Back Home In Williamson County:

Back Home in Williamson County Lyn Sullivan Pewitt,1996 An updated bicentennial edition of Lyn Pewitt s popular oral history of the numerous small Williamson County communities Strong narrative and accompanying photos paint a vivid picture of rural life in this historic region of Middle Tennessee Communities featured include Arrington Berrys Chapel Boston Brentwood College Grove Fairview Franklin Leiper s Fork Nolensville and many others **Soldiers Back Home** Thomas B. Littlewood,2004 Concentrating at first on the welfare of children who had lost their fathers in the war the Legion later became involved in a variety of community service activities and served as a political training ground Jacket **Edith D. Pope and Her Nashville Friends** John A. Simpson,2003 He refutes the notion that members were backward looking dilettantes and instead draws a complex portrait of women who were actively involved in a broad spectrum of civic patriotic religious educational and even reform activities As Simpson reveals this alliance of women actively shaped southern culture in the early decades of the century and his analysis sheds new light on the role of professional and club women in southern history BOOK JACKET *Cultural Capital and Black Education* V.P. Franklin,2004-12-01 A discussion of the contributions made by African Americans to public and private black schools in the USA in the 19th and 20th centuries It suggests that cultural capital from African American communities may be important for closing the gap in the funding of black schools in the 21st century **Pogiebait's War** Jack H. McCall,2023-02-03 Jack H McCall Sr was a born storyteller an inveterate practical joker and a proud Tennessean whose flaws included a considerable taste for candy or pogiebait in Marine parlance Like so many other able bodied young people in on the eve of World War II he decided to enlist in the wake of the Japanese attack on Pearl Harbor Much more than a family memoir or nostalgic wartime reminiscence this painstakingly researched biography presents a rich engaging study of the U S Marine Corps particularly McCall s understudied unit the Ninth Defense Battalion the Fighting Ninth The author provides a window into the day to day service of a Marine during World War II with important coverage of fighting in the Pacific Theater McCall also depicts life in wartime Franklin Tennessee and offers a poignant and personal tribute to his father McCall dramatizes some of the classic themes of the war memoir genre war is hell but memories fade but he sets riveting descriptions of decisive action against rarely seen views of mundane work and daily life supported with maps photographs and fresh interpretations Another distinction of this work is its attention to the action on Guam a very unpleasant late war mopping up that has received relatively little scholarly attention In his portrait of the bitter island hopping war in the Pacific the author shows how both U S and Japanese soldiers were often eager innocents drawn to the cauldron of conflict and indoctrinated and trained by their respective governments Reflecting on the action late in life Jack as well as several other Ninth veterans came to a begrudging respect for the enemy *The Martin Family History Volume II Col. James Martin (1742-1834) and Martha [Martin] Rogers (1744-1825)* Francie Lane,2015-01-27 The family and descendants of Col James Martin 1742 1834 of Stokes County North Carolina and his sister Martha Martin Rogers

1744 1825 of Rockingham County North Carolina and Williamson Montgomery Counties Tennessee and the allied families of Henderson Searcy Hunter Bradley Alexander Hughes Dearing and Scales **Lone Star Travel Guide to Central Texas** Richard Zelade, 2011-05-16 Formerly a part of the popular Lone Star Guide to the Texas Hill Country Central Texas now gets its own treatment in this up to date guide that includes history folklore and geography detailed listings of lodgings restaurants and entertainment major attractions including state parks museums and historic places directions days and hours of operation addresses and phone numbers and maps and calendar of events Five tours take you from the Balcones Escarpment to Central Texas Stew a region of the state largely settled by Czechs and Germans in the early twentieth century

Johnson, 2024-01-12 The outbreak of the American Civil War was destined to cast a long shadow over the earlier shorter Mexican American War 1846 1848 as evidenced by today s relatively slight historiography on the conflict As for Tennessee s role in the war history remembers little more than its large contribution of volunteers and subsequent state moniker as The Volunteer State Today beliefs persist that the Mexican American War was simply a colossal land grab for the United States in its pursuit of the doctrine of Manifest Destiny and that Tennesseans enlisted to protect and expand the institution of slavery As Timothy D Johnson notes in For Duty and Honor these stereotypes do not characterize the motives of Tennesseans Through a succinct examination of journals memoirs and letters from the conflict Johnson reveals that Tennesseans volunteered out of a sense of duty and honor principles that were deeply embedded in the early national period They also enlisted because of family and community expectations as well as a desire to demonstrate manhood and courage In the process Johnson provides much needed historical and political context for the Mexican American War For Duty and Honor treats not only Tennessee s unique role in the conflict but also the postwar efforts by veterans to shape the war s legacy Using clear accessible language and groundbreaking research Johnson resurrects an all but forgotten moment in Tennessee s rich history [SMS Ranch](#), The Dawn Youngblood PhD , 2017 Few images captivate the Western imagination more than the Texas cowboy at home on the range herding corralling throwing and branding cattle bronc busting dining from chuck wagons and sleeping under the stars The SMS Ranch in the early 1900s was exactly such a place Spanning hundreds of thousands of acres and holding land in 12 Northwest Texas counties the SMS was formed by early Swedish immigrant to the

Republic of Texas Swante Magnus Swenson Swenson a good friend of Sam Houston had a penchant for wise financial decisions and by the late 1800s lived in New York with offices on Wall Street Swenson sent his two sons to manage his vast Texas landholdings In 1902 they hired legendary cattleman Frank Hastings to manage the SMS Ranch headquartered in Stamford Texas north of Abilene and west of Fort Worth Hastings s wife Laura and daughter Ruth photographed life on the ranch and many professional photographers visited the SMS as well leaving a rich visual legacy provided by publisher
