he was her father's sworn enemy When Alley walked back into his life Diego saw an opportunity he couldn't resist Revenge She needed his help and he was more than willing to provide it for a price His terms were simple cold and calculated he would save her father's empire but in return Alley would give him the one thing he needed most an heir For Diego this was more than a business transaction Watching the woman who had once been his undoing squirm under his control was deliciously satisfying Yet as they were forced into close proximity the undeniable spark between them reignited turning their arrangement into something far more dangerous Alley was determined to protect her heart but Diego's magnetic pull was impossible to resist Beneath his calculated exterior there was still a flicker of the man she had fallen in love with And for Diego what started as a game of power and vengeance quickly became something far more complicated As old wounds reopened and buried secrets came to light the lines between love and hate blurred Lust burned hot between them but the question remained could they ever truly trust one another again Diego couldn't deny the thought that this might be the most rewarding deal he'd ever struck But would their fragile connection survive the storm brewing on the horizon or would it all collapse under the weight of betrayal and pride
