Back Through The Looking Glass:

Through the Looking-Glass Lewis Carroll, 2017-10-23 This 1872 sequel to Lewis Carroll's beloved *Alice's Adventures in Wonderland* finds the inquisitive heroine in a fantastic land where everything is reversed. Looking glass land, a topsy-turvy world lurking just behind the mirror over Alice's mantel, is a fantastic realm of live chessmen, madcap kings and queens, strange mythological creatures, a garden of talking flowers and rude insects. Brooks and hedges divide the lush greenery of looking glass land into a chessboard where Alice becomes a pawn in a bizarre game of chess involving Humpty Dumpty, Tweedledum and Tweedledee, the Lion and the Unicorn, the White Knight and other nursery rhyme figures. Promised a crown when she reaches the eighth square, Alice perseveres through a surreal landscape of characters who pelt her with riddles as well as humorous semantic quibbles and regale her with memorable poetry, including the oft-quoted Jabberwocky. This handsome and inexpensive edition of the childhood classic features the original illustrations by Sir John Tenniel.

Behind the Looking Glass Sherry Ackerman, 2009-01-23 *Behind the Looking Glass* offers a fresh perspective in the ongoing contemporary deconstruction of the Carroll Myth. Through rigorous examination of numerous myths that have been hitherto unquestioned, Ackerman skillfully positions Lewis Carroll in the theological and philosophical contexts of his time. She uncovers a Carroll whose radical religious/philosophical counter-response to patriarchal materialism moved his intellectual journey intentionally or otherwise deep into the waters of mysticism. The image of Carroll as a dreary Victorian conservative gives way to that of a man with wide intellectual parameters, an inquiring mind and bold, far-sighted vision. *Behind the Looking Glass* demonstrates how nineteenth-century currents of spiritualism, theosophy and occult philosophy co-mingled with Carroll's interest in revived Platonism and Neoplatonism, showcasing the *Alice* and *Sylvie and Bruno* books as unique points of conjunction between Carroll's intellect and spirituality. The scholarship in this work, while rigorous, is softly mixed with the kind of academic frivolity that Carroll himself might have enjoyed. Ackerman exposes a Carroll who, having lost belief in the theological and mythological master plots of earlier eras, turned toward the imaginative fiction of wonderlands rife with philosophical content in response to his instinctive hunger for cosmic coherence and existential order.

Through the Looking-Glass Lewis Carroll, 2007-12-31 When you look at fine connections, it's hard to say exactly what relation Alice in *Wonderland* has to this book *Through the Looking Glass*. Oh, it's plainly the same girl, though she seems older here, and some characters like Tweedledum and Tweedledee appear in both. But she doesn't get there the same way and doesn't refer to her adventures in *Wonderland* so much as once. Oh, well, maybe it's all a dream and she can't remember the last one, or maybe the magic through the Looking Glass has hold of her just as it has hold of Humpty Dumpty or the Walrus and the Carpenter.

Alice's Erotic Journey Through the Looking-Glass Cherie Wilde, Humpty Dumpty's hands grasped the hem of Alice's dress lifting the fabric with deliberate slowness The cool air caressed her legs as the material rose higher past her knees past her thighs until her bottom was fully exposed to the open air She shivered not from cold but from the peculiar vulnerability of her position hands braced against the sun warmed wall skirts raised awaiting a punishment she could neither see nor predict It seemed the looking glass world was determined to reveal new sensations at every turn each more startling than the last Alice felt Humpty's presence shift behind her the air displacing slightly as he moved Then came a momentary stillness a pause pregnant with anticipation that made her breath catch in her throat When the first smack landed the sharp sound of palm against flesh cracked through the air like summer lightning followed an instant later by a sting that made Alice gasp aloud Oh The exclamation escaped her lips before she could contain it her body jerking forward against the wall The warmth of the bricks pressed against her palms a steady presence as a curious heat bloomed across the right cheek of her bottom *Alice's Erotic Journey Through the Looking Glass* is a sensual reimagining of the classic story daringly transformed into a luscious tapestry of desire decadence and playful taboo A year after her unforgettable adventures in *Wonderland* 21 year old Alice once again finds herself stepping beyond the ordinary this time through the shimmering surface of a mirror into a world where every reflection holds temptation and every square of the great chessboard world promises a new lesson in pleasure Here the prim rules of Victorian decorum shatter into shards of silk and sin Alice finds herself in a garden of wickedly sensuous flowers among mirror born versions of herself who tease tempt and teach The worldly Walrus and Carpenter introduce her to forbidden pleasures while an amorous Knight rides with her into passion's rhythm She crosses paths with the mischievous Tweedledee and Tweedledum whose fierce rivalry turns into daringly intimate contests and with Humpty Dumpty whose stern discipline awakens aching delicious desire And waiting at journey's end is the sultry Red Queen poised to lead Alice into the ultimate surrender and reveal the full unbridled power of her passions Exquisitely erotic wickedly imaginative and unapologetically daring *Alice's Erotic Journey Through the Looking Glass* picks up where *Alice's Erotic Adventures in Wonderland* left off More than a sequel it's a sumptuous invitation to strip away inhibitions and surrender to a
