Anne Rohart:

The Information Master Jacob Soll, 2011-08-08 Colbert has long been celebrated as Louis XIV's minister of finance, trade and industry. More recently he has been viewed as his minister of culture and propaganda. In this lively and persuasive book, Jake Soll has given us a third Colbert: the information manager. Peter Burke, University of Cambridge. Jacob Soll gives us a road map drawn from the French state under Colbert. With a stunning attention to detail, Colbert used knowledge in the service of enhancing royal power. Jacob Soll's scholarship is impeccable and his story long overdue and compelling. Margaret Jacob, University of California, Los Angeles. Nowadays we all know that information is the key to power and that the masters of information rule the world. Jacob Soll teaches us that Jean Baptiste Colbert had grasped this principle three and a half centuries ago and used it to construct a new kind of state. This imaginative, erudite and powerfully written book re-creates the history of libraries and archives in early modern Europe and ties them in a novel and convincing way to the new statecraft of Europe's absolute monarchs. Anthony Grafton, Princeton University. Brilliantly researched, superbly told and timely, Soll's story is crucial for the history of the modern state. Keith Baker, Stanford University. When Louis XIV asked his minister Jean Baptiste Colbert the man who was to oversee the building of Versailles and the Royal Academy of Sciences, as well as the navy, the Paris police force and French industry to build a large-scale administrative government, Colbert created an unprecedented information system for political power. In *The Information Master*, Jacob Soll shows how the legacy of Colbert's encyclopedic tradition lies at the very center of the rise of the modern state and was a precursor to industrial intelligence and Internet search engines. Soll's innovative look at Colbert's rise to power argues that his practice of collecting knowledge originated from techniques of church scholarship and from Renaissance Italy, where merchants recognized the power to be gained from merging scholarship, finance and library science. With his connection of interdisciplinary approaches regarding accounting, state administration, archives, libraries, merchant techniques, ecclesiastical culture, policing and humanist pedagogy, Soll has written an innovative book that will redefine not only the history of the reign of Louis XIV and information science but also the study of political and economic history. Karl Lagerfeld Marie Ottavi, 2025-02-25 An extraordinary biography of Karl Lagerfeld based upon a series of rare, powerful and emotional interviews: the real story, full of inside details that repeatedly surprises and enlightens. Ottavi enjoyed a rare degree of open and candid access to Lagerfeld in his later years and this biography offers an unparalleled look into the iconic designer's complex personality and wide-ranging creativity. Lagerfeld himself wanted this to be a frank, honest, serious account that would be an invaluable resource for fashion lovers and admirers of his incomparable legacy. Unlike other recent books, this intimate portrait deftly reveals his true inner

nature in his own words Based upon interviews with Lagerfeld over the course of two years prior to his death this biography is further enriched with memories stories and anecdotes from close friends and associates including the Princess of Hanover Bernard and H l ne Arnault Silvia Fendi Bruno Pavlovsky Tom Ford Alessandro Michele Valentino Carine Roitfeld Naomi Campbell Claudia Schiffer In s de La Fressange Linda Evangelista Tadao Ando Fran Lebowitz and others Lagerfeld was many things inspired creator witty raconteur media darling highly cultured eccentric in his manners insatiable at work ultra sensitive and given to maintaining grudges This narrative includes Lagerfeld s own especially perceptive insights into his relationship with Jacques de Bascher his only true love and how Yves Saint Laurent s later passion for de Bascher resulted in the infamous break in the longstanding friendship between the two couturiers *Border Crossings* ,2004 **The Connoisseur** ,1988 *Icons of Style* Paul Martineau ,2018-07-10 In 1911 the French publisher Lucien Vogel challenged Edward Steichen to create the first artistic rather than merely documentary fashion photographs a moment that is now considered to be a turning point in the history of fashion photography As fashion changed over the next century so did the photography of fashion Steichen s modernist approach was forthright and visually arresting In the 1930s the photographer Martin Munkcsi pioneered a gritty photojournalistic style In the 1960s Richard Avedon encouraged his models to express their personalities by smiling and laughing which had often been discouraged previously Helmut Newton brought an explosion of sexuality into fashion images and turned the tables on traditional gender stereotypes in the 1970s and in the 1980s Bruce Weber and Herb Ritts made male sexuality an important part of fashion photography Today following the integration of digital technology teams like Inez Vinoodh and Mert Marcus are reshaping our notion of what is acceptable not just aesthetically but also technically and conceptually in a fashion photograph This lavishly illustrated survey of one hundred years of fashion photography updates and reevaluates this history in five chronological chapters by experts in photography and fashion history It includes more than three hundred photographs by the genre s most famous practitioners as well as important but lesser known figures alongside a selection of costumes fashion illustrations magazine covers and advertisements **The New York Times Magazine** ,1987 *Paradise Now* William Middleton,2023-02-28 A deep knowledge of and feeling for his subject Sunday Times Karl Lagerfeld Chanel s iconic Creative Director for thirty five years was a cultural luminary like no other Larger than life Lagerfeld was legendary not only for reinventing Chanel but also for his idiosyncratic personal style and captivating life which featured a cast of the world s most famous fabulous and fascinating people Not least his cat Choupette who herself became a fashion icon Journalist and author William Middleton spent years working in Paris for Women s Wear Daily W and Harper s Bazaar During his time there he interviewed and socialized with Lagerfeld coming to to see a side the elusive designer kept private from the world In this deliciously entertaining book Middleton takes us inside the most exclusive rooms in the fashion industry behind the catwalk and into a world of brilliantly talented artists stylish socialites and famous stars some of the most elusive and unforgettable figures of fashion s inner circle
