

Anna Gaskell

**Alexandra M. Kokoli**

## **Anna Gaskell:**

*Anna Gaskell* Anna Gaskell, 2002 Photographs by Anna Gaskell      *Artist File* Anna Gaskell, 1970      **Anna Gaskell** Anna Gaskell, Matthew Drutt, 2002 Essays by Dr Francis McKee Matthew Drutt and Niall MacKenzie Foreword by Louisa Stude Sarofim      **Anna Gaskell** Israel Rosenfield, Massimiliano Gioni, 2004      **Anna Gaskell** Anna Gaskell, Aspen Art Museum (Aspen, Colo.), 2000-01-01      *Anna Gaskell* Marcella Beccaria, 2001      **Anna Gaskell** ,      *Feminism Reframed* Alexandra M. Kokoli, 2009-10-02 *Feminism Reframed* Reflections on Art and Difference addresses the on going dialogue between feminism art history and visual culture from contemporary scholarly perspectives Over the past thirty years the critical interventions of feminist art historians in the academy the press and the art world have not only politicised and transformed the themes methods and conceptual tools of art history but have also contributed to the emergence of new interdisciplinary areas of investigation including notably that of visual culture Although the impact of such fruitful transformations is indisputable their exact contribution to contemporary scholarship remains a matter for debate not least because feminism itself has changed significantly since the Women s Liberation Movement *Feminism Reframed* reviews and revises existing feminist art histories but also reasserts the need for continuous feminist interventions in the academy the art world and beyond With contributions by Anthea Behm Alisia Grace Chase Jennifer G Germann Catherine Grant Joanne Heath Ruth Hemus Alexandra Kokoli Beth Anne Lauritis Griselda Pollock Karen Roulstone Anne Swartz and Sue Tate Coming at the moment when contemporary art practices are themselves involved in re cycling re evaluating and re enacting the past this collection asks how feminism s own troubled histories can be reframed productively in the present The questions that feminism raised in the 1970s and 80s are still pertinent and are addressed in a number of original essays What does gender equality mean in the arts How can women s subjectivities be articulated or performed differently in art practices Can attention to gender enable us to engage with complex differences of race sexuality and class of age and generation Do we need new interpretative and conceptual models for writing about art Alexandra Kokoli s thoughtful and illuminating introduction reminds us that reframing is a risky but exciting business if it makes us ask these questions anew with attention to the politics and aesthetics of the present Rosemary Betterton Lancaster University      *Bernhard Mendes Bürgi*. *Exhibitions 1982-2016* Philipp Kaiser, 2025-06-27 The publication concentrates on Bernhard Mendes Bürgi s more than thirty years of curatorial work The focus is on a typographically generously designed list of all 110 exhibitions that B ürgi has been responsible for particularly as director of the Kunsthalle Zürich and the Kunstmuseum Basel accompanied by many installation views A detailed discussion with Philipp Kaiser sheds light on the curatorial guidelines which are contextualized in current events The special significance of the ideal solo exhibition which always emerges anew from a close collaboration with the respective artist becomes apparent      **Dreams** Francesco Bonami, Hans Ulrich Obrist, 1999      **Lina and Serge** Simon Alexander Morrison, 2013 The dramatic untold story of Lina and Serge Prokofiev a doomed love story and a shattering

portrait of an artist      **Gone Girls, 1684-1901** Nora Gilbert, 2023-06-03 In *Gone Girls 1684 1901* Nora Gilbert argues that the persistent trope of female characters running away from some iteration of home played a far more influential role in the histories of both the rise of the novel and the rise of modern feminism than previous accounts have acknowledged For as much as the eighteenth and nineteenth century British novel may have worked to establish the private middle class domestic sphere as the rightful and sole locus of female authority in the ways that prior critics have outlined it was also continually showing its readers female characters who refused to buy into such an agenda refusals which resulted strikingly often in those characters physical flights from home The steady current of female flight coursing through this body of literature serves as a powerful counterpoint to the ideals of feminine modesty and happy homemaking it was expected officially to endorse and challenges some of novel studies most accepted assumptions Just as the MeToo movement has used the tool of repeated aggregated storytelling to take a stand against contemporary rape culture *Gone Girls 1684 1901* identifies and amplifies a recurrent strand of eighteenth and nineteenth century British storytelling that served both to emphasize the prevalence of gendered injustices throughout the period and to narrativize potential ways and means for readers facing such injustices to rebel resist and get out      **Vital Record of Rhode Island** James Newell Arnold, 1895      *Aging, Duration, and the English Novel* Jacob Jewusiak, 2020 Argues that novelists graft aging onto narrative duration and reveals the politics of senescence in nineteenth and early twentieth century plots      *On Perfection* Jo Longhurst, 2013-01-01 Based on a 2012 symposium on Perfection held at the Whitechapel Gallery in East London this book explores the ways in which artists engage with ideas of perfection drawing on screenings performances and discussions The symposium featured the work of an eclectic group of artists and writers who use photographic lenses of many kinds to create works that engage with or disrupt ideas of perfection Framed from an artist's perspective and spanning a diverse range of artworks that question how these ideas shape our personal identities and our social and political systems *On Perfection* considers the multifaceted nature of lens based practices      *Beyond Textual Literacy: Visual Literacy for Creative and Critical Inquiry* Mary A. Drinkwater, 2020-09-25 This volume contains chapters derived from papers presented at the 3rd Global Conference on Visual Literacies Exploring Critical Issues held in Oxford UK July 14th through the 16th 2009 The conference brought together a broad range of cultural artistic and academic participants      **A Surrealist Stratigraphy of Dorothea Tanning's Chasm** Catriona McAra, 2016-11-10 1 Unpacking Tanning's library 2 The alternative reality of Sedona 3 Surrealism in the attic 4 The fur of the fairy tale 5 Quoting Tanning surrealist heirlooms in contemporary practice      **Reframing Photography** Rebekah Modrak, Bill Anthes, 2011 In an accessible yet complex way Rebekah Modrak and Bill Anthes explore photographic theory history and technique to bring photographic education up to date with contemporary photographic practice      **A Gust of Photo-Philia** Alexandra Moschovi, 2020-12-15 The first transnational history of photography's accommodation in the art museum Photography was long regarded as a middle brow art by the art institution Yet at the turn of the millennium it

became the hot global art of our time In this book part institutional history part account of shifting photographic theories and practices Alexandra Moschovi tells the story of photography s accommodation in and as contemporary art in the art museum Archival research of key exhibitions and the contrasting collecting policies of MoMA Tate the Guggenheim the V A and the Centre Pompidou offer new insights into how art as photography and photography as art have been collected and exhibited since the 1930s Moschovi argues that this accommodation not only changed photography s status in art culture and society but also played a significant role in the rebranding of the art museum as a cultural and social site     **Light and Lens** Robert Hirsch,2012 Hirsch presents an introductory book that clearly and concisely provides the instruction and building blocks necessary to create thought provoking digitally based photographs It is an idea book that features numerous classroom tested assignments and exercises from leading photographic educators
