Moving History/Dancing Cultures

Ann Dils, Ann Cooper Albright, 2013-06-01 This new collection of essays surveys the history of dance in an innovative and wide ranging fashion Editors Dils and Albright address the current dearth of comprehensive teaching material in the dance history field through the creation of a multifaceted non linear yet well structured and comprehensive survey of select moments in the development of both American and World dance This book is illustrated with over 50 photographs and would make an ideal text for undergraduate classes in dance ethnography criticism or appreciation as well as dance history particularly those with a cross cultural contemporary or an American focus The reader is organized into four thematic sections which allow for varied and individualized course use Thinking about Dance History Theories and Practices World Dance Traditions America Dancing and Contemporary Dance Global Contexts The editors have structured the readings with the understanding that contemporary theory has thoroughly questioned the discursive construction of history and the resultant canonization of certain dances texts and points of view The historical readings are presented in a way that encourages thoughtful analysis and allows the opportunity for critical engagement with the text Ebook Edition Note Ebook edition note Five essays have been redacted including The Belly Dance Ancient Ritual to Cabaret Performance by Shawna Helland Epitome of Korean Folk Dance by Lee Kyong Hee Juba and American Minstrelsy by Marian Hannah Winter The Natural Body by Ann Daly and Butoh Twenty Years Ago We Were Crazy Dirty and Mad by Bonnie Sue Stein Eleven of the 41 illustrations in the book have also been redacted

European Dance since 1989 Joanna Szymajda, 2014-06-27 This edited collection charts the development of contemporary dance in Central and Eastern Europe since the literal and symbolic revolutions of 1989 Central Europe and the former Soviet Bloc countries were a major presence in dance particularly theatrical dance throughout the twentieth century With the fragmentation of traditional structures in the final decade of the century came a range of aesthetic and ideological responses from dance practitioners These ranged from attempts to reform classical ballet to struggles for autonomy from the state and the nature of each was influenced by a set of contexts and circumstances particular to each

country Each contribution covers the strategies of a different country's dance practitioners using a similar structure in order to invite comparisons In general they address Historical context showing the roots of contemporary dance forms The socio political climates that influenced emerging companies and forms The relationships between aesthetic exploration and institutional patronage The practitioners who were central to the development of dance in each country A diagnosis of the current state of the art and how it has come about The book's main through line is the concept of community and how all of the different approaches that it documents have in some way engaged with this notion consciously or otherwise This can take the form of oppositional relationships institutional formations or literally in identifiable communities of dancers and choreographers

The Cambridge Companion to Ballet Marion Kant, 2007-06-07 Ballet is a paradox much loved but little studied It is a beautiful fairy tale detached from its origins and unrelated to the men and women who created it Yet ballet has a history little known and rarely presented These great works have dark sides and moral ambiguities not always nor immediately visible The daring and challenging quality of ballet as well as its perceived safe nature is not only one of its fascinations but one of the intriguing questions to be explored in this Companion The essays reveal the conception intent and underlying meaning of ballets and recreate the historical reality in which they emerged The reader will find new and unexpected aspects of ballet its history and its aesthetics the evolution of plot and narrative new insights into the reality of training the choice of costume and the transformation of an old art in a modern world

The Routledge Introduction to Ballet, its Culture and Issues Jennifer Fisher, 2024-12-24 As an introduction to ballet's history culture and meanings this book draws on the latest ballet scholarship to describe the trajectory of a dance form that has risen to global ubiquity and benefited from many diverse influences along the way Organized around themes the book explains how the manners style and hierarchies of ballet became such a strong part of its DNA It addresses the origins of ballet's aristocratic vocabulary and the ways in which it may be interpreted now incorporating meanings that range from the aesthetic to the spiritual and the political The Routledge Introduction to Ballet its Culture and Issues explores how dancers and audiences have experienced ballet how popular films have represented it and who has been excluded and how that could change The chapters highlight the people institutions and works that helped to establish ballet's reputation while also uncovering lesser known influences and new ways of interpreting ballet Lists of research resources further readings documentary films and dance feature films offer starting points for further avenues of learning This book's central premise is that all dance reflects the culture in which it develops and is capable of embodying and disseminating new ideas This is the definitive introduction for anyone drawn to ballet or seeking to understand it and those looking to develop a thorough understanding of how ballet developed the cultures that formed it and what it can mean for today's audiences artists and scholars

When Words are Inadequate Nan Ma, 2023 When Words are Inadequate is a transnational history of modern dance written from and beyond the perspective of China Author Nan Ma extends the horizon of China studies by rewriting the cultural history of modern China from a bodily movement based perspective through the lens of dance modernism The book examines the careers and choreographies of four Chinese modern dance pioneers Yu Rongling Wu Xiaobang Dai Ailian and Guo Mingda and their connections to canonical Western counterparts including Isadora Duncan Mary Wigman Rudolf von Laban and Alwin Nikolais Tracing these Chinese pioneers

varied experiences in Paris Tokyo Trinidad London New York and China's metropolises and borderlands the book shows how their contributions adapted and reimagined the legacies of early Euro American modern dance In doing so When Words are Inadequate reinserts China into the multi centered transnational network of artistic exchange that fostered the global rise of modern dance further complicating the binary conceptions of center and periphery and East and West By exploring the relationships between performance and representation choreography and politics and nation building and global modernism it situates modern dance within an intermedial circuit of literary and artistic forms demonstrating how modern dance provided a kinesthetic alternative and complement to other sibling arts in participating in China's successive revolutions reforms wars and political movements Famed for Dance Ifan Kyrle Fletcher, Selma Jeanne Cohen, Roger Lonsdale, 1980

Migration and Religion in Europe Ester Gallo, 2016-04-22 Religious practices and their transformation are crucial elements of migrants identities and are increasingly politicized by national governments in the light of perceived threats to national identity As new immigrant flows shape religious pluralism in Europe longstanding relations between the State and Church are challenged together with majority faith traditions and societies ways of representing and perceiving themselves With attention to variations according to national setting this volume explores the process of reformulating religious identities and practices amongst South Asian communities in European contexts Presenting a wide range of ethnographies including studies of Hinduism Sikhism Jainism and Islam amongst migrant communities in contexts as diverse as Norway Italy the UK France and Portugal Migration and Religion in Europe sheds light on the meaning of religious practices to diasporic communities It examines the manner in which such practices can be used by migrants and local societies to produce distance or proximity as well as their political significance in various host nations Offering insights into the affirmation of national identities and cultures and the implications of this for governance and political discourse within Europe this book will appeal to scholars with interests in anthropology religion and society migration transnationalism and gender **African American Culture and Society After Rodney King** Josephine Metcalf, Carina Spaulding, 2016-03-09

1992 was a pivotal moment in African American history with the Rodney King riots providing palpable evidence of racialized police brutality media stereotyping of African Americans and institutional discrimination Following the twentieth anniversary of the Los Angeles uprising this time period allows reflection on the shifting state of race in America considering these stark realities as well as the election of the country's first black president a growing African American middle class and the black authors and artists significantly contributing to America's cultural output Divided into six sections The African American Criminal in Culture and Media Slave Voices and Bodies in Poetry and Plays Representing African American Gender and Sexuality in Pop Culture and Society Black Cultural Production in Music and Dance Obama and the Politics of Race and Ongoing Realities and the Meaning of Blackness this book is an engaging collection of chapters varied in critical content and theoretical standpoints linked by their intellectual stimulation and fascination with African American life and questioning how

and to what extent American culture and society is past race The chapters are united by an intertwined sense of progression and regression which addresses the diverse dynamics of continuity and change that have defined shifts in the African American experience over the past twenty years The Reception of Oscar Wilde in Europe Stefano Evangelista, 2010-07-08 Comprehensive volume of international research on the European reception of Oscar Wilde Making Ballet American Andrea Harris, 2018 Situating ballet within twentieth century modernism this book brings complexity to the history of George Balanchine's American neoclassicism It intervenes in the prevailing historical narrative and rebalances Balanchine's role in dance history by revealing the complex social cultural and political forces that actually shaped the construction of American neoclassical ballet
