that took her partner's life and nearly her own. Her hard won peace of mind however is shattered by the death of Chet Gundry a world renowned horse whisperer, ladies man, diabetic and dear friend. Chet was a superstar in the equestrian universe until someone spiked his insulin vial and reined him in permanently. When Sandy discovers that her colleague Burbank detective Tom Rigby considers her a prime suspect in Chet's murder, her emotional and spiritual recovery is shaken to the core. A second murder of an equestrian insider forces Sandy back on track. Putting aside their now shaky relationship, Sandy and Tom must pool their resources in order to stop a killer who will kill again and again to cover up a federal crime that would blow the lid off the equestrian industry. Set against a dazzling Southern California milieu of high dollar quarter horse shows, world class stallions and breeders with enormous egos, *Blood Reins* is a fast paced police procedural that explores a deadly arena where the crowning of champions can provoke murderous consequences. **Sandra Cameron**
