My Bible Pals Storybook ,1996-07 This book encourages your child to listen to God s Word and apply it every day It contains Bible stories and modern day stories simple activities that help make learning fun questions to talk about short prayers and a Bible verse with every story Deciphering the Proto-Sinaitic Script Paul D. LeBlanc,2017-12-01 Egypt Judaism and the history of the alphabet intersect in Deciphering The Proto Sinaitic Script From its initial appearance in around the 18th century BC the origins of proto Sinaitic writing can be traced back to Egypt s Middle Kingdom period when it was somehow derived from the hieroglyphs its parent system The importance of proto Sinaitic lies in the fact that it represents the alphabet s earliest developmental period a kind of missing link between the hieroglyphs and these early Semitic alphabets from which our own Latin one descends by way of the Phoenician and Greek However up until now proto Sinaitic has remained for the most part undeciphered The intriguing possibility of giving voice to a lost culture or civilization from thousands of years ago is tantalizing Representing one of the most enticing problems in modern archaeology the enigmatic allure surrounding ancient languages and the undeciphered scripts in which they are encoded is truly vexing In his bold and original research LeBlanc argues convincingly to have solved the mystery and uncovers some incredibly enthralling information about the people who invented it The epigraphic evidence suggests that the Egyptianized Canaanites who first devised the proto Sinaitic script were surprisingly instrumental in the formation of early Israelite culture and proto Judaism

The Good News of the Apocalypse Ione L. Sedinger,2010-10 Today there is a renewed interest in the Biblical book of Revelation which naturally brings to mind the word apocalypse Because Revelation is best known for its wild symbolic imagery some people will naturally assume this title to imply the same approach This isn t the case the word can also mean simply prophetic and that certainly describes the Bible We are daily presented with the bad news of the world In contrast the Bible is the Good News the rain that cleanses our soul the amazing grace assuring us that God is still in control regardless of the situation Through studying his Word we are programming our conscience for right or wrong in thought and action That is the reason we need not only to read but to study the Bible daily The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the bible arising from Sedinger s experience with a study group for teenagers Everything in life is under God s control and so Pastor Sedinger refers to life as God s Dance The Good News is that Jesus came to teach us how to dance with God
