A Book of Love for My Son H. Jackson Brown, Hy Brett, 2001-03-30 This beautiful gift book is one that any parent would be thrilled to give to a son Containing three sections BOOK OF LOVE FOR MY SON celebrates the love that between a son and a parent Section one focuses on a parent s memories and the important part they play in shaping the life of a son Section two contains instructions from parents to sons on how to live a happy and rewarding life And in section three parents share dreams for the future for their son Settle for More Tom Merrill, Bobbie Sandoz-Merrill, 2005 Sad but true statistics clearly show that less than 7% of all marriages in the United States can be considered happy healthy relationships But despite the gloomy forecasts for marital bliss Dr Tom Merrill and Bobbie Sandoz Merrill offer you a new way to turn the tables on these odds and guarantee your success In their desire to preserve the intensity of the love they had found rather than allow it to fade and end in divorce as the authors had both previously experienced they uncovered some powerful relationship secrets that are universally applicable In addition to their personal discovery the Merrills bring us the benefit of their extensive knowledge and research as well as their own experience as therapists and seminar and community leaders who have helped thousands of couples In *Settle for More* the Merrills examine the cultural obstacles we face in trying to forge loving harmonious relationships and explode certain myths about the mechanics of a happy successful marriage Marriage does Not have to be hard work it can be as light and playful as during courtship Fighting is Not healthy for your marriage but instead causes a serious breakdown of positive feelings Marriage does Not require the restrictions and losses of compromise which can actually put more strain on a relationship Thomas Merrill Ph D and his wife Bobbie Sandoz Merrill MSW break it all down for us in astoundingly simple terms But don t be fooled these two renowned successful family therapists nationally syndicated columnists both deconstruct the conventional wisdom about marriage and relationships and offer a new approach to get the relationship we want by monitoring our own behavior and developing the very qualities we want to experience from our partners The Merrills bring an entirely new understanding of partnership itself to the table with their original and unique Model of Relationships And anytime this Model is applied it quickly easily and dramatically transforms all human interactions from competitive to cooperative from adversarial to assistive and from defensive to aligned According to the Merrills The success of this Model is mind blowing even to us Book jacket **Scrapbook Tips and Techniques** Tracy White, 2004-02 Scrapbook Tips Techniques Articles and columns from three years of the popular magazine How to use supplies personalize pages 700 ideas **Single & Expecting** Alex Ellison, 2024-06-11 Pregnant and going it alone This book has got your back Don t worry you re a part of a growing demographic in the population and this is a very practical tell it like it is guide for single mothers to be This comprehensive guide is your ultimate pregnancy checklist tailored specifically for single moms to be and is packed with practical advice essential tips and encouragement This book really is your one stop resource for navigating the unique challenges and joys of single motherhood Amongst other things you ll learn how to
