The man who had promised to marry me died in a car accident Until yesterday morning we were in a dream talking about a happy future He died less than a few hours after I left him My despondency was indescribable At the funeral hall I poured out the sadness and resentment that I had kept in my heart to EunSoo at once Of course there was no suspicion that he had killed JungMin However it was because of speculation that he would remain after delaying his move so far You're actually relieved that he's dead aren't you EunSoo replied to me as if he was falsely accused What do you mean What you just said sounds like I killed him SungEun That's really not it No Then why did you go to his office last night I said I went to his company yesterday I heard he was working late so I thought I should bring you both dinner and went to the front of the company What on earth did you want to say to him Didn't you come to see me because you wanted to reveal what happened You're the one who wants me to be unhappy Don't you think so I looked at his complexion recalling what happened last night I couldn't say I'd loved JungMin completely but as there were many kinds of love some people chose a spouse with faith trust or affection I also had deep faith in JungMin He was a modest and decent man Of course I admit that he was much older than me Some people looked at me through a colored lens saying that I was trying to seduce a rich man to take a part of his fortune But we didn't think anything of that because we trusted each other It's true that I visited JungMin said EunSoo Of course I already knew that I asked EunSoo straightforwardly smiling bitterly at his words So you said it Said what You know what I mean Conscious of my surroundings I cut off all the words and answered in a lump SungEun please don't drive me too far into being a coward I just went to tell you to make you happy You Everyone laughs when you say that And why would you tell him that We haven't communicated with each other in a long time I did EunSoo's expression was distorted Whenever I heard such a voice I felt sorry but I didn't want to go back to the past now Even when I moved out of EunSoo's house and became independent I once dated a man named TaeJoon who worked in the same job as mine Of course we didn't meet because we had feelings of love as we do now It was just because I was lonely and I wanted someone to be next to me One day the person I'd been seeing suddenly avoided me He didn't even tell me why He avoided me by making excuses but later he just texted me to break up And it was through my sister who worked with TaeJoon that he met you I'm sure you said something to TaeJoon Right It's true that I met Yoo TaeJoon but I've never told him that he should break up with you He just asked me what I thought of you That's all Other Books By JellyBeanEnter The Love Of VR By Nimdorusin Yaoi The Summer In The Hut By Epillia Yaoi Your Personal Shopper By Goddess Somi Yaoi What You Do With A Possessed Body By Cypress Romance The Pill Of Regret And Fall By Jjabjaljjab GL About JellyBenEnter Based in Korea JellyBeanEnter is a publisher specialized in ebook Since 2017 JellyBeanEnter has published the ebooks in yaoi romance and GL categories Get more info at

Mary Ann Wimsatt, 1999-03-01 William Gilmore Simms 1806 1870 was the preeminent southern man of letters in the antebellum period a prolific talented writer in many genres and an eloquent intellectual spokesman of his region During his long career he wrote plays poetry literary criticism biography and history but he is best remembered for his numerous novels and tales Many Ann Wimsatt provides the first significant full length evaluation of Simms s achievement in his long fiction selected poetry essays and short fiction Wimsatt s chief emphasis is on the thirty odd novels that Simms published from the mid 1830s until after the Civil War In bringing his impressive body of work to life she makes use of biographical and historical information and also of twentieth century literary theories of the romance Simms s principal genre Through analyses of such seminal works as Guy Rivers The Yemassee The Cassique of Kiawah and Woodcraft Wimsatt illuminates Simms s contributions to the romance tradition contributions misunderstood by previous critics and suggests how to view his novels within the light of recent literary criticism She also demonstrates how Simms used the historical conditions of southern culture as well as events of his own life to flesh out literary patterns and she analyzes his use of low country frontier and mountain settings Although critics praised Simms early in his career as the first American novelist of the day the panic of 1837 and the changes in the book market that it helped foster severely damaged his prospects for wealth and fame The financial recession Wimsatt finds together with shifts in literary taste contributed to the decline of Simms s reputation

Simms attempted to adjust to the changing climate for fiction by incorporating two modes of nineteenth century realism the satiric portrayal of southern manners and southern backwoods humor into the framework of his long romances but his accomplishments in these areas have been undervalued or misunderstood by critics since his time Wimsatt's book is the first to survey Simms's fiction and much of his other writing against the background of his life and literary career and the first to make extensive use of his immense correspondence It is an important study of a neglected author who once served as the leading symbol of literary activity in the South It fills what has heretofore been a serious gap in southern literary studies
