Leaving a Family Legacy Kari Alvaro, 2023-02-02 In our current culture is it even possible to raise kids of faith who are governed by character, have solid family relationships and are contributors to their world? Yes, yes, and yes! *Leaving a Family Legacy* is written to instill confidence in you to courageously raise your children in the ways of the Lord. Rather than delivering formulas, the Alvaros share principles found in God's Word which can be implemented uniquely within your family. Through real-life scenarios, Kari and Gerald share successes, failures, and the lessons learned from both. They invite you to cast a vision for your family and choose the values you wish to impart, and then offer strategies for implementing ways of living into your goals. You'll walk through character development, the four primary stages of parenting, how to restore peace out of chaos, and how to develop strong family bonds of love and trust. With an emphasis on reaching the heart of your children as much as influencing their behavior, you'll learn to inspire them to walk with God and equip them to make wise choices for themselves. Designed for putting principles into practice, each chapter is followed by application steps for implementing strategies as well as discussion questions for small group study. *Leaving a Family Legacy* offers you hope and guidance in the daily activities of raising your kids to know God personally, bring joy to your family, and make a difference in their world.

Hidden Among the Stars Melanie Dobson, 2018-09-04 From the award-winning author of *Catching the Wind*, which Publishers Weekly called unforgettable and a must-read, comes another gripping time-slip novel about hidden treasure, a castle, and ordinary people who resisted evil in their own extraordinary way. The year is 1938, and as Hitler's troops sweep into Vienna, Austrian Max Dornbach promises to help his Jewish friends hide their most valuable possessions from the Nazis, smuggling them to his family's summer estate near the picturesque village of Hallstatt. He enlists the help of Annika Knopf, his childhood friend and the caretaker's daughter, who is eager to help the man she's loved her entire life. But when Max also brings Luzia Weiss, a young Jewish woman, to hide at the castle, it complicates Annika's feelings and puts their entire plan, even their very lives, in jeopardy. Especially when the Nazis come to scour the estate and find both Luzia and the treasure gone. Eighty years later, Callie Randall is mostly content with her quiet life running a bookstore with her sister and reaching out into the world through her blog. Then she finds a cryptic list in an old edition of *Bambi* that connects her to Annika's story and maybe to the long-buried story of a dear friend. As she digs into the past, Callie must risk venturing outside the safe world she's built for a chance at answers, adventure, and maybe even new love.
