Megillat Esther J.T. Waldman, 2010-01-01 Megillat Esther is commonly referred to as the Book of Esther but there is nothing common about JT Waldman's interpretation of this Biblical story In what may be the world's first religious scholarly comic book Waldman tells the epic tale of exile and redemption in graphic form When Esther a Jewish woman is made Queen of Persia she must keep her identity hidden all the while maneuvering to save her people from annihilation This is a story familiar to many Jews who have heard it recounted every year on the holiday of Purim But readers of all backgrounds will be entranced by what artist Waldman depicts in his interpretation of the text At once traditional and groundbreaking Megillat Esther will challenge secular assumptions about the Bible Each page of Megillat Esther is a visual tour de force and features the Hebrew text with original English translation as well as opulent drawings depicting the story of the Persian Queen

Traditional interpretations of the story are woven throughout the panels Megillat Esther presents the reader with a topsy turvey world in which fortunes reverse and nothing is what it seems This vibrant edgy retelling of a classic Biblical tale is sure to amaze and intrigue scholars and laypeople of all religions and comic book lovers alike **Library Journal** Melvil Dewey, Richard Rogers Bowker, L.
