The Bible contains many stories of what might be called bit players those who appear briefly sometimes only for a few verses and are not central to the narrative but who still play a significant role These old stories feature and were written by people with whom we share a common humanity and whose encounters with God have much to teach us In their stories we see something of our own stories and if we listen aright we can hear the divine voice speaking through their strength and weaknesses their triumphs and tragedies and their joys and sorrows Their stories also throw light on the heart of the narrative the story of Jesus and demonstrate the rich inclusiveness of the Bible They also offer us a fascinating reflection of who we are as Christian believers and the nature of the world in which we try to live out our faith Their journeys however marginal they may seem make significant contributions to the story Scripture tells This book can be used generally by individuals or groups but is also suitable for use as a series of Lenten reflections As we listen to some of the lesser known voices and stories we encounter in Scripture we will find that they are not there by accident and have the power to profoundly enrich our Christian understanding **Back Roads** Tawni O'Dell,2012-03-31 One day Harley Altmyer was 18 and thinking about making some kind of life He had a family he loved and he figured it was time to get a job Before he has the chance his life is a minefield his father is dead his mother in prison for the murder three younger sisters to care for and there s not too much time left over for himself Suddenly he has two crummy jobs a fantasy sex life big worries about the kids and a court appointed therapist A intense physical relationship with a woman living down the road seems to offer a way out the answer to his problems But little can he realise that those problems are only just beginning **The Gig Book: Country Hits** Wise Publications,2010-10-05 Have you already exhausted the Gig Books of Acoustic Hits or Classic Rock or Number 1 Hits Got a gig coming up in a Country bar Well you re in luck The Gig Book Country is jam packed with classic country songs by the biggest names of the genre Presented with melody line arrangements in standard notation with guitar chord boxes and complete lyrics this is the perfect reference for guitarists keyboard players and all other musicians allowing you to quickly understand and learn every song how to sing it and what chords to play The setlist includes 3 10 To Yuma The Frankie Laine A Boy Named Sue Johnny Cash Act Naturally The Beatles Always On My Mind Willie Nelson Blue Moon Of Kentucky Bill Monroe Born To Lose Ted Daffan Crazy Patsy Cline For The Good Times Kris Kristofferson Gentle On My Mind Glen Campbell Guitar Man Elvis Presley I Can t Stop Loving You Don Gibson I Saw The Light Hank Williams I Walk The Line Johnny Cash If Tomorrow Never Comes Garth Brooks Jolene Dolly Parton Long Black Veil Lefty Frizzell She Believes In Me Kenny Rogers Take Me Home Country Roads John Denver Tennessee Waltz Patti Page The Yellow Rose Of Texas Gene Autry Tobacco Road The Swingin Blue Jeans Wabash Cannonball
