A Study Guide for Anne Sexton's "Young" Gale, Cengage Learning, 2016 A Study Guide for Anne Sexton's *Young* excerpted from Gale's acclaimed *Poetry for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Poetry for Students* for all of your research needs. *This Business of Words* Amanda Golden, 2018-11-02 One of America's most influential women writers, Anne Sexton has long been overshadowed by fellow confessional poets Sylvia Plath and Robert Lowell and is seldom featured in literary criticism. This volume reassesses Sexton and her poetry for the first time in two decades and offers directions for future Sexton scholarship. Mapping Sexton's influence on twenty-first-century cultural contexts, these essays emphasize her continuing vitality. Contributors: Jeanne Marie Beaumont, Jeffery Conway, Jo Gill, Amanda Golden, Christopher Grobe, Anita Helle, Kamran Javadizadeh, Dorothea Lasky, Kathleen Ossip, David Trinidad, Victoria Van Hynning. *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson, 2014-01-21 The *Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries, which provide biographical and cultural contexts for the author's career; entries on individual works, which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries, which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States. *Elle*, 2000 **Anne Sexton** Anne Sexton, 2004 A collection of letters written by poet Anne Sexton in which she describes her life, thoughts, and feelings, with previously unpublished poems and family pictures and memorabilia. *Writing Under the Influence* Aubrey Malone, 2017-12-21 Writers and alcohol have long been associated, for some the association becomes unmanageable. Drawing on rare sources, this collection of brief biographies traces the lives of 13 well-known literary drinkers, examining how their relationship with alcohol developed and how it affected their work, for better or worse. Focusing on examples like F. Scott Fitzgerald, Ernest Hemingway, Edna St. Vincent Millay, Charles Bukowski, and Raymond Carver, the combined biographies present a study of the classic figure of the over-indulging author. **Lateness and Longing** George Baker, 2023-05-23 How a generation of women artists is transforming photography with analogue techniques. Beginning in the 1990s, a series of major artists imagined the expansion of photography, intensifying its ideas and effects while abandoning many of its former medium constraints. Simultaneous with this development in contemporary art, however, photography was moving toward total digitalization. *Lateness and Longing* presents the first account of a generation of artists focused on the work of Zoe Leonard, Tacita Dean, Sharon Lockhart, and Moyra Davey, who have collectively transformed the practice of photography using analogue technologies in a dissident way and radicalizing signifiers of older models of feminist art. All these artists have resisted the transition to the digital in their

work Instead in what amounts to a series of feminist polemics they return to earlier incomplete or unrealized moments in photography s history gravitating toward the analogue basis of photographic mediums Their work announces that photography has become not obsolete but late opened up by the potentially critical forces of anachronism Through a strategy of return of refusing to let go the work of these artists proposes an afterlife and survival of the photographic in contemporary art a formal lateness wherein photography finds its way forward through resistance to the contemporary itself Health and the Modern Home Mark Jackson,2008-02-07 *Health and the Modern Home* explores shifting and contentious debates about the impact of the domestic environment on health in the modern period Drawing on recent scholarship contributors expose the socio political context in which the physical and emotional environment of the modern home and family became implicated in the maintenance of health and in the aetiology and pathogenesis of diverse psychological and physical conditions In addition they critically analyze the manner in which the expression and articulation of medical concerns about the domestic environment served to legitimate particular political and ideological positions *Creative Writing in the Community* Terry Ann Thaxton,2013-11-07 *Creative Writing in the Community* is the first book to focus on the practical side of creative writing Connecting classroom experiences to community based projects it prepares creative writing students for teaching in schools homeless centers youth clubs and care homes Each chapter is packed with easy to use resources including specific lesson plans case studies of students working with community groups lists of suitable writing examples how to sections examples and theoretical applications of creative writing pedagogy and techniques reflection questions writings by workshop participants Enhanced by contributions from directors students and teachers at successful public programs *Creative Writing in the Community* is more than an essential guide for students on creative writing courses and leaders of community based learning programs it is practical demonstration of the value of art in society *Princeton Alumni Weekly* ,1936-08-14 **Sea-level 0** Daniela Crăsnaru,1999 Poems of rare brilliance and philosophical depth translated with the perfect pitch of the poet Anne Sexton Steven E. Colburn,1988 Contains some of the best and most representative writing about Sexton s life and work "A Study Guide for Anne Sexton's ""I Remember""" Gale, Cengage,2018-12-13 A Study Guide for Anne Sexton s I Remember excerpted from Gale s acclaimed Poetry for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Poetry for Students for all of your research needs **The Chronology of American Literature** Daniel S.
