

Anna Of Byzantium

Thomas Arentzen, Mary B. Cunningham

Anna Of Byzantium:

Anna of Byzantium Tracy Barrett, 2011-04-13 For fans of Joan of Arc and Alexander the Great comes a gripping saga of alliances intrigues deceits and treacheries about Anna Comnena of the Byzantine Empire Anna Comnena has every reason to feel entitled She is a princess her father's firstborn and his chosen successor Someday she expects to sit on the throne and rule the vast Byzantine Empire So the birth of a baby brother doesn't perturb her Nor do the barbarians from foreign lands who think only a son should ascend to power Anna is as dismissive of them as are her father and his most trusted adviser his mother a manipulative woman with whom Anna studies the art of diplomacy Anna relishes her lessons proving adept at checkmating opponents in swift moves of mental chess But as she matures into a young woman her arrogance and intelligence threaten her grandmother Anna will be no one's puppet Almost overnight Anna sees her dreams of power wrenched from her and bestowed on her little brother Bitter at the betrayal Anna waits to avenge herself and to seize what is rightfully hers Praise for Anna of Byzantium A Bulletin Blue Ribbon Book An ALA Quick Pick An ALA Best Book for Young Adults A Booklist Editor's Choice A Booklist Top Ten Historical Fiction Pick STAR Anna of Byzantium involves readers in a gripping saga of alliances intrigues deceits and treacheries worthy of a place among the tragic myths The Bulletin Starred review In the tradition of E L Konigsburg's A Proud Taste for Scarlet and Miniver and Karen Cushman's Catherine Called Birdy comes this story of a real life historical figure Anna Comnena groomed to be the sovereign of the Byzantine empire Barrett uses an effective first person narrative to draw readers into Anna's story and the author's precise use of detail helps re create Anna's world the palace of Constantinople in the ninth century Readers will be caught up in this exciting read Booklist Boxed review A fascinating mix of history mystery and intrigue The Horn Book Magazine Barrett does a remarkable job of painting moods and emotions with spare elegant sentences This splendid novel about a neglected period of history is the perfect choice Hard to imagine it being any better written VOYA This wonderfully engaging novel both entertains and serves as a lively history lesson with its well researched background dramatic plot and dimensional characters Barrett's descriptive engaging prose will draw readers into a fascinating historical time filled with political intrigue and a complex admirable teen protagonist who faces her changing future with an inspiring combination of heart and mind Wichita Eagle

Anna of Byzantium Tracy Barrett, 2000-01-01 In the eleventh century the teenage princess Anna Comnena fights for her birthright the throne to the Byzantine Empire which she fears will be taken from her by her younger brother John because he is a boy

The Cult of St Anna in Byzantium Eirini Panou, 2018-05-11 The Cult of St Anna in Byzantium is the first undertaking in Byzantine research to study the phenomenon of St Anna's cult from the sixth to the fifteenth centuries It was prompted by the need to enrich our knowledge of a female saint who had already been studied in the West but remained virtually unknown in Eastern Christendom It focuses on a figure little studied in scholarship and examines the formation establishment and promotion of an apocryphal saint who made her way to the pantheon of Orthodox saints Visual and

material culture relics and texts track the gradual social and ideological transformation of Byzantium from early Christianity until the fifteenth century This book not only examines various aspects of early Christian and Byzantine civilisation but also investigates how the cult of saints greatly influenced cultural changes in order to suit theological social and political demands The cult of St Anna influenced many diverse elements of Christian life in Constantinople including the creation of sacred spaces and the location of haghiasmata fountains of holy water in the city imperial patronage the social reception of St Anna s story and relic narratives This monograph breaks new ground in explaining how and why Byzantium and the Orthodox Church attributed scriptural authority to a minor figure known only from a non canonical work *Anna Komnene and Her Times* Thalia Gouma-Peterson, 2014-05-22 This significant critical anthology explores the life of Anna Komnene the Byzantine context in which she wrote and the impact of the Alexiad on her times and on subsequent historical works of literature **Anna Komnene and the Alexiad** Ioulia Kolovou, 2020-05-13 Kolovou rescues Anna from the talons of misogynist historians and places her where she belongs as an extraordinary but very human woman Beating Tsundoku A woman of extraordinary education and intellect Anna Komnene was the only Byzantine female historian and one of the first and foremost historians in medieval Europe Yet few people know of her and her extraordinary story Subsequent historians and scholars have skewed the picture of Anna as an intellectual princess and powerful author She has been largely viewed as an angry bitter old woman who greedily wanted a throne that did not belong to her After being exiled to a convent she composed the Alexiad the history of the First Crusade and the Byzantine Emperor Alexios I Komnenos 1081 1118 her father This book aims to present Anna Komnene the fascinating woman pioneer intellectual and charismatic author to the general public Drawing on the latest academic research to reconstruct Anna s life personality and work it moves away from the myth of Anna the conspirator and power hungry woman which has been unfairly built around her over centuries of misrepresentation It places Anna Komnene in the context of her own time the ancient Greek colony and medieval Eastern Roman empire known as Byzantium with the magnificent city of Constantinople at its heart At the forefront of an epic clash between East and West this was a world renowned for its dazzling wealth mystery and power games This was a world with Anna Komnene directly at the center Well written well researched and an overall fascinating read A brilliant addition to women s history Where There s Ink There s Paper *The Cult of St Anna in Byzantium* Eirini Panou, 2018-05-11 The Cult of St Anna in Byzantium is the first undertaking in Byzantine research to study the phenomenon of St Anna s cult from the sixth to the fifteenth centuries It was prompted by the need to enrich our knowledge of a female saint who had already been studied in the West but remained virtually unknown in Eastern Christendom It focuses on a figure little studied in scholarship and examines the formation establishment and promotion of an apocryphal saint who made her way to the pantheon of Orthodox saints Visual and material culture relics and texts track the gradual social and ideological transformation of Byzantium from early Christianity until the fifteenth century This book not only examines various aspects of early Christian

and Byzantine civilisation but also investigates how the cult of saints greatly influenced cultural changes in order to suit theological social and political demands The cult of St Anna influenced many diverse elements of Christian life in Constantinople including the creation of sacred spaces and the location of haghiasmata fountains of holy water in the city imperial patronage the social reception of St Anna s story and relic narratives This monograph breaks new ground in explaining how and why Byzantium and the Orthodox Church attributed scriptural authority to a minor figure known only from a non canonical work

Byzantine Women Lynda Garland, 2017-10-19 This volume brings together a group of international scholars who explore many unusual aspects of the world of Byzantine women in the period 800 1200 The specific aim of this collection is to investigate the participation of women non imperial women in particular in supposedly masculine fields of operation This new research across a range of disciplines attempts to provide an analysis of the activities of and attitudes towards Byzantine women in this period Using evidence from sources as diverse as tax registers monastic foundation documents twelfth century novels historical texts art history and the writings of women themselves such as the hymnographer Kassia and the historian Anna Komnene these papers elucidate the context in which Byzantine women lived They emphasize the variety of female experiences the circumstances that shaped women s lives and the ways in which individual women were perceived by their society Contributions focus on women s dress their participation in the street life of Constantinople their appearance in Byzantine fiscal documents their monastic foundations their engagement with entertainment at the imperial court and the way heroines are portrayed in the Byzantine novels Analysis of the writings of the hymnographer Kassia the networking of Mary of Alania and the ways she overcame the disadvantages of being a foreign born empress and the family values reflected in Anna Komnene s *Alexiad* draw attention to specific problems All these aim to expand our understanding of the circumstances that shaped women s lives and expectations in the Middle Byzantine period and to analyze the range of women s experiences the roles they played and the impact they made on society

John II Komnenos, Emperor of Byzantium Alessandra Bucossi, Alex Rodriguez Suarez, 2016-06-03 The Emperor John II Komnenos 1118 1143 has been overshadowed by both his father Alexios I and his son Manuel I Written sources have not left us much evidence regarding his reign although authors agree that he was an excellent emperor However the period witnessed territorial expansion in Asia Minor as well as the construction of the most important monastic complex of twelfth century Constantinople What else do we know about John s rule and its period This volume opens up new perspectives on

John's reign and clearly demonstrates that many innovations generally attributed to the genius of Manuel Komnenos had already been fostered during the reign of the second great Komnenos. Leading experts on twelfth-century Byzantium, Jeffreys, Magdalino, Ousterhout, are joined by representatives of a new generation of Byzantinists to produce a timely and invaluable study of the unjustly neglected figure of John Komnenos. **The Reception of the Virgin in Byzantium** Thomas Arentzen, Mary B. Cunningham, 2019-08-15 Images and texts tell various stories about the Virgin Mary in Byzantium reflecting an important cult with strong doctrinal foundations. [Heroes and Romans in Twelfth-Century Byzantium](#) Leonora Neville, 2012-10-04 Nikephoros Bryennios' history of the Byzantine Empire in the 1070s is a story of civil war and aristocratic rebellion in the midst of the Turkish conquest of Anatolia. Commonly remembered as the passive and unambitious husband of Princess Anna Komnene, author of the *Alexiad*, Bryennios is revealed as a skilled author whose history draws on cultural memories of classical Roman honor and proper masculinity to evaluate the politicians of the 1070s and implicitly to exhort his twelfth-century contemporaries to honorable behavior. Bryennios' story valorizes the memory of his grandfather and other honorable but failed generals of the eleventh century while subtly portraying the victorious Alexios Komnenos as un-Roman. This reading of the *Material for History* sheds new light on twelfth-century Byzantine culture and politics, especially the contested accession of John Komnenos, the relationship between Bryennios' history and the *Alexiad*, and the function of cultural memories of Roman honor in Byzantium. **Biographical Index of the Middle Ages**, 2011-03-01 The index to the Biographical Archive of the Middle Ages makes accessible about 130,000 biographical articles from nearly 200 volumes. The entries contain short biographical information on approximately 95,000 persons from Europe and the Middle East who shaped the cultural development and the religious life during one thousand years. **Byzantium and the Crusades** Jonathan Harris, 2006-08-15 The first great city to which the Crusaders came in 1089 was not Jerusalem but Constantinople, the capital of the Byzantine Empire. Almost as much as Jerusalem itself, Constantinople was the key to the foundation, survival, and ultimate eclipse of the crusading kingdom. *La diplomatie byzantine, de l'Empire romain aux confins de l'Europe (Ve-XVe s.)*, 2020-08-10 In *La diplomatie byzantine de l'Empire romain aux confins de l'Europe Ve-XVe s.*, twelve studies explore from novel angles the complex history of Byzantine diplomacy. After an Introduction, the volume turns to the period of late antiquity and the new challenges the Eastern Roman Empire had to contend with. It then examines middle Byzantine diplomacy through chapters looking at relations with Arabs, Rus, and Bulgarians before focusing on various aspects of the official contacts with Western Europe at the end of the Middle Ages. A thematic section investigates the changes to and continuities of diplomacy throughout the period, in particular by considering Byzantine alertness to external political developments, strategic use of dynastic marriages, and the role of women as diplomatic actors. Contributors are Jean-Pierre Arrignon, Audrey Becker, Mickaël Bourbeau, Nicolas Drocourt, Christian Gastgeber, Nike Koutrakou, Elisabeth Malamut, Ekaterina Nechaeva, Brendan Osswald, Nebojša Porčić, Jonathan Shepard, and Jakub Sypiański. *Anna Komnene* Leonora

Neville,2016-08-01 Byzantine princess Anna Komnene is known for two things plotting to murder her brother to usurp the throne and writing the Alexiad an epic history of her father Alexios I Komnenos 1081 1118 that is a key historical source for the era of the First Crusade Anna Komnene the Life and Work of a Medieval Historian investigates the relationship between Anna s self presentation in the Alexiad and the story of her bloodthirsty ambition It begins by asking why women did not write history in Anna s society what cultural rules Anna broke by doing so and how Anna tried to respond to those challenges in her writing Many of the idiosyncrasies and surprises of Anna s Alexiad are driven by her efforts to be perceived as both a good historian and a good woman These new interpretations of Anna s authorial persona then spark a thorough re thinking of the standard story which defines Anna s life by the failure of her supposed political ambitions The second half of this work reviews the medieval sources with fresh eyes and re establishes Anna s primary identity as an author and intellectual rather than as a failed conspirator The Byzantine Lady Donald M. Nicol,1996-07-13 What kind of lives did women in the Byzantine empire lead Just how subservient were they in so male dominated a society In this collection of biographies Donald M Nicol uncovers the unexpected fact that in the later years of the empire at least some aristocratic women enjoyed influence and exercised initiative The ten ladies whose lives are described here did not complain of male oppression instead despite the conventions of caste and court they found an outlet for their talents in religion patronage friendship and scholarship They left a lasting influence on the society in which they lived The story of their achievements offers new perspectives on the Byzantine empire and a fascinating insight into the lives of women in past times Encyclopedia of Women in the Middle Ages Jennifer Lawler,2018-01-16 Most people have heard of Lady Godiva and her horseback tax protest in the 11th century and Joan of Arc who in the 15th century fought against the English for the French gaining sainthood in 1920 Many know of Eleanor of Aquitaine 12th century Queen of France and England and powerful manipulator and protector of kings Some know of Hildegard and Beatrice and Blanche and Clare There are many famous women of the Middle Ages whose lives and leadership brought important changes to history This encyclopedia contains several hundred entries on the culture history and circumstances of women in the Middle Ages from the years 500 to 1500 C E The geographical scope of this work is wide with entries on women from England France Germany Japan and other nations around the world There are entries on queens empresses and other women in positions of leadership as well as entries on topics such as work marriage and family households employment religion and various other aspects of women s lives in the Middle Ages Genealogies of queens and empresses accompany the text in an appendix **History as Literature in Byzantium** Ruth Macrides,2016-12-05 Although perceived since the sixteenth century as the most impressive literary achievement of Byzantine culture historical writing nevertheless remains little studied as literature Historical texts are still read first and foremost for nuggets of information as main sources for the reconstruction of the events of Byzantine history Whatever can be called literary in these works has been considered as external and detachable from the facts The classical

tradition inherited by Byzantine writers the features that Byzantine authors imitated and absorbed are regarded as standing in the way of understanding the true meaning of the text and furthermore of contaminating the reliability of the history Chronicles whose language and style are anything but classicizing have been held in low esteem for they are seen as providing a mere chronological exposition of events This book presents a set of articles by an international cast of contributors deriving from papers delivered at the 40th annual Spring Symposium of Byzantine Studies They are concerned with historical and visual narratives that date from the sixth to the fourteenth century and aim to show that literary analyses and the study of pictorial devices far from being tangential to the study of historical texts are preliminary to their further study exposing the deeper structures and purposes of these texts

Byzantium and the Emergence of Muslim-Turkish Anatolia, Ca. 1040-1130 Alexander Daniel Beihammer, 2017-02-17 This book proposes a new interpretation of the transformation from Byzantine to Muslim Turkish Anatolia With the waning influence of Constantinople and Cairo in Anatolia and the Muslim heartlands local elites and regional powers came to the fore as holders of political authority and rivals in endless power struggles Turkish warrior groups quickly assumed a leading role in this process because of their intrusion into pre existing social networks and their successful exploitation of administrative tools and local resources There was no Byzantine decline nor Turkish triumph but rather the driving force of change was the successful interaction between these two spheres

Byzantine Religious Culture, 2011-10-28 Alice Mary Talbot has profoundly influenced Byzantine Studies in America and Europe focusing her scholarship upon the social context of Byzantine religious practices As Director of Byzantine Studies at Dumbarton Oaks and as editor of Dumbarton Oaks Papers she touched the professional lives of senior and junior Byzantinists alike This collection of twenty five articles from scholars associated with her at various stages in her career compasses such varied disciplines as art history social history literature epigraphy numismatics and sigillography contributions are grouped in three related sections Women Icons and Images and finally Texts Practices Spaces Illustrated with both b w and color images the volume is at once a varied and a coherent tribute to this extraordinary scholar Contributors are Alexander Alexakis Simon Bendall Annemarie Weyl Carr John Duffy Stephanos Efthymiadis Elizabeth A Fisher Jaroslav Folda Sharon E J Gerstel Michael Gr nbart Susan Ashbrook Harvey Angela Constantinides Hero Michel Kaplan Paul Magdalino Henry Maguire Maria Mavroudi Stamatina McGrath C ile Morrisson John Nesbitt Arietta Papaconstantinou Stratis Papaioannou Manolis Patedakis Brigitte Pitarakis Claudia Rapp Nancy Patterson ev enko Brooke Shilling Paul Stephenson and Denis Sullivan
