**Beast** Larry E. Preiss, 2002-12-01 **Secrets of Revelation** Jacques Doukhan, 2002 Jacques B Doukhan an Adventist scholar of Jewish heritage mines the Old Testament to uncover new meaning in the battle of Armageddon and the millennium He ties the symbolism of the book to the sanctuary service of ancient Israel showing how the seven sections of the book correspond to the seven feasts of Judaism He argues that the prophecies of Revelation foretell the eventual discrediting of secularism Egypt the resurgence of conservative religion Babylon and a final coalition of the two movements in the climactic events before the second coming of Christ to defeat sin and save His people *The Epistle of Jesus to the Church* James D.

Quiggle, 2008-01-01 *The Epistle of Jesus to the Church* is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures *The Epistle of Jesus to the Church* has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church **THE**

**Dragon Beneath the Purple and Scarlet Mask** Edward O'Neal Bowen, 2025-01-28 Something in our world has gone terribly awry leaving many wondering what on earth is going on The fact is over recent decades as the world slept spiritually a subtle metaphysical shift has taken place in societies spanning the globe altering both human and planetary behavior This paradigm shift has left in its wake a planet in peril filled with hostility volatility excessive immorality and erratic weather patterns disrupting even the current world order Across the globe we now witness a pervasive godless culture of idolatry materialism human greed incivility senseless violence wars tribalism gender inequality racial disparity and political correctness These have all but stifled civil discourse thereby accelerating the systematic deterioration of traditional cultural and social norms Toss in a volatile global economy along with corrupt human institutions of church and state and what we have left is a world system of operation teetering on the brink of catastrophic collapse What we are now experiencing is a prophesied process of social moral political planetary and socio economic disorder With every spinning news cycle we are given a constant sobering reminder of Earth s new reality and an eschatological foretaste of that which now emerges before our very eyes Perhaps you too have sensed this radical sea change in today s uncertain and ever evolving world Certainly you are not alone in this observation For most people today s world is but a mere shadow of the place we experienced as children and were hoping to be a part of as adults Suffice it to say our world is currently undergoing a major transformation a rebirth of sorts as it makes ready for the prophesied inauguration and global occupation of Earth s final despot ruler the prince of darkness himself called the Antichrist So what does this all mean for today s world Where does one turn for credible answers and helpful instruction In a world filled with mendacity truth is oftentimes lost in a world of spin making it difficult if not altogether impossible to differentiate between what s real and what s not Yet if truth is what you seek then **Dragon Beneath the Purple and Scarlet Mask** was written specifically with you in mind Come now and learn the truth behind the unprecedented and unpredictable times in which we now live Indeed you are most blessed For many prophets and righteous people from ancient times desired to see what your eyes are about to see and did not see it and to hear what your ears are about to hear and did not hear it

*The Prophets of God* John F. Finkbeiner, 2012-01-31 We are at war When our Lord and King

prepares for battle he first releases a loyal band of servants prophets who boldly declare his intentions Objective observers agree that this world is headed in a very bad direction The signs for an impending disaster are everywhere Profiteers are capitalizing on this growing sense of danger by manufacturing dire end of the world predictions These false prophecies swirl about as people struggle to make sense of the increasing insanity and violence Presently God is selecting and preparing his anointed prophets for a global assault They will overturn the money changers tables in the compromising and lukewarm church as they announce the coming destruction of the wicked Even now Satan is sending a great multitude of his minions to every institution where he has a foothold in order to undermine the truth and fill the minds of the Biblically uninformed with lies fear and hatred It will take a hero's courage to read The Prophets of God with an open mind and an open Bible Taking a Pre Wrath Rapture position the arguments contained inside have the power to rock the Christian establishment to its core If the message in this book becomes widely known it will thoroughly upset those profiting from the status quo But that is what the Spirit must do What comes out of the prophet's mouth is a two edged sword that judges each one hearing the message Inside The Prophets of God readers will have a valuable resource as they go forward to the end of this age and the return of Christ Each page promotes wisdom that comes from God while exposing the deceit that originates in the hell of his defeated foe Chapters such as The King's Enemy Counterfeits The Sword Captivity The Surprise Judgment and Restoration will excite and challenge every Bible student regardless of their knowledge level Nothing is more powerful than an idea whose time has come Absolutely nothing can stop it What is contained in The Prophets of God will demonstrate again how the pen is mightier than the sword Why now Why this book It is because it is the season for war The time for the great battle prophesied at Jesus return will soon arrive Before then sides will be chosen men and women will persuade their children and their friends as to whom they should believe On the day of the Lord's salvation those with a future and a hope will all have one thing in common They recognized heard and followed The Prophets of God

**The Fall of the New Babylon** Frederick Guttmann, The advent of the industrial age was the beginning of the U S era The young nation was beginning to leave the greats behind empires that until then had sustained great hegemonies The Jesuits saw a unique opportunity in this American continent to reestablish Catholic power but also the European oligarchies they wanted to use these lands to expand their power and influence USA it was the ideal fertile and prosperous land from which to direct a new world government With the rise of the mighty North American empire both in the Bible and in recent and not so recent visions saw clear references to a decisive stage in our history of the hand of this nation Said country starting with promoting values biblical would become the mother of the most rotten forces that operate on our planet A den of thieves a den of spirits abhorrent greedy greedy and

unscrupulous men souls sold to power and wealth prostitution and degradation at its most high levels nameless aberrations and the most sinister of all this hidden from the eyes of the people ignorant of all that takes place behind back stage As in a cunning game of chess sometimes the queen is sacrificed for a greater end sometimes the fall of an important head in the power game it can mean the rise of an empire one greater than that which has ever existed on the face of our globe On This thesis will expose what many of us are clear about is destruction of the United States of America as we know it as a Master strategy of the Masters of the World to bring up the last great empire of our time We are talking about the raising of a dictatorial world government based on surveillance technology police force and mass mind control A system that the own Bible called the Thirion or The Beast In this investigation I will explain why the book of Revelation prophesies about the power behind the US that so called Deep State of the that the Q Anon movement has propagandized that power in the shadow that is known in Christianity under the name of the Great Harlot or The Great Babylon We do not talk about the suicide of the Deep State but of a sum of events that push the cataclysm of the USA as the headquarters of the same to make room for a world government
