Bachelor Chronicles:

The Bachelor Chronicles Lissa Manley, 2014-06-15 The assignment sending the city's most eligible bachelors out on blind dates then writing about how they turned out should have been easy for a skilled reporter like Erin James. But the first man on her list wanted no part of her article. Jared Warfield was plenty eligible, handsome, charming, the wealthy owner of a chain of trendy cafes. But there was far more to him. Such as the beautiful little girl he'd adopted, a little girl he wanted to shield from the glare of publicity. But the more Erin learned about this intriguing and very compelling man, the more she wanted him in her story and in her life. **The Bachelor Chronicles** □□□□, *Intimacy on the Internet* Lauren Rosewarne, 2016-04-14

The focus of this book is on the media representations of the use of the Internet in seeking intimate connections, be it a committed relationship, a hook up, or a community in which to dabble in fringe sexual practices. Popular culture, film, narrative television, the news media, and advertising present two very distinct pictures of the use of the Internet as related to intimacy. From news reports about victims of online dating to the presentation of the desperate and dateless, the perverts and the deviants, a distinct frame for the intimacy-Internet connection is negativity. In some examples, however, a changing picture is emerging. The ubiquitousness of Internet use today has meant a slow increase in comparatively more positive representations of successful online romances in the news, resulting in more positive spin, advertising, and a more even-handed presence of such liaisons in narrative television and film. Both the positive and the negative media representations are categorised and analysed in this book to explore what they reveal about the intersection of gender, sexuality, technology, and the changing mores regarding intimacy. *Confessions of a Little Black Gown* Elizabeth Boyle, 2009 Lord Larken, posing as a duke's cousin, is searching for the notorious Captain Dashwell. His deception runs into trouble, however, when the duke's tempting sister-in-law starts to chip away at his reverent disguise and his icy, forgotten heart. **THE CHRONICLES OF BARSETSHIRE**
