## **Babettes Feasts subtitled:**

*Babette's Feast* Julian Baggini, 2020-05-14 On the face of it Gabriel Axel's *Babette's Feast* 1989 is a film in which the eyes and mouths of religious zealots are opened to the glories of the sensual world. It is a critique of what Nietzsche called life denying religion in favour of life affirming sensuality. But to view the film in that way is to get it profoundly wrong. In his study of the film Julian Baggini argues that *Babette's Feast* is not about the battle between religiosity and secularity but a deep examination of how the two can come together. Baggini's analysis focuses on themes of love, pleasure, artistry and grace to provide a rich philosophical reading of this most sensual of films.

**Socrates and Subtitles** William G. Smith, 2014-01-10 A sequel to the author's earlier work *Plato and Popcorn: A Philosopher's Guide to 75 Thought Provoking Movies*, this book presents analyses of 95 movies from the Americas and 20 other countries. Each entry includes a brief introduction to the film along with a list of philosophical questions to ponder after viewing it. Most entries also include a list of additional recommended films. The films cover a wide range of genres and topics from the haunting tale of doomed Polish freedom fighters in *Kanal*'s World War II Warsaw to the romantic and passionate story of rekindled love in Australia's *Innocence*.

Richard Leonard, 2010-06 A lively discerning guide to what's good, beautiful and true at the movies. Richard Leonard SJ expertly guides readers through some of the most popular recent films and shows us how even the most unlikely movies can encourage us to pray and draw closer to the divine. Fascinating, lively and often witty. James Martin SJ, author of *My Life with the Saints*. This thought provoking and inspiring work by popular film critic and Jesuit Richard Leonard explains how movies are today's parables and why people of faith need the skills to converse about them intelligently and productively. In *Movies That Matter*, Leonard views fifty important movies through a lens of faith and offers surprising insights on the spiritual dimension of each film. From *Finding Nemo* to *Gandhi* to *The Godfather*, Leonard's informed Christian point of view guides us to a new appreciation of both the films and our own spiritual beliefs. Leonard also lists teachable moments found in each movie and provides questions for personal reflection or group dialogue. In addition, Leonard teaches today's religious educators, parents and film buffs how to read a film with the eyes of faith and how to meaningfully engage with others through the media of film. He offers realistic advice on such topics as valuing our story, sex and violence in films, ratings and how to be a critical consumer. This entertaining and reliable guide will enrich your movie watching experience. *Movies That Matter* is a book every person in pastoral ministry will want to use as he or she seeks to be relevant and faithful in a media world.
