ANNE SMITH

(March 21st, 1881-June 1st, 1949)

"She greeted strangers, and listened for their names."

SOMEHOW we believe Dr. Bob's beloved Anne would prefer this simple tribute beyond all others. It was written by one who knew her well. It came from the bottom of a grateful heart which sensed that extravagant language and trumpeting phrases would serve only to obscure a life that had deep meaning.

It is doubtful if now, only one year after her passing, that, the true significance of Anne Smith's life can be realized. Certainly it cannot yet be written, for the warmth of her love, and charm of her personality and the strength of her humility are still upon those of us who knew her.

For Anne Smith was far more

than a gracious lady. She was one of four people, chosen by a Higher Destiny, to perform a service to mankind. How great this contribution is, only time and an intelligence beyond man's can determine. With Dr. Bob, Lois and Bill, Anne Smith stepped into history, not as a heroine but as one willing to accept God's will and ready to do what needed to be done.

Her kitchen was the battleground and, while Anne poured the black coffee, a battle was fought there which has led to your salvation and mine. It was she, perhaps, who first understood the miracle of what passed between Bill and Dr. Bob. And, in the years to follow, it was she who knew with divine certainty that what had happened in her home would happen in other homes again, again, and yet again.

For Anne, understood the simplicity of faith. Perhaps that's why God chose her for us. Perhaps that's why Anne never once thought of herself as a 'woman of destiny' but went quietly about her job. Perhaps that's why, when she said to a grief-torn wife, 'Come in, my

dear, you're with friends now—friends who understand' that fear and loneliness vanished. Perhaps that's why Anne always sat in the rear of the meetings, so she could see the newcomers as they came, timid and doubtful . . . and make them welcome.

There's a plaque on the wall of Akron's St. Thomas hospital dedicated to Anne. It's a fine memorial. But there's a finer one lying alongside the typewriter as this is being written—letters to Dr. Bob from men and women who knew and loved her well. Each tries to put in words what is felt in many hearts. They fail—and that's the tribute beyond price. For real love, divine love, escapes even the poet's pen.

So, in the simplest way we know, and speaking for every AA everywhere, let's just say 'Thanks, Dr. Bob, for sharing her with us.' We know that she's in a Higher Group now, sitting well to the back, with an eye out for newcomers, greeting the strangers and listening for their names!

Succeeded** Dick B,2011-07-26 Early AAs studied the Bible took their basic recovery ideas from the Bible and stressed reading it They called it the Good Book The Good Book was read at the beginning of almost every pioneer meeting It was read at the Quiet Times held each morning at the home of Dr Bob and Anne Smith for AAs and their families It was the subject of almost every book article and devotional they used in their own Quiet Times Bill W later wrote Rev Sam Shoemaker that he would like to see Bible study groups of AAs studying the Word in church basements Well and good We know early AAs did study Jesus Sermon on the Mount Matthew 5 to 7 1 Corinthians 13 the Book of James Psalms 23 and 91 and many other verses and chapters cited in the Christian literature they circulated But what precisely did they study and borrow Where do you begin today if you wish to adopt their highly successful practice Just which portions will bring the power peace joy liberty forgiveness healing and deliverance from alcoholism and their other problems that early AAs sought and achieved in relying on their Creator How do you begin if you are in A A or another 12 Step program and want to understand the program by using the Good Book in the way A A s founders and pioneers did Author Dick B has spent 21 years researching the biblical roots and sources of early A A s program He has published 42 titles on the subject And four of his recent titles are specifically devoted to and useful for Good Book study and Good Book groups in recovery programs such as A A Al Anon and the many other 12 Step groups The four books including this very title are 1 The Good Book and The Big Book A A s Roots in the Bible 2 Good Morning Quiet Time Morning Watch Meditation and Early A A 3 By the Power of God A Guide to Early A A Groups 4 Why Early A A Succeeded The Good Book in Alcoholics Anonymous Yesterday and Today A Bible Study Primer for AAs and other 12 Steppers We recommend you obtain and use all four as a set This particular title has the much requested much needed and highly useful guides for AAs and other self help people in today s recovery arena The power and deliverance and love of the Creator are available today They have simply been obscured by New Age language on spirituality higher powers any god and just plain idols that abound in today s room talk and literature There are plenty of books on Bible study There is none that addresses early A A s own endorsements of Bible study its own approach to the Good Book and the particular release from prisons that AAs and others need and can find in the Bible itself This is a how to book It doesn t tell you what to believe how to believe or what to join It does tell you how to read the Bible understand early A A ideas and victories founded on the Bible and put the whole deliverance picture together for yourself The set of four books will point up four different areas of need and the solutions First what is the evidence in A A

Turning Point Dick B.,1997 Dick B is today regarded as the leading A A historian He is a writer Bible student retired attorney and active recovered member of the A A fellowship He has brought to the history table 1 His strong belief in the Creator Christianity and the Bible as the main source book for truth 2 His long and fervent work with newcomers in helping them to overcome their alcoholism with the power of God 3 His talents in writing and research that emerged from his work at the University of California where he received a Phi Beta Kappa key his editorship of the Stanford Law Review and his vigorous practice in writing and presenting legal briefs before many many courts This mid point treatise had been followed by and added up to 33 A A history titles so far This book is foundational

Twelve Steps for You Dick B.,2005 The much awaited work of A A Historian Dick B on the origins of each of the Twelve Steps First and foremost a history of each step How each of A A's co founders contributed to each of the Steps It looks at the original Akron A A program which had no Steps and took its basic ideas from the Bible and its principles and practices primarily from the United Christian Endeavor Movement of Dr Bob's youth Then source by source it looks at each Step as it was impacted upon by a particular contributor The Bible Oxford Group Rev Sam Shoemaker Dr Bob's wife Anne Smith the so called Six Steps then the other sources This book is an historical study of the roots of each Step and it can be used for individual and group study of the Steps in a very meaningful way It is also a guide A guide to understanding and a guide to taking each Step It also shows you how to take the Steps exactly as directed in A A's Big Book It suggests how you might look at each Step in terms of the contributions to that Step's language and meaning by each of its sources Finally it provides Christians and other students with a means of considering learning and taking each of the Steps in light of that Step's biblical and historical roots with the Big Book Bible and history at hand When you are through you will have a perspective of the real spiritual utility of the Twelve Steps in a believer's world despite the secularization and universalism that are diluting all Twelve Step programs and the language used in connection with the Steps For example God as we understood Him historically and biblically means Almighty God the Creator as He is understood by the newcomer at the time of taking Steps 3 and 11 So too powerless in Step 1 is presented in its historical context I was licked rather than in some puzzling linguistic context seldom understood or unraveled You'll know and guide the taking of the Twelve Steps as they were intended to be understood and as you never did before
