Willis, 2023-04-13 While tap dancers Fred Astaire Gene Kelly and Eleanor Powell were major Hollywood stars and the rhythms of Black male performers such as the Nicholas Brothers and Bill Bojangles Robinson were appreciated in their time Black female tap dancers seldom achieved similar recognition Who were these women The author sought them out interviewed them and documented their stories for this book Here are the personal stories of many Black women tap dancers who were hailed by their male counterparts performed on the most prominent American stages and were pioneers in the field of Black tap Hollywood Heyday David Fantle, 2018-04-04 What audacity exclaimed actor Robert Wagner when he heard about the authors adolescent exploits in nabbing interviews with Hollywood celebrities In 1978 Fantle and Johnson St Paul teenagers boarded a plane to meet with Fred Astaire and Gene Kelly They had written the stars requesting interviews and to their amazement both agreed Over the years more than 250 other stars also agreed Lucille Ball Bob Hope James Cagney Mickey Rooney Debbie Reynolds George Burns Rod Steiger Milton Berle Frank Capra and Hoagy Carmichael to name a few Published for the first time and with exclusive photos this selection of 75 interviews chronicles the authors 40 year quest for insights and anecdotes from iconic 20th century artists The Cinematic Legacy of Frank Sinatra David Wills, 2025-06-25 In a film career spanning more than five decades Frank Sinatra proved to be a roulette wheel of constantly spinning talent the likes of which Hollywood has rarely seen Film history is filled with stars created by the studio system Occasionally however a performer emerged who against all preconceived odds of what a star should be or look like knocked down the walls of convention by becoming nothing other than what they already were Frank Sinatra was the embodiment of this fundamental truth The legacy of his work stands apart from many of his contemporaries who essentially based their performances on an

extension of a core character type Sinatra however was able to take his signature persona and translate it successfully into many film genres first as the comedic song and dance man then as the dramatic actor and romantic lead and finally as the tough guy and action hero Sinatra also respectfully challenged contemporary ideals of acting technique While being humble enough to learn from his peers he kept his acting style fresh and instinctual and earned an Oscar at a time when many actors were either classically trained or coached in the Method In *The Cinematic Legacy of Frank Sinatra* author David Wills presents a stunning collection highlighting the work of one of Hollywood's greatest stars in roles as varied as those in the classics *Anchors Aweigh* *From Here to Eternity* *Suddenly Guys and Dolls* *The Man With the Golden Arm* *Ocean's 11* *The Manchurian Candidate* *Von Ryan's Express* and *The Detective* Pairing more than two hundred first generation photos with reflections on Sinatra from costars and work associates and including contributing essays by his children Nancy Sinatra Tina Sinatra and Frank Sinatra Jr it is an unforgettable showcase of the actor's transformation from world famous singer to movie star to Academy Award winner and finally to one of the most enduring icons in cinema history
