Back In The Ussr The True Story Of Rock In Russia:

Back in the USSR Artemiï Troitskiï, 1987 **Back in the USSR** Artemiï Troitskiï, 1988 Looks at the development of Soviet rock music describes the influence of Western rock groups and offers brief profiles of top Russian groups Media Cultures of the Russian 1990s Maya Vinokour, 2025-10-14 Examining Russian language media from the long 1990s the period beginning with Mikhail Gorbachev's policy of glasnost openness and ending with the election of President Vladimir Putin Media Cultures of the Russian 1990s shows how post Soviet civil society emerged simultaneously with the explosion of new media especially a newly liberated television and internet A brief and contested period of media independence ensued as explosive creativity collided with rank commercialism journalistic integrity with burgeoning political ambitions and fringe with mainstream By the late 1990s however the media landscape had succumbed to economic and political exploitation The causes and nature of this shift which set the stage for Putin's crackdown on independent media after 2000 as well as Russia's slide into aggressive authoritarianism are embedded in the era's media artifacts Written by an interdisciplinary group of experts this edited collection addresses the mutual influence among disparate spheres of public life that enabled the media Wild West of the first post Soviet decade As a joint platform the volume and the associated Multimedia Sourcebook of the Russian 1990s present the decade's media cultures in a manner that reflects their historical interconnectedness and relationship to the global present Edited by Maya Vinokour with contributions from Bradley Gorski Courtney Doucette Fabrizio Fenghi Rita Safariants Daniil Leiderman Thomas Keenan and Pavel Khazanov **The DJ Who "Brought Down" the USSR** Michelle Daniel, 2023-04-25 Of the many Cold War radio DJs who broadcast to the USSR Seva Novgorodsev must be near the top of the list A masterful BBC presenter Seva was considered a sage of rock n roll His programs introduced forbidden western popular music and culture into the USSR rendering him an enemy voice and ideological saboteur to the Central Committee of the Communist Party Despite KGB threats and constant media pillorying Seva remained on the air for 38 years acquiring millions of listeners all across the breadth of the USSR and beyond He became a cult phenomenon dismantling the Soviet way of life in the hearts and minds of youth This is the story of Russia's first and best known DJ

Soviet Internationalism after Stalin Tobias Rupprecht, 2015-08-06 The first multi archive based study of Soviet relations with Latin America from the 1950s through the 1980s *Moscow Graffiti* John Bushnell, 2024-11-01 First Published in 1990 *Moscow Graffiti* is a unique and unprecedented look at the graffiti that began to appear for the first time on the walls of Moscow and other Soviet cities in the late 1970s John Bushnell first traces the social and cultural changes that fostered the emergence of a multifaceted Soviet subculture and the appearance of graffiti He explains the common graffiti argot of Russian slang English and pictographs and then examines the disparate groups that produced it adolescent gangs heavy metal fans pacifists punks hippies and even the fans of a popular Soviet novel Mikhail Bulgakov's *The Master and Margarita* Through graffiti these conflicting and alienated groups produce an explicit cultural alternative to the official culture they

disdain Fully illustrated with over eighty drawings and photos Moscow Graffiti is a unique look at an underexplored area of Soviet society The book will prove fascinating reading to all those interested in Soviet society history and popular culture

Across the Blocs Patrick Major,Rana Mitter,2004-08-02 This book asks the reader to reassess the Cold War not just as superpower conflict and high diplomacy but as social and cultural history It makes cross cultural comparisons of the socio cultural aspects of the Cold War across the East West block divide dealing with issues including broadcasting public opinion and the production and consumption of popular culture Consuming Russia Adele Marie Barker,1999 A timely study of the new Russia at the end of the twentieth century **Stalin's Last Generation** Juliane Fürst,2010-09-30 Stalin s last

generation was the last generation to come of age under Stalin yet it was also the first generation to be socialized in the post war period Its young members grew up in a world that still carried many of the hallmarks of the Soviet Union s revolutionary period yet their surroundings already showed the first signs of decay stagnation and disintegration Stalin s last generation still knew how to speak Bolshevik still believed in the power of Soviet heroes and still wished to construct socialism yet they also liked to dance and dress in Western styles they knew how to evade boring lectures and lessons in Marxism Leninism and they were keen to forge identities that were more individual than those offered by the state In this book Juliane F rst creates a detailed picture of late Stalinist youth and youth culture looking at young people from a variety of perspectives as children of the war as recipients and creators of propaganda as perpetrators of crime as representatives of fledgling subcultures as believers as critics and as drop outs In the process she illuminates not only the complex relationship between the Soviet state and its youth but also provides a new interpretative framework for understanding late Stalinism the impact of which on Soviet society s subsequent development has hitherto been underestimated including its role in the ultimate demise of the USSR Nikita Khrushchev William Taubman,Sergei Khrushchev,Abbott Gleason,2000-01-01 Thanks to Soviet secrecy little

was known about former premier Khrushchev during his career or after his ousting Since the collapse of the USSR archives have been declassified allowing access to his memoirs and those of witnesses **Copyright, Freedom of Speech, and Cultural Policy in the Russian Federation** Michiel Elst,2004-11-01 This book traces the impact of the economic and political perestroika on the copyright law of the late USSR and the Russian Federation The transformation of the administrative command economy into a market economy the introduction of the rule of law and the adoption of a natural law view on human rights the revolution in cultural policy all influenced both the contents and the function of copyright law for the authors entertainment and information industries and the consumers The book provides a detailed analysis of the freedom of expression and of copyright legislation in Russia always with an eye on historic comparisons and evolutions At the same time it gives a synthetic overview of the main changes in constitutional civil and economic law in the last 15 years

The Americanization of Europe Alexander Stephan,2006 Using Germany as a case study of the impact of American culture throughout a period characterized by a totalitarian system two destructive wars ethnic cleansing and economic

disaster this book explores the political and cultural parameters of Americanization and anti Americanism Nationalisms Today Tomasz Kamusella, Krzysztof Jaskułowski, 2009 After the end of communism and the breakups of the studiously anational polities of the Soviet Union and Yugoslavia into successor nation states nationalism and ethnicity returned to the fore of international politics Earlier these forces had been relegated to the back burner of history when the Cold War struggle unfolded But even then the process of decolonization had been none other but the gradual globalization of the nation and nation state as the most legitimate forms of modern day peoplehood and statehood At present nationalism is the sole uncontested global ideology of statehood legitimization The ethnic variety of this ideology also forms the basis upon which stateless groups reinvent themselves as nations in order to be able to lay claim to territorial autonomy or separate statehood This volume inaugurates a new Peter Lang book series Nationalisms across the Globe devoted to these burning issues which shall influence the near future of the world From a geographical perspective this collection focuses mainly on Central and Eastern Europe and also Southern Africa Significantly it also proposes novel theoretical approaches to the phenomena of nationalism and ethnicity *The Social Legacy of Communism* James R. Millar, Sharon L. Wolchik, 1994-08-26 This book analyzes the social impact of the transition from communism in Eastern Europe and the former Soviet Union

Otherland Maria Tumarkin, 2010 I left too early before tanks rolled into Moscow in 1991 and before Gorbachev was put under home arrest in a failed coup I left before Russia and Ukraine became separate countries before the KGB archives were opened before the Russian version of Wheel of Fortune before the word Gulag appeared in textbooks I left before Chechnya before **Translation and Music** Sebnem Susam-Sarajeva, 2016-04-08 Popular and multimodal forms of cultural products are becoming increasingly visible within translation studies research Interest in translation and music however has so far been relatively limited mainly because translation of musical material has been considered somewhat outside the limits of translation studies as traditionally conceived Difficulties associated with issues such as the musicality of lyrics the fuzzy boundaries between translation adaptation and rewriting and the pervasiveness of covert or unacknowledged translations of musical elements in a variety of settings have generally limited the research in this area to overt and canonized translations such as those done for the opera Yet the intersection of translation and music can be a fascinating field to explore and one which can enrich our understanding of what translation is and how it relates to other forms of expression This special issue is an attempt to open up the field of translation and music to a wider audience within translation studies and to an extent within musicology and cultural studies The volume includes contributions from a wide range of musical genres and languages from those that investigate translation and code switching in North African rap and rai and the intertextual and intersemiotic translations revolving around Mahler's lieder in Chinese to the appropriation and after life of Kurdish folk songs in Turkish and the emergence of rock n roll in Russian Other papers examine the reception of Anglo American stage musicals and musical films in Italy and Spain the concept of singability with examples from Scandinavian languages and the French

dubbing of musical episodes of TV series The volume also offers an annotated bibliography on opera translation and a general bibliography on translation and music

Being Soviet Timothy Johnston, 2011-08-18 *Being Soviet* adopts a refreshing and innovative approach to the years between the Nazi Soviet Pact and Stalin's death in the USSR Timothy Johnston draws on newspapers films plays and popular music in order to examine the changing nature of Soviet identity in this era He pays particular attention to the evolution of Britain and America from wartime allies to Cold War enemies *Being Soviet* then explores how ordinary citizens related to this official version of Soviet identity It examines that question via the rumours jazz music hairstyles jokes anti war campaigns and sexual relationships of the time Johnston argues that these everyday activities defined Soviet identity for the man on the street in the USSR At the heart of the book is a sustained critique of the current emphasis on supporters or resisters of the regime Johnston suggests that the shadow of Foucault looms too large in the history of Stalinism The relationship between Soviet citizens and Soviet power was defined by the subtle tactics of everyday living For many life was not defined by belief or unbelief but rather the constant struggle to stay fed informed and entertained This more nuanced approach offers a rich and textured image of what it meant to be Soviet in Stalin's last years

Global Pop, Local Language Harris M. Berger, Michael Thomas Carroll, 2003 Cultural Studies Ethnomusicology Why would a punk band popular only in Indonesia cut songs in no other language than English If you're rapping in Tanzania and Malawi where hip hop has a growing audience what do you rhyme in Swahili Chichewa English Some combination of these *Global Pop Local Language* examines how performers and audiences from a wide range of cultures deal with the issue of language choice and dialect in popular music Related issues confront performers of Latin music in the U S drum and bass MCs in Toronto and rappers rockers and traditional folk singers from England and Ireland to France Germany Belarus Nepal China New Zealand Hawaii and beyond For pop musicians this issue brings up a number of complex questions Which languages or dialects will best express my ideas Which will get me a record contract or a bigger audience What does it mean to sing or listen to music in a colonial language A foreign language A regional dialect A native language Examining popular music from a range of world cultures the authors explore these questions and use them to address a number of broader issues including the globalization of the music industry the problem of authenticity in popular culture the politics of identity multiculturalism and the emergence of English as a dominant world language The chapters are written in a highly accessible style by scholars from a variety of fields including ethnomusicology popular music studies anthropology culture studies literary studies folklore and linguistics Harris M Berger is associate professor of music at Texas A M University He is the author of *Metal Rock and Jazz Perception and the Phenomenology of Musical Experience* 1999 Michael Thomas Carroll is professor of English at New Mexico Highlands University He is the author of *Popular Modernity in America Experience Technology Mythohistory* 2000 and co editor with Eddie Tafoya of *Phenomenological Approaches to Popular Culture* 2000
