Why We Kiss Under the Mistletoe Michael P. Foley, 2022-09-06 In *Why We Kiss Under the Mistletoe* bestselling author Michael Foley dives deep into the history of Christmas and the customs that surround this beloved holiday Learn about the fascinating origins of your favorite Christmas food drink observances and songs Discover how Saint Nicolas a fourth century Catholic bishop became Santa Clause and who Santa's global competitors are some of them will shock you And dig into the forbidden history of the Yuletide season's dark and ghoulish side *The Living Church*, 1983 *Baboushka*, 1982 This holiday Baboushka tale blends the Nativity with the tradition of Christmas gift giving Everyone in the village is bubbling with excitement about the new star in the sky everyone except old Baboushka who is busy sweeping scouring and polishing her house Then three strangers arrive When Baboushka invites them to stay the night they ask her to join their search for a new baby an infant king But Baboushka is too busy with her chores When at last she follows bearing gifts for the baby the newborn king is gone Some say Baboushka continues her search to this very day and at Christmas whenever she sees a sleeping child or hears of good deeds she will lift a toy from her basket and leave it **Real Russians** Howe Sonia Elizabeth, *Westover* Laurie Lisle, 2012-01-01 Westover a girls school in Middlebury Connecticut was founded in 1909 by emancipated New Women educator Mary Hillard and architect Theodate Pope Riddle Landscape designer Beatrix Farrand did the plantings It has evolved from a finishing school for the Protestant elite including F Scott Fitzgerald's first love to a meritocracy for pupils of many religions and races from all over the world The fascinating account of the ups and downs of this female community is the subject of Laurie Lisle's lively and well researched book The author describes the innovations of the idealistic minister's daughter who founded the school in 1909 her intellectual successor who turned it into a college preparatory school in the 1930s the quiet headmaster who managed to keep it open during the turbulent 1970s and the prize winning mathematics teacher wife and mother who leads the high school today This beautifully illustrated book tells an important story about female education during decades of dramatic change in America **Folens Religious Education** Christine Moorcroft, 1995-03 Novel Style Ben Masters, 2017 Marrying lyrical close reading with critical awareness Novel Style argues for the ethical value of elaborate styles of writing and demonstrates that artistic excessiveness can provide dynamic responses to the moral complexities of our times Lippincott's Monthly Magazine, 1888 The Russian Grandmother's Wonder Tales Lousie Seymour Houghton, 2020-09-28 The stories which the Russian grandmother told will be found with many others in a German collection of Tales and Legends of South Slavonia put forth in Vienna some twenty years ago by Dr Friedrich Kraus an ardent student of folk lore I have sketched in a slight background of peasant village life as it still exists in some parts of Southern Russia because this is the proper setting of these stories and I have been careful to clothe them as nearly as I might in the simple language in which they are told to day by many a village fireside in South Slavonia I frankly confess to having received from Mr Joel Chandler Harris the suggestion which I have thus carried out It

was an unerring literary instinct which impelled him to put upon the lips of Uncle Remus and in the environment of a Southern country home of half a century ago the stories which he had found among the colored people of the South Folk tales of whatever character speak the more directly home to the hearts of children whatever their own intellectual environment in proportion as their setting is most nearly that which naturally belongs to them Just as the highest value of the Homeric poems is their revelation of the heart of man showing that in all ages and under all conditions heart answers to heart as face answers to face in water so the folk tales of all peoples in their native form have a higher function than simply to amuse a higher than mere literary value they are the child s best introduction to the study of human nature The children will not be the less interested in the stories which the Russian grandmother told to the little peasant boy if they discover in her wonder tales some analogies with stories that they already know The adventures of Master Reinecke and Mrs Petz of Isegrim and Lampe will surely remind them of the Uncle Remus tales they will find some suggestion of Kamer es zaman and the Princess Budoor in the story of The Beg and the Fox a hint of the City of Brass in that of The Vila in Muhlenberg a faint reflection of the Arabian Nights story of the Fisherman in the tale of the Three Eels and they will be especially pleased to recognize their old friend and Sindbad the Sailor s the roc in the bird Kumrikusha The transformations which are so enchanting a feature of the Arabian Nights are here suggested in the story of Steelpacha while the dress of feathers most universal of folk fancies found among every people in the world and most perfectly developed in the Arabian Story of Hassan of Bassora here appears in the tale of The Golden Apple tree and the Nine Pea hens
