A Gospel for All Ages David M. Csinos, 2022-05-03 A Gospel for All Ages lives at the intersection of two conversations preaching and intergenerational ministry By integrating these two topics an entirely new conversation emerges one that draws from both that interrogates both and that births something new in the process creating fresh possibilities for a sleepy church The fields of preaching and intergenerational ministry rarely cross paths because they are championed by two different sorts of ministerial leaders On the one hand preaching and homiletics has largely been a field for teaching pastors senior ministers and other pastoral practitioners who are tasked with the important work of proclaiming the gospel to congregations of adults every week On the other hand the cheerleaders of intergenerational ministry have tended to be ministry leaders who find their primary vocation within the formation of adolescents and children Increasing numbers of Christian educators and leaders who work in children's and youth ministry are lifting high the banner of intergenerational ministry Wherever your tent is planted in one camp or the other this book is for you If God has called you to the work of preaching you find within these pages wise words and best practices for improving and expanding your homiletical practice in light of the eight year olds and eighty year olds who share a pew on Sunday mornings If your vocation is Christian education or intergenerational ministry these chapters will spur you toward that final frontier of all age worship as you consider how your vocation can include the preaching of the gospel to young and old alike Six creative ministry professionals join author David M Csinos in providing intergenerational best practice resources Each chapter includes discussion questions and exercises for future practice
