Once there, Regina has to grapple with her preconceived notions of socialism and Judaism while asking herself the eternal question: "What do we owe each other?" How can we best help one another? While she contends with these queries and struggles to help Birobidzhan establish itself, love and war are on the horizon. New York Times Bestselling author Alina Adams draws on her own experiences as a Jewish refugee from Odessa, USSR, as she provides readers a rare glimpse into the world's first Jewish Autonomous Region. **My Mother's Secret** is rooted in detailed research about a little-known chapter of Soviet and Jewish history while exploring universal themes of identity, love, loss, war, and parenthood. Have you ever had a dream of finding your one true love and finding it was just that a dream? This is exactly how Annie Shane felt. She wasn't looking for love but knew she had a real love out there somewhere. She thought that she would know him as soon as she saw him just by looking into his eyes, the eyes that she saw in many of her dreams. The only problem now was when Annie finally had that intense electrifying moment of eye contact, it happened to be with someone that she knew she could never get close to. He was perfect at least in Annie's eyes. But he drove race cars for a living, and everyone knew him as being one of the most famous and greatest drivers in the country. Annie wasn't the type that could attract a guy like him. She was the type that had social problems when it came to guys she liked, so how could a shy average

girl like Annie express her feelings to this guy and without looking like all the other women throwing themselves at him Can she grab his attention or is it all just a dream
