Abby Hunter wasn't very experienced at the flirting game. She was probably the only twenty-eight-year-old virgin in the history of the planet. But she didn't want to be. Especially after she'd met sexy tycoon Sam Turner. He was a walking temptation and he'd made her an offer she knew she should refuse. Sam Turner didn't believe in love or marriage; all he'd offered Abby was a temporary affair, no strings attached. Could she ever persuade this reluctant groom to take a chance on love?

Having It All! Emma Richmond, 2011-07-15. Rowan wanted it all: a man, a marriage, and her own company. But her transatlantic romance with Bostonian businessman Arden Harveson had been doomed from the start. Compromise hadn't been in either of their vocabularies, and they had parted bitterly. Now Rowan was back in the States, and while a year's distance hadn't cooled their ardor, it hadn't cooled their heads either. To Rowan, it seemed that wanting Arden was light years away from having him.

Richmond has a magic way. *Affaire de Coeur*

Instant Mother Emma Richmond, 2011-07-15. Wife for a year. A recent accident has left Alexa Gifford homeless, jobless, and manless, with a rather scruffy dog to support. Her situation looks pretty desperate until her longtime friend Stefan Blake offers her a new position as his wife. In order to adopt his six-year-old niece Jessica, Stefan needs to convince the authorities that he can provide a stable home. He hasn't got time to find the woman of his dreams; Alexa will just have to do. After all, he only needs a temporary wife. Unfortunately, Stefan reckons without two things: little orphan Jessica falling in love with her instant mother, and his new bride falling in love with him.

Secret Wedding Emma Richmond, 2011-07-15. Just married Gillan Hart was one of Nerina Micallef's two favorite people in the world. The other was her big brother Refalo. He was an overprotective, cynical millionaire; Gillan was a feisty, independent female. Nerina, a romantic, if only she could get her two favorite people together. But though Refalo was certainly not averse to the company of women, he preferred to make his own selection. Gillan was similarly unimpressed. In the few days she had known the sexy tycoon, she'd been insulted, accused, and propositioned. Now it seemed she was married. Nerina had had to resort to plan B: rumor. What better way to convince two people they belonged together than tell the world they were secretly wed?

Ontolinguistics Andrea C. Schalley, Dietmar Zaefferer, 2008-08-22. Current progress in linguistic theorizing is more and more informed by cross-linguistic, including cross-modal, investigation. Comparison of languages relies crucially on the concepts that can be coded with similar effort in all languages. These concepts are part of every language user's ontology: the network of cross-connected conceptualizations the mind uses in coping with the world. Assuming that language comparability is rooted in the comparability of user ontologies, the idea of the present volume is to further instigate progress in linguistics by looking behind the interface with the conceptual-intentional system and asking a still underexplored question: How are ontological structures reflected in intra- and cross-linguistic regularities? This question defines the research program of ontology-based linguistics or ontolinguistics. Recent advances in the theory of language have been characterized by an emphasis on external explanatory adequacy and thus on relating language to other phenomena. The research program introduced in this volume adds a decisively distinct and fresh aspect to this emerging new contextualization of the field by

bringing together insights from different areas mainly linguistics but also neuroscience philosophy and artificial intelligence In providing these disciplines with a new common task the exploration of the impact of ontological structures on linguistic regularities the ontolinguistic approach promises to develop into a vital branch of cognitive science Documenting the beginnings the book aims to instigate future interdisciplinary research in this area It will be of interest to researchers in linguistics artificial intelligence philosophy and cognitive science in general

The Love Trap Emma Richmond,2011-07-15 Man trap Bay Rawson was a famous writer and legendary heartthrob Women were always falling at his feet and into his bed He was cynical enough to believe that everyone wanted a piece of him and his fame And then he met Jenna She hadn't even heard of Bay Rawson and had no intention of falling anywhere Jenna wasn't looking for excitement or romance She needed Rest and relaxation not risk and romance Only living next door to Bay was playing havoc with her determination and her heart Emma Richmond entertains with wit and strong emotional intensity Romantic Times

Behaving Badly! Emma Richmond,2011-07-15 Give a girl a bad name Kenda McKinley had a hot temper and an even hotter reputation Carrick Lorne Howell III seemed to think she invited trouble but that couldn't have been further from the truth It wasn't Kenda's fault that her pretty face and exquisite figure had a strange effect on the opposite sex She didn't encourage men at all And it was darned inconvenient having guys constantly falling at your feet you had to keep stepping over them for a start Only Carrick Kenda's new boss seemed immune to her charms Although he certainly didn't waste opportunities to kiss her

Fate of Happiness Emma Richmond,2011-07-15 A stand in wife and mother Coming to terms with her accident was hard enough but now Lian found herself thrust into the midst of chaos Suddenly she was expected to be housekeeper to mercurial multimillionaire Jared Lowe and his equally wayward son when she couldn't even cook and had no intention of learning The best way of coping was not to become involved though how could she ignore the attraction that simply flared between herself and Jared Lian had comforted herself that it was only a temporary situation but at the end of it all would she really be able to walk away Richmond has a magic way *Affaire de Coeur*
