American cultures offers a discerning study of the influence of this genre on popular music with particular focus on how jazz developed out of folk

traditions The Journal of American Folklore ,1895 **Puppet Talk** Lilian Coppock,1997 Presents numerous ways of making puppets and ideas for using these to develop speaking and listening skills with young children *African Traditional And Oral Literature As Pedagogical Tools In Content Area Classrooms* Lewis Asimeng-Boahene,Michael Baffoe,2013-12-01

For a long time many American educators and educational stakeholders have drawn their ideas for educational reforms from ideas generated in Europe and Asia for the changing demographics of America s diverse classrooms This book is therefore motivated by a bold attempt at advocating for the revision of existing pedagogic fora and the creation and addition of new fora that would provide for the inclusion of thoughts perspectives and practices of African traditional oral literature in the pedagogical tools of content area classrooms especially in North America The articles that are presented in this book provide theoretical frameworks for using African traditional oral literature and its various tenets as teaching tools They bring together new voices of how African literature could be used as helpful tool in classrooms Rationale for agitating for its use as ideal for pedagogic tool is the recurrent theme throughout the various articles presented The book explores how educators literacy educators learners activists policy makers and curriculum developers can utilize the powerful yet untapped gem of African oral literature as pedagogical tools in content area classrooms to help expand educators repertoire of understanding beyond the conventional wisdom of their pedagogic creed It is a comprehensive work of experienced and diverse scholars academicians and educators who have expertise in multicultural education traditional oral literature urban education children s literature and culturally responsive pedagogy that have become the focus of U S discourses in public education and teacher preparation This anthology serves as part of the quest for multiple views about our global village emphasizing the importance of linking the idea of diverse knowledge with realities of global trends and development Consequently the goal and the basic thrust of this anthology is to negotiate for space for non mainstream epistemology to share the pedagogical floor with the mainstream template to foster alternative vision of reality for other knowledge production in the academic domain The uniqueness of this collection is the idea of bringing the content and the pedagogy of most of the genres of African oral arts under one umbrella and thereby offering a practical acquaintance and appreciation with different African cultures It therefore introduces the world of African mind and thoughts to the readers In summary this anthology presents an academic area which is now gaining its long overdue recognition in the academia **French Louisiana Music and Its Patrons** Patricia Peknik,2018-09-10 French Louisiana music emerged from the bayous and prairies of Southwest Louisiana in the late nineteenth and early twentieth centuries Pioneered by impoverished Acadian and Afro Caribbean settlers the sound is marked by a high pitched fiddle playing loud and fast above the bellow of a diatonic accordion With lyrics about disaster and heartache sung cheerfully in a French dialect the effect is dissonant and haunting French Louisiana music was largely ignored in mainstream music culture except by a handful of collectors scholars and commercial promoters who sought to popularize it From the first recordings in the 1920s to the transformation of the genre by the 1970s the spread of this

regional sound was driven by local national and international elites who saw the music's traditions and performers in the context of larger social political and cultural developments including the folk revival and the civil rights and ethnic revival movements Patricia Peknik illuminates how the music's history and meaning were interpreted by a variety of actors who brought the genre onto a national and global stage revealing the many interests at work in the popularization of a regional music

Long Black Song Houston A. Baker, 1990 Houston Baker maintains that black American culture grounded in a unique historical experience is distinct from any other and that it has produced a body of literature that is equally and demonstrably unique in its sources values and modes of expression He argues that black American literature is rooted in black folklore animal tales trickster slave tales religious tales folk songs spirituals and ballads and that a knowledge of this tradition is essential to the understanding of any individual black author or work To demonstrate the continuity of this tradition Baker examines themes that appear in folklore and persist throughout contemporary black literature Freedom and Apocalypse for example traces the idea that black Americans are a chosen people who will by some violent means overthrow the white man's tyranny The essays culminate in an examination of the life and work of Richard Wright Baker's treatment of Wright as a black American artist who recorded the black man's shift from an agrarian to an urban setting places Wright and the tradition of black literature and culture in a fresh perspective

American Regional Folklore Terry Mood Leopold, 2004-09-24 An easy to use guide to American regional folklore with advice on conducting research regional essays and a selective annotated bibliography American Regional Folklore begins with a chapter on library research including how to locate a library suitable for folklore research how to understand a library's resources and how to construct a research strategy Mood also gives excellent advice on researching beyond the library locating and using community resources like historical societies museums fairs and festivals storytelling groups local colleges newspapers and magazines and individuals with knowledge of the field The rest of the book is divided into eight sections each one highlighting a separate region the Northeast the South and Southern Highlands the Midwest the Southwest the West the Northwest Alaska and Hawaii Each regional section contains a useful overview essay written by an expert on the folklore of that particular region followed by a selective annotated bibliography of books and a directory of related resources

Folktales of Newfoundland (RLE Folklore) Herbert Halpert, J.D.A. Widdowson, 2015-02-20 This collection of Newfoundland folk narratives first published in 1996 grew out of extensive fieldwork in folk culture in the province The intention was to collect as broad a spectrum of traditional material as possible and Folktales of Newfoundland is notable not only for the number and quality of its narratives but also for the format in which they are presented A special transcription system conveys to the reader the accents and rhythms of each performance and the endnote to each tale features an analysis of the narrator's language In addition Newfoundland has preserved many aspects of English and Irish folk tradition some of which are no longer active in the countries of their origin Working from the premise that traditions virtually unknown in England might still survive in active

form in Newfoundland the researchers set out to discover if this was in fact the case *Folklore: An Encyclopedia of Beliefs, Customs, Tales, Music, and Art*, Charlie T. McCormick Ph.D., Kim Kennedy White, 2010-12-13 Written by an international team of acclaimed folklorists this reference text provides a cross cultural survey of the major types and methods of inquiry in folklore Did you know that the tale of Cinderella is over 1 000 years old and similar versions of this singular story exist in hundreds of cultures around the globe Have you heard of deathlore a subgenre of folklore involving tombstones coffins cemeteries and roadside memorial shrines Did you realize that UFO sightings and cyber cultures constitute modern folklore The broad field of folklore studies developed over the past two centuries provides significant insights into many aspects of human culture While the term folklore conjures images of ancient practices and beliefs or folk heroes and traditional stories it also applies to today's ever changing cultural landscape Even certain aspects of modern Internet based popular culture and contemporary rites of passage represent folklore This encyclopedia covers all the major genres of both ancient and contemporary folklore This second edition adds more than 100 entries that examine the folklore practices of major ethnic groups folk heroes creatures of myth and legend and emerging areas of interest in folklore studies **Earth Tales from Around the World** Michael J. Caduto, 1997 These stories from around the world grew from the very earth upon which they were first told **Body and Tradition in Nineteenth-century France** William Pooley, 2019 The moorlands of Gascony are often considered one of the most dramatic examples of top down rural modernization in nineteenth century Europe From an area of open moors they were transformed in one generation into the largest man made forest in Europe Body and Tradition in Nineteenth Century France explores how these changes were experienced and negotiated by the people who lived there drawing on the immense ethnographic archive of Felix Arnaudin 1844 1921 The study places the songs stories and everyday speech that Arnaudin collected as well as the photographs he took in the everyday lives of agricultural workers and artisans It argues that the changes were understood as a gradual revolution in bodily experiences as men and women forged new working habits new sexual relations and new ways of conceiving of their own bodies Rather than merely presenting a story of top down reform this is an account of the flexibility and creativity of the cultural traditions of the working population William G Pooley tells the story of the folklorist Arnaudin and the men and women whose cultural traditions he recorded then uncovers the work carried out by Arnaudin to explore everyday speech about the body stories of werewolves and shapeshifters tales of animal cunning and exploitation and songs about love and courtship The volume focuses on the lives of a handful of the most talented storytellers and singers Arnaudin encountered showing how their cultural choices reflect wider patterns of behaviour in the region and across rural Europe **The Caribbean Story Finder** Sharon Barcan Elswit, 2017-09-11 The Caribbean islands have a vibrant oral folklore In Jamaica the clever spider Anansi who outsmarts stronger animals is a symbol of triumph by the weak over the powerful The fables of the foolish Juan Bobo who tries to bring milk home in a burlap bag illustrate facets of traditional Puerto Rican life Conflict over status identity and power is a

recurring theme in a story from Trinidad a young bull raised by his mother in secret challenges his tyrannical father who has killed all the other males in the herd One in a series of folklore reference guides by the author this volume shares summaries of 438 tales some in danger of disappearing retold in English and Creole from West African European and slave indigenous cultures in 24 countries and territories Tales are grouped in themed sections with a detailed subject index and extensive links to online sources

The History of Chinese Folktales Liu Shouhua, 2025-04-14 The History of Chinese Folktales is the first comprehensive study of Chinese folktale history spanning from the pre Qin period to the 20th century It references over 300 ancient texts and reviews more than 300 representative stories The book highlights three main research areas First motifs and types This involves identifying and categorizing various story motifs and types as well as analyzing subtypes to create a genealogy of folktales a process that reflects cultural exchanges among peoples Second cultural significance Employing historical materialism and cultural anthropology the book explores the cultural implications of folktales linking them to historical and cultural contexts to reveal their essence Third historical geographical comparison This involves a detailed examination of the life history of stories considering historical and geographical contexts to understand their essence and cultural flow
