Palmieri,2021-07-08 Cold Hunger Abandonment Strong feelings that no adult should be ever exposed to let alone a four month old infant The world that Ruth was born into in December of 1934 was exactly as such Right from the start Ruth s life continually circled the drain through the age of sixty There were of course bright spots but they were few and far between Until after almost a lifetime she was able to bring to bear the decent life she fully deserved Never once for a second did she give up Never once for a second did she quit fighting and still doesn t even after eighty five years Ruth taught herself to read balance a checkbook grocery shop run a household and raise three children All the while when her life spun seemingly out of control No one will be able to fully understand the life she has led Yet this book may serve as a template to a decent life for anyone faced with adversity to whatever degree **The Flip Side of Love** Nancy Shew Bolton,2018-04-27 In the unsettled

days of 1972 music is the steady focus of Ruth s life and the high point of each college day But when her happiness derails in the span of a few seconds time Ruth is left to piece together a life that becomes fraught with confusion and emotional turmoil Paul has worked hard to school his stormy personality into a career that satisfies his love of music and a desire to teach Yet his own actions threaten to rob him of his vocation his reputation and his view of himself Confronting his own shortcomings was not part of his plans But when he meets Ruth everything changes Amid the challenges of life in the politically and socially turbulent 1970s both must find comfort and support through the music they love and each other **Discovering**
