Babe The Game That Ruth Built:

The Life that Ruth Built Marshall Smelser,1993-01-01 One of the best sports biographies ever Smelser beautifully evokes the life of baseball's most wondrous player and the times he lived in Donald Honig *Chicago in the World Series, 1903-2005* Bruce A. Rubenstein,2006-06-07 When the White Sox met the Astros in the 2005 World Series it marked only the second time Chicago team had appeared in a televised World Series The first was in 1959 when the White Sox lost to the Dodgers Of the other 12 Series involving the Cubs or White Sox seven occurred before the radio broadcasting of baseball Five others were broadcast but because the games were played during the workday fans continued to get their coverage from newspapers There they found accounts penned by some of the greatest journalists of the 20th century including Ring Lardner Grantland Rice Arthur Bugs Baer and Westbrook Pegler as well as legendary Chicago scribes Charles Dryden James Crustinberry Hugh Fullerton I E Sanborn and Irving Vaughan With a chapter on each World Series involving a Chicago team this book covers 100 years of championship diamond contests in the Windy City from the intra city classic of 1906 to the end of the White Sox's 88 year championship drought in 2005 Contemporary accounts from newspapers and sports publications complement the author's informed commentary providing two views of the Series one shared by those who were there and one informed by the decades since All the Babe's Men Eldon L. Ham,2013-03-31 Why are Americans obsessed with the home run in sports business and even life What made the steroid era inevitable Revisiting the great home run seasons of Babe Ruth through those of Barry Bonds All the Babe's Men answers these and other provocative questions Baseball and particularly the long ball itself evolved via accident necessity and occasional subterfuge During the dead ball era pitching ruled the game and home run totals hovered in the single digits Then a ban on the spitball and the compression of stadium dimensions set the stage for new sluggers to emerge culminating in Ruth's historic sixty homer season in 1927 The players owners and fans became hooked on the homer but our addiction took us to excess As the home run became the ultimate goal for hitters players went to new lengths to increase their power and ability to swing for the fences By the time Barry Bonds set a new single season record in 2001 Americans had to face the fact that their national pastime had become corrupted from within Through a play by play analysis of the game's historic long ball seasons its superstars and the contemporary legal nightmares and tainted records All the Babe's Men divulges how America evolved into a home run society where baseball is king **Now You Know Big Book of Sports** Doug Lennox,2009-09-07 Ever wonder where the figure skating terms axel salchow and lutz came from Or why a curling tournament is called a brier And how about a haymaker in boxing or a high five in any sport Well Doug Lennox the world champion of trivia is back to score touchdowns hit homers and knock in holes in one every time with a colossal compendium of Q A athletics that has all anyone could possibly want to know from archery and cycling to skiing and wrestling and everything in between What's more Doug goes for gold with a wealth of Winter and Summer Olympics lore and legend that will amaze and captivate armchair fans and fervent competitors alike What do the five

Why Positive Thinkers Have the Power Ken Bossone,2008 For ten years Ken Bossone president of the World Positive Thinkers club has been researching and writing about what the main ingredient is that all winners possess Ken wanted to find out and write about what drove winners on in the face of defeat and adversity Was it what they did or thought Was it goals Having goals is nothing new Man has achieved goals since the beginning of time Was it hard work Everyone knows you must work hard to achieve goals After all the only thing that sits its way to success is a hen Was it intelligence Many brilliant people wind up on skid row as Ken has interviewed them there Was it wealth Many wealthy people are unhappy and wind up committing suicide And so the search went on Then one night Ken watched a middleweight championship boxing match between Sugar Ray Leonard and his opponent and after hearing the words Leonard s opponent uttered Ken realized the words were the key to the secret It hit Ken like a lightning bolt That was his breakthrough and he researched furiously to prove he was on the right path As Robert Frost the great poet said Do not follow where the path may lead Go instead where there is no path and leave a trail To Kens utter delight and amazement he realized unequivocally after personally experiencing financial tragedy a death threat loss of drivers license and car and other personal setbacks and with much research that the main ingredient coupled with goals is a three word motto that all winners have imbedded in their very souls to achieve winning and happiness As President of the World Positive thinkers club with over 500 sports and business winners Ken wants to share this amazing revelation with the world
