Applegate, 2000 Tobias and the other Animorphs discover that the Yeerks a parasitic alien race bent on enslaving Earth plan to test a device that could put an end to the Animorphs fight against the Yeerks *Illusion* Katherine A. Applegate, 1999 The Illusion K. A. Applegate, 1999 Discovering that the Yeerks possess a weapon that can transform an Animorph back to a normal person with the flick of a switch the Animorphs are forced to find a way to destroy their secret tool quickly or risk having their secret identities exposed to all Original

Animorphs #33 K. A. APPLEGATE, 1999 **The Stranger (Animorphs #7)** K. A. Applegate, 2012-06-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series Rachel isn t the kind of girl who backs away from a fight When her dad asks her to move across the country with him it hurts but Rachel won t desert her friends in their fight to save the world But then the Animorphs are contacted by a very old very powerful alien being that knows about their struggle He s called the Ellimist and he presents them with a choice They can abandon the planet with their families and be taken to safety or they can stay to fight the Yeerks and lose **The Capture (Animorphs #6)** K. A. Applegate, 2012-03-01 The wildly popular books by K A Applegate are back The Animorphs return in this update of the classic series It was bad when Jake found out his brother was one of them A Human Controller A slave But that was nothing compared to this When the Animorphs decide to visit the Yeerks new base it seems simple But then they get caught and Jake falls just for a moment into the Yeerk pool Now they re out and his friends can t see it To them he s just like normal But Jake is screaming for help His worst fear has finally come true He s become the enemy *The Ellimist Chronicles (Animorphs)* K. A. Applegate, 2018-03-27 He is called the Ellimist A being with the ability to alter space and time A being with a power that will never be fully understood He is the reason Elfangor came to Earth He is the reason the Earth now has a fighting chance And though his actions never seem quite right or wrong you can be certain they are never ever what anyone expects This is the beginning and the middle of the story A story that needs to be told in order to understand what might happen to the future The future of the Animorphs The future of humanity The future of Earth He is called the Ellimist And this is his story

The Change (Animorphs #13) K. A. Applegate, 2017-06-27 Tobias has gotten used to his new life He s a red tailed hawk with the mind of a kid It was difficult when he first became trapped in his morph but he s started to come to terms with

things After all how many kids actually get the chance to fly But now Tobias is about to make a very difficult choice a choice that the other Animorphs know nothing about And it could mean the difference between living the rest of his life as a hawk and being human The Arrival (Animorphs #38) K. A. Applegate,2017-08-29 Andalites have finally arrived on Earth Ax and the other Animorphs now have allies willing to fight against the Yeerk invasion But there are only four Andalites Not nearly enough to defeat thousands of Yeerks Not enough to stop humans from being infested Everyone agrees that the battle must continue but the Andalites don't want to fight alongside humans They feel their skills will be less than adequate And they demand that Ax choose a side Will Ax stay with his friends or stand with his people The Other (Animorphs #40) K. A. Applegate,2017-08-29 Ax and the Animorphs have always believed Ax was the only non infested Andalite on Earth That he alone survived the terrible battle between his people and the Yeerks Until now There were other survivors Other Andalites And they're here on Earth Trying to keep a low profile Trying to find a way to defeat Visser Three Trying like Ax and the Animorphs to stay alive until help finally comes If help finally comes **The Andalite Chronicles (Animorphs)** K. A. Applegate,2018-03-27 Elfangor Sirinial Shamtul is an Andalite war prince the one who gave the Animorphs the power to morph The Andalite Chronicles is the story of how this warrior cadet ended up on planet Earth Ages 9 12 Pub 12 97 *The Test (Animorphs #43)* K. A. Applegate,2017-08-29 Tobias and the other Animorphs have seen things so bizarre that no sane person would believe their story No one would believe that aliens have taken over the Earth and are in the process of infesting as many humans as possible No one could believe the battles and missions and losses these six kids have had to deal with And it's not over yet Tobias has been captured by the same human Controller that nearly tortured him to death once before She claims that now she's a part of the Yeerk peace movement That she just needs a favor Tobias isn't sure what to believe but he knows that if the Animorphs don't find him soon what he believes won't matter anymore *The Extreme (Animorphs #25)* K. A. Applegate,2017-07-25 Marco and the other Animorphs have managed to find out where the Yeerks are planning to build their next ground based Kandrona That's a good thing But the location is supposed to be somewhere near the North Pole That's a bad thing The Animorphs know that the Yeerks are a cold blooded species but this is a little nuts Who wants to be near the North Pole without Arctic morphs and wearing spandex Even so the kids know that if the Yeerks succeed with their plan Earth is pretty much done for And Marco and the other Animorphs aren't quite ready to give up the fight **The Warning (Animorphs #16)** K. A. Applegate,2017-06-27 Jake's made a pretty amazing discovery It seems like there may be other people who know about the alien invasion of Earth Others who know about the Yeerks Jake finds a website devoted to revealing the existence of the Yeerks but he and the other Animorphs suspect it might be too good to be true If they try to investigate the site and it's a trap the Yeerks could find out who they are If they don't check it out they'll never know if they're the only ones fighting Whatever Jake and the others decide to do they've got to move quickly because Visser Three isn't the only one dying to meet them *The Mutation (Animorphs #36)* K. A. Applegate,2017-08-29 Visser

Three is still trying to find a way to reach the Pemalite ship that was hidden thousands of feet below the ocean's surface. The ship contains technology so advanced that it's superior to anything even the Andalites have built. And this time the Visser plans to find the ship so he can use the power to complete Earth's invasion. Jake and the other Animorphs acquire additional deep sea morphs in order to stop the Visser's plan. But while trying to destroy the Yeerk ship, the kids make a startling discovery: an underwater civilization. Have the kids discovered Atlantis or is it just another trap? **The Pretender**

(Animorphs #23) K. A. Applegate, 2017-07-25 Someone's looking for Tobias. Someone who says she's his long lost cousin. Tobias isn't sure the person is telling the truth, but she's really nice and knows a lot about him. And what she tells Tobias definitely gets his attention. It seems a lawyer has discovered Tobias's father's last will and testament. So Tobias needs to attend the reading. His cousin even offers to go along. But something just doesn't feel quite right. That's when Tobias and the other Animorphs decide to do a little checking on this cousin. And what they discover will change the rest of Tobias's life.

The Beginning (Animorphs #54) K. A. Applegate, 2017-09-26 No one ever thought it would come to this. Jake, Rachel, Tobias, Cassie, Marco, and Ax know that even if they could have warned people in the beginning, no one would have believed their story. A story about an invasion of parasitic aliens. So for all this time, Jake and the other Animorphs have secretly fought a desperate battle. Secretly held the Yeerks at bay. But those days are over. It's come down to the final battle between the Yeerks and Animorphs. And no one knows who will win, lose, or live. The Solution (Animorphs #22) K. A. Applegate, 2017-07-25 David, the newest Animorph, is not what he appears. His need to control the other Animorphs is all he thinks about. And the things he does are starting to break up the group. Rachel and the others know that time is running out. The newest battle against the Yeerks is the most important one yet. And it's not one that will wait. Winning this fight could mean slowing down the invasion. But no one knows what to do with David. Because the newest Animorph is more than just a little problem. He's deadly.
