Forging a New South Maury Nicely, 2023-05-19 On the morning of August 21 1861 John T Wilder a brash young colonel of a Union mounted infantry unit nicknamed the Lightning Brigade ordered his men to open fire on the city of Chattanooga Tennessee damaging buildings sinking steamboats along the riverfront and injuring men women and children In the midst of Reconstruction and an emerging new South a mere eight years later Wilder was elected mayor of Chattanooga While Wilder is most closely associated with the Lightning Brigade which helped to pioneer the use of both mounted infantry and repeating firearms during the American Civil War his military accomplishments occupied only five years of his eighty seven year life His immense postwar success however left a permanent mark on the industrial development of the war torn South in the second half of the nineteenth century It is the comprehensive picture of Wilder s nearly nine decades that Maury Nicely seeks to capture in *Forging a New South The Life of General John T Wilder* For many war heroes there was not much beyond the war worth telling Nicely writes Such was not the case with Wilder A successful entrepreneur and industrialist after the war Wilder relocated to East Tennessee where he created dozens of businesses factories mines hotels and towns was elected mayor of the city he had shelled during the war and cultivated close personal and business relationships with Federal and Confederate veterans alike helping to create a new South in the wake of a devastating conflict Presented in two parts and accompanied by more than sixty detailed photographs and maps Nicely s balanced study fills a significant void the first complete biography of General John T Wilder
