Catalog of Copyright Entries Library of Congress. Copyright Office,1977 **Medieval Woman's Song** Anne L. Klinck,Ann Marie Rasmussen,2015-08-06 The number of surviving medieval secular poems attributed to named female authors is small some of the best known being those of the trobairitz the female troubadours of southern France However there is a large body of poetry that constructs a particular textual femininity through the use of the female voice Some of these poems are by men and a few by women including the trobairitz many are anonymous and often the gender of the poet is unresolvable A woman s song in this sense can be defined as a female voice poem on the subject of love typically characterized by simple language sexual candor and apparent artlessness The chapters in Medieval Woman s Song bring together scholars in a range of disciplines to examine how both men and women contributed to this art form Without eschewing consideration of authorship the collection deliberately overturns the long standing scholarly practice of treating as separate and distinct entities female voice lyrics composed by men and those composed by women What is at stake here is less the voice of women themselves than its cultural and generic construction **The Gentleman's Magazine** ,1899

Polish Folk Music Anna Czekanowska,1990-07-19 This study of Polish folk music is especially enlightening as it reveals both the history and practice of a musical tradition and offers an illuminating view of a culture and its social activities Within her study Anna Czekanowska analyses the vocal and instrumental traditions of Polish folk music tracing the background history the influences of geography and politics and the practice often within contemporary society of such social events as the harvest the solstice and weddings The function of folk culture within contemporary life for both Polish and non Polish inhabitants of the country is also examined Professor Czekanowska also discusses the birth of Polish ethno musicology as a discipline and details some methodological aspects for research This study contributes to a greater understanding and appreciation of Polish music and in a wider aspect of Slavonic culture The book contains numerous illustrations of instruments and cultural events music examples maps a discography and bibliography **English Herd Book and**

the voices of the trees As she endures her first terrible winter she develops the strength of character that will carry her through the dangers of her unconventional life and the bitter beauty of falling in love but as the outside world encroaches on her secret existence Anne faces a terrible tragedy *Chronicle of the Horse* ,1986-04 **Reading Blake's Songs** Zachary Leader,2015-08-11 First appearing in 1981 this book was the first full length study of the Songs of Innocence and Experience to be published in almost fifteen years The book provides detailed readings of each poem and its accompanying design to redirect attention to the nature and achievement of the book as a whole to Songs as a single carefully unified work of verbal and visual art Particularly close attention is paid not only to the designs Blake etched to accompany his poems but also to the many books and treatises for and about children to which it is argued Songs alludes or is indebted Like so many important works of this period Songs is shown to be autobiographical in nature one of Blake s attempts to order and account for the conflicts and crises of his own art and life Its story is that of an artist s growth into and out of vision and of his gradual realization of the dangers and deficiencies of the prophetic mode *The Poisonous, Noxious, and Suspected Plants of Our Fields and Woods* Anne Pratt,1857 *Ships in the Night* Lorna Forrester,2023-06-09 This is a wide selection of poems from my teens up to Easter 23 Quite a few are merely entertainment fun doggerel included because they give glimpses into aspects of my life There is a thread concerning problematic identities and the complexity of relationships There are unanswered questions and a pervasive ambience of mystery Many poems reflect my nuanced Socialism and passion for social justice And there is a spiritual journey towards Progressive Christianity Lorna Forrester is passionate about the themes of her first novel and sees it as a contribution to on going dialogue and as support for individuals who are struggling with the two main issues of LGBT Christians and over the interpretation of the Bible generally Influenced by the American ex pastor writer blogger international speaker and leader of the emerging church Brian McLaren and by Oasis church and charity here in the UK Lorna is hoping to encourage ex evangelicals and to raise the profile of Progressive Christianity in these times of upheaval Somewhat of a recluse Lorna Forrester is totally deaf and intends only to engage on line where she is concerned with encouraging irenic conversation A grandmother of three girls she is indebted to the elder two for their lively encouragement and pertinent suggestions from start to finish **Inland Navigation by the Stars** Anne Coleman,2018-05-31 Coleman s keen observations about her long life make INLAND NAVIGATION BY THE STARS not only an intimate personal memoir but also a work of social history Her reflections of the times she grew up in are compassionate yet critical and provide a unique and engaging insight into both Coleman herself and the challenges that women in Canada have faced over the last eighty years SONJA LARSEN award winning author of Red Star Tattoo FROM THE AUTHOR OF I LL TELL YOU A SECRET Growing up in Toronto Ontario and North Hatley Quebec Anne Coleman was a combination of pre feminist independent girl and literary dreamer With literature as her source of information about life she married Frank a handsome brilliant Slovenian whose family had lost their famous Grand Hotel Toplice in Bled northern Yugoslavia to the

Nazis and then to the Communists He was just the type of man with a troubled past her reading had demanded she find The marriage alternated between happiness and darkness with Frank descending into bouts of alcoholism and depression as a result of his childhood trauma at the hands of the Nazis After a dramatic escape from the marriage with her two small children Anne had to start over She earned a Master s degree in English from Bishop s University and then taught for five years at Miss Edgar s and Miss Cramp s School in Montreal and for thirty years at a college in Kamloops BC now Thompson Rivers University Before heading west she was part of the liveliest literary gatherings of the era Her circle included Hugh MacLennan Leonard Cohen Margaret Atwood and Michael Ondaatje In the 1970s and 1980s Anne s feminist awakening was a call to arms for women at her college and beyond And for men too The male professors who had hitherto reigned unchallenged fought back as best they could with mockery and threats But Anne struggled to live her feminism fully in her private life She stayed far too long in a second marriage by going into survival mode denial and immersing herself in her teaching students friends Her primary solace became the flora and fauna of Narnia a 160 acre property south of Kamloops with an old Quebec style house built during the marriage One section of her book is titled How Beauty Makes Things Possible and her descriptions of nature there and elsewhere in the book whether of the hills lake and forests of North Hatley the top of the world wildness outside Kamloops or the gardens and coastal areas of Victoria may prove to be among some of the finest in all of Canadian writing *The Sunday Magazine* ,1878 **Catalog of Copyright Entries, Third Series** ,1947 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc **Crafting a Collection** Anna Shields,2020-03-23 Compiled in 940 at the court of the kingdom of Shu the Huajian ji is the earliest extant collection of song lyrics by literati poets The collection has traditionally been studied as the precursor to the lyrics of the Song dynasty or in terms of what it contributed to the later development of the genre But scholars have rarely examined the work as an anthology and have more often focused on the work of individual poets and their respective contributions to the genre In this book Anna Shields examines the influence of court culture on the creation of the anthology and the significance of imitation and convention in its lyrics Shields suggests that by considering the Huajian ji only in terms of its contributions to a later model we unnecessarily limit ourselves to a single literary form and risk overlooking the broader influence of Tang culture on the Huajian ji By illuminating the historical and literary contexts of the anthology the author aims to situate the Huajian ji within larger questions of Chinese literary history particularly the influence of cultural forces on the emergence of genres and the development of romantic literature **Handbook of Nature Study** Anna Botsford Comstock ,2016-05-31 For decades Handbook of Nature Study has been a matchless resource for teachers naturalists and anyone curious about the world around them Originally written in 1911 and later revised by a group of naturalists in 1939 this classic work remains as valid and helpful today as it was back then Anna Botsford Comstock
