**Kimball's Dairy Farmer**, 1907 **House documents**, 1884 Days of Yore Betty Hamby Gripentog, 2013-10-16 I started to write a story about my parents and grandparents that I knew and remembered I especially wanted to write about the changes in the way they lived and how so many things have changed even in my lifetime I was born in 1931 in a different world than my grandchildren live in today The changes and inventions that have occurred in the last 100 years and the ways they have changed the way we live are remarkable The more research I did the more involved and interested I became in history No longer were the Puritans and Quakers just people that came to this country seeking religious freedom they were our grandparents They helped to settle this great country of ours endured all the hardships making it and us what we are today I found many events that I had skipped over in history or had forgotten but when you find your ancestors were there living those times they take on a different meaning Fern Lancaster my Uncle Jack's wife was a Mormon or Latter Days Saint member and they are very big into genealogy She was working on the Lancaster ancestry and my sister Donna and I assisted

her in helping our parents and grandparents to remember She would give me copies of the records she had made and I would toss them into a desk drawer thinking someday I would like to do a little more on them A Bob Hamby came thru Paducah Kentucky and called our brother Bill aka Sonny and asked what his grandfathers name was Bob explained he was a long distance truck driver and every time he went to a different city he would look up the Hambys to see if they were related He was from Florida Bill told him he did not know his grandfathers name as he had died about the time he was born but his sister Donna could give him that information They exchanged telephone numbers Donna and Bob played phone tag for several months one day they connect She told him her grandfather was William Logan Hamby Bob told her he had his ancestry and would mail it to her Donna received the information and since she now lived in Kentucky and most of the Hambys had moved to Kentucky years and years before and stayed there she was in the right place for researching Donna started checking with people especially Dee Kunnecke Every time I made a trip to Kentucky we checked censuses graveyards and libraries to see what more we could find Unfortunately most of it was tossed into that drawer with all the other papers to work on at another time Fern and Donna passed away and I thought if this is going to get done I had better get busy as I am not getting any younger About a year and a half ago I got out the drawer with all the papers and started trying to assemble them I heard about Ancestry Com and started looking up family trees Some had very good information others not so good but helpful to say the least Pretty soon I was an Ancestry com junkie Note not all the info is correct you have to pick and choose My children gave me an I Pad for my birthday and a new world opened up to me I found Google Be tween Ancestry Com and Google I used reams of paper copying and comparing everything I hope some of you will read my book and get as excited as I have been and continue to add to it for future generations I have enjoyed writing this book but what I have learned from the research about our families ancestry and history of our country and how it was settled are too numerous to write I feel that I have gotten to know these people and they are no longer just names As I am computer illiterate this book would never have gotten finished had it not been for the help that daughter Linda Nelson granddaughter Candice Nelson Hayes and grandson Jeff Workman gave me They came running every time I yelled for help Thank You My daughter Gail Kaiser came to my aid with the pictures and captions Thank you Please do not grade me on my typing or grammar Hopefully this book will give you a
