## **Back To The Cross:**

**Back to the Cross** Watchman Nee, 2009-10-09 We today are at the terminal period of the dispensation of grace The hand of the clock is pointing at the midnight hour Now is the darkest of the night Soon following the gloomiest hour the day shall dawn Meanwhile the Church rushes swiftly towards apostasy moving farther away from God the power of darkness is unleashed its evil influence is as damaging in the Church as in the world The cross of Christ is the sole light that enlightens the current darkness It is therefore time for the Church to go back to the cross to the firm foundation of God There sins are cleansed and self is delivered There the redemptive facts of God are revealed for us to believe and enter in There the power of resurrection is experientially known so that the Church may once again be the true witness of Christ on earth It is time for God's children to seek for higher life and service time to review the past and rededicate themselves for the days ahead At the closing of this age the activities of Satan are intensified How greatly are the children of God being attacked oppressed and especially deceived Now is the time for the saints to rise up and exercise the victory of the cross to resist and counterattack the Enemy How fierce is the battle Can the saints overcome without being fully armed Saints of God arise stand on the victory of Calvary and proclaim the victory of Christ Your King is coming and the days of the Enemy are numbered This present volume is a compilation of various writings and addresses given by Watchman Nee in the early days of his ministry The passage of time however only increases the urgency of these messages which are as relevant today perhaps even more so than at the time of their first delivery Would that God's children might return to the cross and be true followers of Christ crucified May the Church of God be re-awakened to her calling as the light in the world holding forth the word of life May she stand in the victory of Christ and bring back the King of kings and the Lord of lords *To the Cross and Back* Fernando Alcántar, 2015-11-10 A Mexican immigrant and rising star within the Christian community abandons his faith and comes out as a gay atheist In this exceptionally moving and soul searching memoir Fernando Alcántar recounts his incredible journey from poor Catholic boy on the dusty streets of Mexico to globetrotting missionary and high profile Christian leader in the United States where he eventually left his celebrated life behind to advocate for the liberating power of reason and equality With heart wrenching honesty he shares stories of trauma tragedy prejudice uncertainty survival and ultimately discovery In the process he gives a voice to thousands who are hiding in the shadows afraid to publicly question their religious cultural or sexual identity for fear of isolation and retaliation You will discover that his is not simply a Mexican story or an American story a heterosexual's story or a homosexual's story a Christian's story or an atheist's story Rather his is a universal story one uniquely about and for our times **The Back Side of the Cross** Diane Leclerc, Brent Peterson, 2022-06-29 The cross has always been portrayed as the means of salvation and forgiveness for sinners but does it have anything to say to those who have been sinned against This book shows that the atonement of Christ has powerful potential to speak to those who have been wronged especially those who have been abused and abandoned in countless ways those who cower at the back side of

the cross wondering if they are included As victims of various kinds of abuse are beginning to come out of the shadows in cultural conversation and in the context of the church The Back Side of the Cross is a timely book for several audiences It is thoroughly rigorous and will interest theologians and their students it also offers a very practical section for pastors and those who want to care for the wounded and it can even reach survivors themselves as it offers true hope in the urgency of such real pain

**Exaltation of the Cross** Louis van Tongeren,2000 The origin development and spread of the feast of the Exaltation of the Cross is traced on the basis of liturgical sources and through a careful examination of the liturgical textual material the meaning of the feast is analyzed with respect to its content Among the important points receiving attention in this analysis are the place function and significance of the Cross relic and the theology of the Cross or the process whereby the understanding of the Cross was shaped as that was invested in the feast The research is based on sources of Western liturgy from the early Middle Ages and therefore has bearing on the period in the West in which a multiform liturgy celebrated according to various indigenous local and regional traditions gradually made way for one uniform Latin liturgy patterned on Roman models The feast of the Exaltation of the Cross spread through the West from Rome within this context of standardization and Romanization This raises questions about the uniformity and the Roman content of the feast This study especially examines to what degree indigenous interpretations of the Cross which were part of the legacy of the Hispanic and Gallican traditions in particular continued to be preserved through the liturgical books of the early Middle Ages

Chesterton,2022-11-13 In the satirical novel The Ball and the Cross by G K Chesterton the story follows a heated debate between two passionate men who plan to duel over their conflicting beliefs With a blend of humor and profound philosophical insights Chesterton explores the contrast between faith and reason tradition and modernity Written in Chesterton s signature witty and engaging style the novel delves into the complexities of religious and social issues making it a thought provoking read for those interested in debates on faith and ideology The book s themes of belief doubt and the struggle for truth still resonate in our contemporary world making it a timeless piece of literature G K Chesterton known for his prolific writing across various genres was a prominent English writer and thinker in the early 20th century His deep rooted Catholic faith and keen intellect influenced his works including The Ball and the Cross Chesterton s unique perspective on religion and society shines through in this novel showcasing his mastery in blending humor with profound philosophical themes I recommend The Ball and the Cross to readers who enjoy philosophical debates satire and thought provoking literature Chesterton s witty writing style and insightful commentary make this novel a must read for anyone interested in exploring the clash of beliefs and ideologies in a humorous yet profound manner

Purposes of the Cross Dr. Apostle Emmanuel Adebisi,2013-03 As the guests at the marriage feast at Canaan desired and preferred the new wine provided by Christ to the old they were served at first so a genuine and converted believer desires the new life above the old having compared the easy yoke and the light burden of his Saviour in comparison to the hard yoke and grievous

burden of sin the world and the Devil he were under in times past The new life must never be lived out in an old fashion or mentality perception and practices or else we are saved but not delivered from sin which is more or else like we are not saved at all I will give them a new heart says the Lord The new heart is for a new life therefore if any man be in Christ he is a new creature old things are passed away behold all things are become new 2 Cor 5 17      **The Eagle and the Cross** R. Circles and the Cross is an invitation to explore two mysteries One is the miracle of the cosmos why is there something and not nothing The other is the miracle of consciousness why should this collection of stardust be an I and not just an it Our basic response to those mysteries is wonder and from wonder have grown the three great trees of human culture religion art and science This exploration is undertaken in the light of a third mystery the cross of Christ is the clearest picture we have of the triune Creator of both cosmos and consciousness That self emptying of the Creator out of love for the creation helps us understand the pleasures paradoxes and pains of science it helps us understand how evolution can be another name for creation it casts light on the Enlightenment and Romanticism In particular it illuminates the environmental movement an ethic in search of a religion Loren Wilkinson drawing on fifty years of teaching and writing about our relationship to creation invites you to join this journey into understanding how the cross of Christ sheds light on the mysteries that surround us and gives us hope in a difficult age **"One Bears the Cross"** Ruffo Espinosa Sr.,2005-06-26

The author reflects on the betrayal of Jesus and proposes a spiritual explanation for why Judas Iscariot from Judea was chosen to carry the label traitor This story describes apostle Judas Thaddeus struggle with his name after Judas Iscariot s betrayal of Jesus it is narrated through an aspiring apostle Barsabbas who mistakenly believes he was overlooked for the job Although much has been written about the 12 apostles little is actually known about their personal lives We do know that many were unlearned fishermen and they no doubt had ambitions fears and carnal desires similar to those of men throughout the ages The message of this book is developed through the lives of three such men Judas Iscariot Judas Thaddeus and Barsabbas The author suggests that there

is a little of Iscariot Thaddeus and Barsabbas in all of us It is the conflict between their personalities which fuels the best and worst qualities of mankind true power is not found through force but in those ideals exemplified by Barsabbas forgiveness and love

In the Shadow of the Cross: The Deeper Meaning of Calvary Ray Pritchard, The fallen cross stands as a symbol for the spiritual condition of the church of Jesus Christ in the early days of the twenty first century In many places and many churches the cross has fallen to the ground Instead of boasting in the cross we have neglected it substituting in its place religious activity and therapeutic language designed to help us feel better about ourselves And yet when the story is truly told it must be said that Christianity is supremely the religion of the cross At the center of our faith a dying man hangs suspended between heaven and earth Pastor Ray Pritchard takes a fresh look at the cross and the God man on it and asks who is He why is He there what are the words he is speaking What did the cross mean to God What did the cross mean to Satan What does the cross mean to you today Pastor Ray Pritchard asks these spiritually provocative questions in what will prove to be a spiritual tonic for your soul Center your world around the anchor of our faith the cross Discover the atonement found where grace and wrath meet Linger at the foot of the cross

*Gifts from the foot of the Cross* Gary Robert Villani, 2018-06-21 Gifts from the foot of the Cross By Gary Robert Villani This volume came to fruition at the request of attendees from many of the Sunday school classes the author has led over the past twenty years The majority of spiritual messages contained in this book came directly from the support material prepared for these sessions which ultimately led to class members stating You ve got to put that on paper Gifts from the foot of the Cross is not a devotional The underlying theme of the book is simple and direct it is designed to reach the everyday Christian and let them know they are not alone in facing the stumbles slips trips and falls they may be experiencing in their daily spiritual walk Additionally there are numerous suggestions on how to successfully avoid these pitfalls and each entry is backed by Biblical passages It is Gary s sincere hope that the reader will immediately identify with the material in these stories and subsequently find spiritual support and direction to get back on the spiritual wellness trail
