Annas Egypt:

Anna's Egypt : An Artist's Journey Anna Boghiguian, 2003 Anna Boghiguian one of Egypt's foremost contemporary artists has traveled the globe and recorded her artistic reaction to each new place in drawings and paintings in the notebooks she carries everywhere But her roads through India or Cambodia Canada or France always come back to the land of her birth Egypt Her drawings of Egypt reflect her instinctive and emotional responses to the country's many layers of history and myth and to the people ancient and modern grand and everyday who populate those histories and myths with such entrancing spirit In this very personal presentation of Egypt Anna Boghiguian shares both her visual and her verbal thoughts as she leads us on a tour of this incredible land of fact and fiction across space and in and out of time through her words that paint pictures and her drawings that tell stories This truly unique book is as much about the artist as it is about the land and a treasure on both counts BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
