Riess,1998-06-01 This book debunks the conventional stereotype that Jews and sports are somehow anathema and clearly demonstrates that sports have long been a significant institution in Jewish American life Jews were among the very first professional baseball players and the most outstanding early American track stars In the 1920s and 1930s they dominated inner city sports such as basketball and boxing and produced star athletes in virtually all sports Many Jews were also prominent in the business communication and literary aspects of sport These essays written by leading contemporary sports historians examine the contributions of Jewish men and women to American sports Steven A Riess s article on this topic is the most comprehensive overview ever written and will doubtless become a standard reference for years to come **March**

**1939** Terry Frei,2014-02-06 In 1939 the Oregon Webfoots coached by the visionary Howard Hobson stormed through the first NCAA basketball tournament which was viewed as a risky coast to coast undertaking and perhaps only a one year experiment Seventy five years later following the tournament s evolution into a national obsession the first champions are still celebrated as The Tall Firs They indeed had astounding height along the front line but with a pair of racehorse guards who had grown up across the street from each other in a historic Oregon fishing town they also played a revolutionarily fast paced game Author Terry Frei s track record as a narrative historian in such books as the acclaimed Horns Hogs and Nixon Coming plus a personal connection as an Oregon native whose father coached football at the University of Oregon for seventeen seasons makes him uniquely qualified to tell this story of the first tournament and the first champions in the context of their times Plus Frei long has been a fan of Clair Bee the Long Island University coach who later in life wrote the Chip Hilton Sports Series books mesmerizing young readers who didn t know the backstory told here In 1939 the Bee coached LIU Blackbirds won the NCAA tournament s rival the national invitation tournament in New York then in only its second year and still under the conflict of interest sponsorship of the Metropolitan Basketball Writers Association Frei assesses both tournaments and given the myths advanced for many years his conclusions in many cases are surprising Both events unfolded in a turbulent month when it was becoming increasingly apparent that Hitler s belligerence would draw Europe and perhaps the world into another war soon Amid heated debates over the extent to which America should become involved in Europe s affairs this time the men playing in both tournaments wondered if they might be called on to serve and

fight Of course as some of the Webfoots would demonstrate in especially notable fashion the answer was yes It was a March before the Madness Hoop Crazy Dennis Gildea,2013-11-01 Clair Bee 1896 1983 was a hugely successful basketball coach at Rider College and Long Island University with a 412 and 87 record before his career was derailed in 1951 by a point shaving scandal In the trial that sent his star player Sherman White to prison the judge excoriated Bee for creating a morally lax culture that contributed to his players involvement with gambling To a certain extent Bee agreed with the judge s scolding concluding that coaches himself included had become so driven to succeed on the court that they had lost sight of the educational role sports should play His coaching career effectively over Bee launched an effort to reform the ills he saw in college sports and he did so in the pages of the Chip Hilton novels for young readers He began the series in 1948 but it was the post scandal books that he used as teaching tools The books mirrored some of the events of the gambling scandal and were Bee s attempt to reform the problems plaguing college sports He used his fiction to posit a better sports world that he hoped his young readers would construct and inhabit The Chip Hilton books were extremely popular and have become a classic series with over two million copies sold to date Hoop Crazy is the fascinating story of Clair Bee and his star character Chip Hilton and the ways in which their lives real and fictional were intertwined **Pitchers' Duel, by Clair Bee** Clair Bee,1950 Catalog of Copyright Entries.
