A Soul Journey* Michael Tracey, 2002 All journeys are journeys of encounter with the Lord who

walks with us in the cool of the evening Sometimes they are deadly silent other times they are full of travail But all times no matter what the occasion or circumstance they are journeys with rather than against journeys to rather than from journeys indwelling rather than dissipating Any journey demands both a challenge and a risk an act of faith in what is to come because of the assurance of what is past Yet the challenge and risk always leads to a homecoming And the journey home is always shorter and full of special memories because it embodies the reality of a happy ending A journey is an exercise in discovery discovery of latent talents opportune moments and the creative ability to fashion the tapestry of one s life under the guidance of the Master Weaver This book is a journal of life weaved from the fabric of people s lives Their hearts are stories of strength and weakness heroism and heartbreak yet woven together with hope It is a sacramentality of life love and living
