**Meet Again, an adventure through time** Emily J. Garrett, 2001-06-06 Sara's strange nightly dreams began right before meeting Mary Jo They seemed to mirror the uncomfortable situations she faced each day Her real dreams of becoming a writer were getting lost in the shuffle as she coped with a murderer following her around town How would she and Mary Jo solve this when they didn't really know who he was and couldn't prove he did it It was unfortunate that he knew they suspected him This is what they thought was the mystery until the real mystery unfolded right under their noses Chapter 1 Late one afternoon Sara had started to feel tremendous vibrations underneath her feet Although she realized the implications she felt a certain calm inside She went to find Athena Sara waited outside the room until Athena's next patient came out Then she went inside You noticed it too I guess sighed Athena It would be difficult to ignore the intensity Yes I noticed it replied Athena with concern I wonder how much longer we have left Not much longer I imagine said Sara Do you think we Just then Lucas rushed in You must come to the solarium with me It is urgent They quickly followed Lucas What's going on in the solarium asked Athena as she tried to keep up with him There is no time to explain said Lucas You will see for yourself as soon as we get there he added abruptly as they hurried down the hallway As soon as they reached the doorway Athena and Sara knew what Lucas meant The once beautiful sunny sky had changed to a dark and gloomy afternoon The ocean was enraged The treacherous waves were crashing against the shore provoked by the powerful eruptions of the nearby volcano The three friends knew that the disastrous end to their time on Poseidia had come Outside they could see people running around in the streets The water was quickly rising up over the land and everyone was scrambling to reach higher ground It was everyone for himself just as it had always been Lucas Athena Sara and their friends sat solemnly by the great window

and watched They had done all that was possible and now had to accept their own limitations When the island of Poseidia finally went in to the sea many drowned Some had fled to other areas for there were several occurrences of destruction in Poseidia before that final one When the time came Athena and Sara and Lucas and the others let their spirits withdraw from their bodies and rose above it all to watch wishing that more of the others could have joined them They looked on as the once beautiful island was completely and finally consumed by the immense and powerful ocean The only evidence that life had ever existed here was the glowing embers of the burnt remnants of the city This had been their home and now floated gently upon the surface of the water It s so sad to see the demise of our own community said Athena wistfully Yes said Lucas sadly But we ve known it was coming for a long time And we ll be back Sara sat straight up in bed her eyes wide open now What was that all about she wondered She looked at the clock 2 AM Sara thought to herself She took a deep breath and lay back down but did not close her eyes
