

BACKING HITLER: CONSENT AND COERCION IN NAZI GERMANY

By Robert Gellately. Oxford: Oxford University Press, 2001. 359 pp.

As early as the 1930s, articles on the systematic persecution of Jews and the use of concentration camps appeared without restraint in the *Völkische Beobachter*, initially the NSDAP party paper, but soon to become Germany's leading newspaper.

Since Hitler's election in 1933, the Nazi press and those papers well-disposed to the Nazis described what was going to happen to Jews, Communists, homosexuals, and other "enemies of the people." Hitler had already made his views on this matter public in *Mein Kampf* in 1925. When, eight years later, the NSDAP came to power by popular vote, the party's "spin doctors" had fully understood how easy it was to activate the widespread latent anti-Semitism. In short, *Backing Hitler* is about public opinion in Nazi Germany.

With minister of propaganda Joseph Goebbels leading the way, the Nazis worked hard to turn Germany into a country governed by modern mass media. The rulers did not bother to lend the merest semblance of legitimacy to their acts of repression. On the contrary, on 24 February 1934, newspaper editors were instructed that it was undesirable to write about criminals being "sentenced" to death. It was preferable to state simply that such a person had been "executed." The paradox of the German police state was that the Nazis understood that every radicalization had to be publicized widely in order to gain popular support.

Citizens under a dictatorship do not read the paper less often because they know it is being censored. Bearing this knowledge of Goebbels in mind, it is fascinating to investigate what the Nazis wished to bring out in the open, rather than concentrating on what information they suppressed.

Backing Hitler Consent And Coercion In Nazi Germany

Moritz Föllmer

Backing Hitler Consent And Coercion In Nazi Germany:

Backing Hitler Robert Gellately, 2001 The Nazis never won a majority in free elections but soon after Hitler took power most people turned away from democracy and backed the Nazi regime Hitler won growing support even as he established the secret police Gestapo and concentration camps What has been in dispute for over fifty years is what the Germans knew about these camps and in what ways were they involved in the persecution of race enemies slave workers and social outsiders To answer these questions and to explore the public sides of Nazi persecution Robert Gellately has consulted an array of primary documents He argues that the Nazis did not cloak their radical approaches to law and order in utter secrecy but played them up in the press and loudly proclaimed the superiority of their system over all others They publicized their views by drawing on popular images cherished German ideals and long held phobias and were able to win over converts to their cause The author traces the story from 1933 and shows how war and especially the prospect of defeat radicalized Nazism As the country spiralled toward defeat Germans for the most part held on stubbornly For anyone who contemplated surrender or resistance terror became the order of the day

Backing Hitler Robert Gellately, 2001-03-08 The Nazis never won a majority in free elections but soon after Hitler took power most people turned away from democracy and backed the Nazi regime Hitler won growing support even as he established the secret police Gestapo and concentration camps What has been in dispute for over fifty years is what the Germans knew about these camps and in what ways were they involved in the persecution of race enemies slave workers and social outsiders To answer these questions and to explore the public sides of Nazi persecution Robert Gellately has consulted an array of primary documents He argues that the Nazis did not cloak their radical approaches to law and order in utter secrecy but played them up in the press and loudly proclaimed the superiority of their system over all others They publicized their views by drawing on popular images cherished German ideals and long held phobias and were able to win over converts to their cause The author traces the story from 1933 and shows how war and especially the prospect of defeat radicalized Nazism As the country spiralled toward defeat Germans for the most part held on stubbornly For anyone who contemplated surrender or resistance terror became the order of the day *Hitler and Nazi Germany* Stephen J. Lee, 2013-04-15 *Hitler and Nazi Germany* provides a concise introduction to Hitler's rise to power and Nazi domestic and foreign policies through to the end of the Second World War Combining narrative the views of different historians interpretation and a selection of sources this book provides a concise introduction and study aid for students This second edition has been extensively revised and expanded and includes new chapters on the Nazi regime the SS and Gestapo and the Second World War Expanded background narratives provide a solid understanding of the period and the analyses and sources have been updated throughout to help students engage with recent historiography and form their own interpretation of events

Family Punishment in Nazi Germany R. Loeffel, 2012-05-29 In the Third Reich political dissidents were not the only ones liable to be punished for their crimes Their parents siblings and relatives also risked

reprisals This concept known as Sippenhaft was based in ideas of blood and purity This definitive study surveys the threats fears and infliction of this part of the Nazi system of terror *Hitler's Ambivalent Attaché* Alfred M. Beck, 2005 The life and work of Nazi Germany's remarkable military attache in Washington *Disaster Nationalism* Richard Seymour, 2025-10-28 Liberal civilisation is in crisis now is a time of monsters While the spotlight often shines on the actions of charismatic right wing leaders such as Donald Trump and Jair Bolsonaro defeating these people will not stem the tide behind them They are the embodiment of profound forces that are rarely understood With meticulous analysis and compelling storytelling Richard Seymour delves into the ideologies fueling the contemporary right and distorting modern politics into something abhorrent and nihilistic The battle against disaster nationalism is not just political it is a struggle for our collective soul and the future of civilization *Nazi Cinema's New Women* Jana F. Bruns, 2009-04-27 This book examines the careers of three of Nazi cinema's preeminent movie actresses painting a unique portrait of mass entertainment and stardom under Nazi rule Bruns uses undiscovered sources and a new approach which integrates visual analysis within a thorough political and social context to trace how the Nazis tried to use films and stars to build National Socialism This analysis focuses on female stars an important but largely unexplored area because they were mostly responsible for Nazi cinema's spectacular commercial success and political failure Challenging earlier studies which view Nazi cinema as an effective propaganda instrument that helped turn Germans into devoted Aryan mothers and tough warriors the book shows that the Nazi regime's liaison with the cinema was ambivalent Films failed to disseminate a coherent political message and to Nazify German society However they helped the regime maintain power by diverting people's attention from the brutality of Hitler's rule and eventually from impending defeat **Chosen Nation** Benjamin W. Goossen, 2019-05-28 During the nineteenth and twentieth centuries the global Mennonite church developed an uneasy relationship with Germany Despite the religion's origins in the Swiss and Dutch Reformation as well as its longstanding pacifism tens of thousands of members embraced militarist German nationalism Chosen Nation is a sweeping history of this encounter and the debates it sparked among parliaments dictatorships and congregations across Eurasia and the Americas Offering a multifaceted perspective on nationalism's emergence in Europe and around the world Benjamin Goossen demonstrates how Mennonites' nationalization reflected and reshaped their faith convictions While some church leaders modified German identity along Mennonite lines others appropriated nationalism wholesale advocating a specifically Mennonite version of nationhood Examining sources from Poland to Paraguay Goossen shows how patriotic loyalties rose and fell with religious affiliation Individuals might claim to be German at one moment but Mennonite the next Some external parties encouraged separatism as when the Weimar Republic helped establish an autonomous Mennonite State in Latin America Still others treated Mennonites as quintessentially German under Hitler's Third Reich entire colonies benefited from racial warfare and genocide in Nazi occupied Ukraine Whether choosing Germany as a national homeland or identifying as a chosen people called and elected by God Mennonites

committed to collective action in ways that were intricate fluid and always surprising The first book to place Christianity and diaspora at the heart of nationality studies Chosen Nation illuminates the rising religious nationalism of our own age

Battlefield America John W. Whitehead, 2015-04-14 Police forces across the United States have been transformed into extensions of the military Our towns and cities have become battlefields and we the American people are now the enemy combatants to be spied on tracked frisked and searched For those who resist the consequences can be a one way trip to jail or even death Battlefield America The War on the American People is constitutional attorney John W Whitehead s terrifying portrait of a nation at war with itself In exchange for safe schools and lower crime rates we have opened the doors to militarized police zero tolerance policies in schools and SWAT team raids The insidious shift was so subtle that most of us had no idea it was happening This follow up to Whitehead s award winning A Government of Wolves is a brutal critique of an America on the verge of destroying the very freedoms that define it Hands up the police state has arrived **A Government of Wolves** John W. Whitehead, 2013-06 A NATION OF SHEEP WILL BEGET A GOVERNMENT OF WOLVES EDWARD R MURROW America is fast moving into a state of lockdown Surveillance cameras drug sniffing dogs SWAT team raids roadside strip searches blood draws at DUI checkpoints mosquito drones tasers privatized prisons GPS tracking devices zero tolerance policies overcriminalization free speech zones these are all symptoms of the emerging police state in America A GOVERNMENT OF WOLVES paints a chilling portrait of a nation in the final stages of transformation into outright authoritarianism whose citizens have become little more than a nation of suspects to be cowed corralled and controlled Pulling from his extensive knowledge of constitutional law history and futuristic films John W Whitehead helps readers navigate this treacherous terrain and provides them with a blueprint for hopefully finding their way back to freedom

Germany's War and the Holocaust Omer Bartov, 2013-05-21 Omer Bartov a leading scholar of the Wehrmacht and the Holocaust provides a critical analysis of various recent ways to understand the genocidal policies of the Nazi regime and the reconstruction of German and Jewish identities in the wake of World War II Germany s War and the Holocaust both deepens our understanding of a crucial period in history and serves as an invaluable introduction to the vast body of literature in the field of Holocaust studies Drawing on his background as a military historian to probe the nature of German warfare Bartov considers the postwar myth of army resistance to Hitler and investigates the image of Blitzkrieg as a means to glorify war debilitate the enemy and hide the realities of mass destruction The author also addresses several new analyses of the roots and nature of Nazi extermination policies including revisionist views of the concentration camps Finally Bartov examines some paradigmatic interpretations of the Nazi period and its aftermath the changing American European and Israeli discourses on the Holocaust Victor Klemperer s view of Nazi Germany from within and Germany s perception of its own victimhood *Genocide* Adam Jones, 2010-09-13 Genocide A Comprehensive Introduction is the most wide ranging textbook on genocide yet published The book is designed as a text for upper undergraduate and graduate students as well as a primer

for non specialists and general readers interested in learning about one of humanity's enduring blights Fully updated to reflect the latest thinking in this rapidly developing field this new edition provides an introduction to genocide as both a historical phenomenon and an analytical legal concept including an extended discussion of the concept of genocidal intent and the dynamism and contingency of genocidal processes discusses the role of state building imperialism war and social revolution in fueling genocide supplies a wide range of full length case studies of genocides worldwide each with an accompanying box text explores perspectives on genocide from the social sciences including psychology sociology anthropology political science international relations and gender studies considers The Future of Genocide with attention to historical memory and genocide denial initiatives for truth justice and redress and strategies of intervention and prevention Written in clear and lively prose liberally sprinkled with over 100 illustrations and maps and including personal testimonies from genocide survivors Genocide A Comprehensive Introduction has established itself as the core textbook of the new generation of genocide scholarship An accompanying website www.genocidetext.net features a broad selection of supplementary materials teaching aids and Internet resources *The Routledge Companion to Nazi Germany* Roderick Stackelberg, 2007-12-12 Combines a narrative overview with chronological bibliographical and tabular information to cover major aspects of Nazi Germany This guide provides a survey of topics such as origins and consolidation of the Nazi regime

Hitler's Police Battalions Edward B. Westermann, 2005 When the German Wehrmacht swarmed across Eastern Europe an elite corps followed close at its heels Along with the SS and Gestapo the Ordnungspolizei or Uniformed Police played a central role in Nazi genocide that until now has been generally neglected by historians of the war Beginning with the invasion of Poland the Uniformed Police were charged with following the army to curb resistance pacify the countryside patrol Jewish ghettos and generally maintain order in the conquered territories Edward Westermann examines how this force emerged as a primary instrument of annihilation responsible for the murder of hundreds of thousands of the Third Reich's political and racial enemies In *Hitler's Police Battalions* he reveals how the institutional mindset of these ordinary policemen allowed them to commit atrocities without a second thought To uncover the story of how the German national police were fashioned into a corps of political soldiers Westermann reveals initiatives pursued before the war by Heinrich Himmler and Kurt Daluge to create a culture within the existing police forces that fostered anti-Semitism and anti Communism as institutional norms Challenging prevailing interpretations of German culture Westermann draws on extensive archival research including the testimony of former policemen to illuminate this transformation and the callous organizational culture that emerged Purged of dissidents indoctrinated to idolize Hitler and trained in military combat these police battalions often numbering several hundred men repeatedly conducted actions against Jews Slavs gypsies asocials and other groups on their own initiative even when they had the choice not to In addition to documenting these atrocities Westermann examines cooperation between the Ordnungspolizei and the SS and Gestapo and the close relationship between police and Wehrmacht

in the conduct of the anti partisan campaign of annihilation Throughout Westermann stresses the importance of ideological indoctrination and organizational initiatives within specific groups It was the organizational culture of the Uniformed Police he maintains and not German culture in general that led these men to commit genocide Hitler s Police Battalions provides the most complete and comprehensive study to date of this neglected branch of Himmler s SS and Police empire and adds a new dimension to our understanding of the Holocaust and the war on the Eastern front *Individuality and Modernity in*

Berlin Moritz Föllmer,2013-01-17 Moritz Föllmer traces the history of individuality in Berlin from the late 1920s to the construction of the Berlin Wall in August 1961 The demand to be recognised as an individual was central to metropolitan society as were the spectres of risk isolation and loss of agency This was true under all five regimes of the period through economic depression war occupation and reconstruction The quest for individuality could put democracy under pressure as in the Weimar years and could be satisfied by a dictatorship as was the case in the Third Reich It was only in the course of the 1950s when liberal democracy was able to offer superior opportunities for consumerism that individuality finally claimed the mantle Individuality and Modernity in Berlin proposes a fresh perspective on twentieth century Berlin that will engage readers with an interest in the German metropolis as well as European urban history more broadly **Holocaust**

Scholarship Michael R. Marrus,Milton Shain,Christopher R. Browning,Susannah Heschel,2015-07-13 Leading international Holocaust scholars reflect upon their personal experiences and professional trajectories over many decades of immersion in the field Changes are examined within the context of individual odysseys including shifting cultural milieus and robust academic conflicts *Popular Opinion in Totalitarian Regimes* Paul Corner,2009-10 A team of internationally acknowledged experts examines the question of popular opinion in totalitarian regimes looking at the ways in which ordinary people experienced everyday life in the Soviet Union Nazi Germany and Fascist Italy with consideration also of Poland and East Germany between 1945 and 1989 In Good Faith Scott A. Shay,2018-09-04 Prominent atheists claim the Bible is a racist text Yet Dr Martin Luther King Jr read it daily Then again so did many ardent segregationists Some atheists claim religion serves to oppress the masses Yet the classic text of the French Revolution What is the Third Estate was written by a priest On the other hand the revolutionaries ended up banning religion What do we make of religion s confusing role in history And what of religion s relationship to science Some scientists claim that we have no free will Others argue that advances in neurobiology and physics disprove determinism As for whispering to the universe an absurd habit say the skeptics Yet prayer is a transformative practice for millions This book explores the most common atheist critiques of the Bible and religion incorporating Jewish Christian and Muslim voices The result is a fresh modern re evaluation of religion and of atheism Scott A Shay is a Co Founder and Chairman of Signature Bank and a longstanding Jewish community activist Shay started a Hebrew school an adult educational program and chaired several Jewish educational programs He is the author of Getting our Groove Back How to Energize American Jewry and has been thinking about religion reason and modernity since

wondering why his parents sent him to Hebrew school **Ordinary Violence in Mussolini's Italy** Michael R. Ebner, 2011
Ordinary Violence in Mussolini's Italy reveals the centrality of violence to Fascist rule arguing that the Mussolini regime projected its coercive power deeply and diffusely into society through confinement imprisonment low level physical assaults economic deprivations intimidation discrimination and other everyday forms of coercion Fascist repression was thus more intense and ideological than previously thought and even shared some important similarities with Nazi and Soviet terror

Hitler's Stormtroopers and the Attack on the German Republic, 1919-1933 Otis C. Mitchell, 2013-10-29 Hitler was Nazi Germany and Nazi Germany was Hitler Though true to the extent that Hitler's personality leadership and ideological convictions played a massive role in shaping the nature of government and life during the Third Reich this popular view has led many writers since the end of World War II to overlook important aspects of Nazism while centering attention solely on Hitler's contributions to the Nazi Party This book seeks to fill a significant gap in the literature by concentrating particularly on the Nazi Party and its growth during the years of the Weimar Republic examining the paramilitary presence in Germany and Bavaria after World War I Most of the book describes the development of the Nazi Storm Detachment Sturmabteilung or SA before and after the failed Beer Hall Putsch in 1923 By the time Hitler came to power in January 1933 there were perhaps as many as 400 000 of these brown shirted men often self styled revolutionaries creating violence on a daily basis and destroying the underpinnings of the Weimar Republic The book features several photographs captured from the Nazi Party's Central Publishing Facility in Munich and passed to the author in the late 1950s

The Top Books of the Year Backing Hitler Consent And Coercion In Nazi Germany The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Backing Hitler Consent And Coercion In Nazi Germany : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Backing Hitler Consent And Coercion In Nazi Germany Introduction

In the digital age, access to information has become easier than ever before. The ability to download Backing Hitler Consent And Coercion In Nazi Germany has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Backing Hitler Consent And Coercion In Nazi Germany has opened up a world of possibilities. Downloading Backing Hitler Consent And Coercion In Nazi Germany provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky

folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Backing Hitler Consent And Coercion In Nazi Germany has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Backing Hitler Consent And Coercion In Nazi Germany. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Backing Hitler Consent And Coercion In Nazi Germany. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Backing Hitler Consent And Coercion In Nazi Germany, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Backing Hitler Consent And Coercion In Nazi Germany has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Backing Hitler Consent And Coercion In Nazi Germany Books

1. Where can I buy Backing Hitler Consent And Coercion In Nazi Germany books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Backing Hitler Consent And Coercion In Nazi Germany book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Backing Hitler Consent And Coercion In Nazi Germany books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Backing Hitler Consent And Coercion In Nazi Germany audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Backing Hitler Consent And Coercion In Nazi Germany books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
