degradation before eventually finding the strength to say no more Confusion and shame made her keep her secret for 16 years This is her remarkable story Sarah has endured what no child should Subjected to extreme abuse from a family friend she turned to her father only to experience the same treatment from him Utterly devastated Sarah even started to wonder if she was somehow to blame for this most unforgivable of betrayals and was driven to attempted suicide a life was nearly destroyed by the selfishness of three deeply troubled and wicked men *Sarah's Search* Rhoda Fegan,2018-07-18 Destiny Fate Sarah didn't believe that life was contributable to these uncontrollable forces but to the choices of human beings and a very real and loving God Although still single she believed that God's plan for her included marriage and a family with her as a pastor's wife or hopefully the wife of a foreign missionary Her prayers for this very special man and their service together were more than a decade old She saw no likely candidates but trusted God with her life So Sarah lived her life in the moment serving God and looking for the joy God provided in each day That joy now found her on a dream vacation in Toledo Spain where she had fallen in love with the culture the people and the city She had little more than a day left on her vacation and used her unscheduled time to visit an art gallery near her hostel where she met Phillip They had a few hours together before Sarah dashed back to the safety of her familiar life Vacation Sarah was little threat to Satan in Toledo even if her witness did win one man to the Enemy The salvation of this waiter was an incidental note on the demon Warning's report to his Master But Sarah doesn't stay in her room and Phillip isn't a man to give up easily Warning Satan's demon observer reports to his Master that Sarah is becoming a real threat to Satan's plans Demons are ordered to intervene but Sarah's angels don't leave her defenseless Is God working and answering prayers Will the assigned demons keep Sarah from a future with Phillip who is not saved and who has distanced himself from God **The Gilder** Kathryn Kay,2011-10-24 Set against the exquisite backdrop of Florence Italy *The Gilder* is a compelling and beautifully wrought novel of secrets friendship betrayal and the simple choices that change us forever In Marina Nesmith's skilled hands even the most tarnished picture frame or objet d'art can be made perfect once again Her life too seems flawless at least on the surface But more and more Marina is conscious of what she lacks someone to share her joys and sorrows with confidence in the decisions she's made and the courage to tell her teenage daughter Zoe the truth about her father Then Marina is invited to return to Florence where she lived years before while learning her trade as a gilder In those heady days she wandered the city's picturesque streets marveling at the masterpieces in the Duomo and the Pitti Palace In the church of Santa Croce she met Thomas an American photographer who along with his wife Sarah introduced Marina to a thrilling bohemian world of art and beauty Through them she also learned about love lies and the way one mistake can multiply into many Now as her past and present collide Marina will finally have to move beyond the intricate veneer she's crafted around herself and find the life that she and Zoe have been looking for Following college Kathryn Kay spent five years living in Florence Italy where she studied restoration and gilding Kathryn is the founder of the Nantucket Writers Studio which offers writing workshops for women She has three adult
