The Hohokam Emil W. Haury,2016-10-18 For a calculated 1 400 years Snaketown was a viable village but unlike so many tells in the Near East the people remained the same while their culture changed The smoothly graded typological sequences for most attributes suggest to me that the ethnic identity of the inhabitants was not interrupted that they were one and the same people experiencing normal internal evolutionary cultural modifications wtih occasional boosts of features and ideas newly arrived from the outside Emil W Haury

Bad Air Kevin B DiBacco,2024-12-31 In an age where we obsess over the food we eat and the water we drink we rarely

think about our most immediate environmental interaction breathing *Bad Air* pulls back the curtain on the complex cocktail of pollutants we inhale every day from the subtle chemicals off gassing from our furniture to the industrial emissions reshaping our atmosphere Author Kevin B DiBacco takes readers on a compelling journey through the science of air quality breaking down complex concepts into digestible insights that will forever change how you think about the air around you The book combines cutting edge research with practical solutions offering readers both understanding and actionable steps for protection From the shocking truth about indoor air often more polluted than outdoors to the hidden dangers in clean scents each chapter reveals another layer of our air quality crisis But rather than just sound alarms *Bad Air* empowers readers with specific strategies for creating cleaner air spaces in their homes offices and communities Whether you re a parent concerned about your children s health a professional looking to optimize your work environment or simply someone who breathes this book provides essential knowledge for navigating our increasingly polluted world With detailed guides for choosing air purifiers understanding air quality indexes and recognizing early warning signs of poor air quality *Bad Air* serves as both a wake up call and a practical manual for better breathing

Mood and Mobility Richard Coyne, 2024-05-21 An argument that as we engage with social media on our digital devices we receive modify intensify and transmit moods We are active with our mobile devices we play games watch films listen to music check social media and tap screens and keyboards while we are on the move In *Mood and Mobility* Richard Coyne argues that not only do we communicate process information and entertain ourselves through devices and social media we also receive modify intensify and transmit moods Designers practitioners educators researchers and users should pay more attention to the moods created around our smartphones tablets and laptops Drawing on research from a range of disciplines including experimental psychology phenomenology cultural theory and architecture Coyne shows that users of social media are not simply passive receivers of moods they are complicit in making moods Devoting each chapter to a particular mood from curiosity and pleasure to anxiety and melancholy Coyne shows that devices and technologies do affect people s moods although not always directly He shows that mood effects are transitional different moods suit different occasions and derive character from emotional shifts Furthermore moods are active we enlist all the resources of human sociability to create moods And finally the discourse about mood is deeply reflexive in a kind of meta moodiness we talk about our moods and have feelings about them *Mood* in Coyne s distinctive telling provides a new way to look at the ever changing world of ubiquitous digital technologies

Animal People Adam Reed, 2025-01-15 *Animal People* introduces readers to the professionalized world of animal protection from the perspective of those who consider themselves to be moderate activists Adam Reed explores the interrelationships between moral cause and organizational culture including the ways in which expert roles such as investigator and lobbyist inform the practice and outlook of animal protection This book examines not only connections between forms of professionalism and everyday advocacy but also how those working to improve the welfare of animals can come to possess an expertise in public or

mainstream ethics Reed explores these issues through the example of a Scottish based animal protection organization Animal People makes a distinctive contribution to anthropological debate and discussion relating to human and nonhuman animal interactions activism and the attributions and imperatives of moral action **Strategies that Work** Stephanie Harvey, Anne Goudvis, 2007 Describes strategies teachers can use to promote reading comprehension in students from kindergarten through eighth grade and includes examples of student work illustrations and other reference tools The World of the Edwardian Child Michael Tracy, 1998 *Talking Book Topics* , 2000 Includes audio versions and annual title author index
