Bad News on the Doorstep Joseph Rocco Cervasio, 2004-05-24 The Greatest Generation was in full bloom during the enigmatic decade of the fifties In northern New Jersey The Newark Star Ledger on the doorstep every morning was bringing changing news as that pastoral period came to an end A blue collar ethnic family saga evolves that takes you on an epic journey through unfulfilled dreams with spiritual forks in every road In the shadows lurk glamorous alternatives of gangland activities and the allure of the entertainment business But it was a legendary high school football game that truly signaled winds of change would be rushing in An outstanding athlete and young man Frank Bonaducci made a decision in that rivalry that would affect peoples lives forever Surrounding him is his family as well as a menagerie of unforgettable characters from Bloomfield Avenue in Newark to the Silver Lake section of Belleville to Nutleys Park Oval They roam the pages of this touching story teaching life long lessons Their roles craft a tapestry of life creating a yearning in our hearts for these days gone by Every one should have an uncle like Petee 5 Corners and an Aunt Bella who danced across imaginary stages as Bella LaStarr Each chapter reads like a short story that will touch your heart and soul The book depicts frustrations of coming of age and traditional rights of passage that honor family traditions more than the family members themselves It wont take long to learn that when you look back you should glance not stare In his first novel Joseph Rocco Cervasio escorts us through New Jerseys fabled Essex County in a way that will make Bad News on the Door Step the good news you are seeking A demanded public speaker Cervasio has tested throughout the country the stories that have evolved into the tales of this fiction And you will react the same way his audiences have over the years youll laugh and cry and say no way Writing with compassion and spiritual discernment that penetrate the wonder of these times Cervasio takes you from 1959 to the present From an Italian American feast during New Years Eve at Grandpa Joes to the end zone of a football field to Rahway State Prison to a hot autumn afternoon at the Five Corners of Fifth Street and Bloomfield Avenue to the glamor of Havana you are bound to find a familiar character or even family member particularly if you are from Jersey When Buddy Holley Ritchie Valens and the Big Bopper crashed in a snow covered cornfield in Iowa on February 3 1959 they became the final ingredient to launch the Bonaducci family into a trek every reader will cherish Witness the battle between self sacrifice and selfish lusts as the kingdoms of modest middle class living and mob affiliation collide headon Ten years in the making Bad News on the Door Step is a labor of love that introduces Joseph Rocco Cervasio as a consummate storyteller passionate about changing peoples lives for the better

A Newscast for the Masses Tim Kiska, 2009 Explores the development of local television news and the economic and social factors that elevated it to prominence As the chief source of information for many people and a key revenue stream for the country s broadcast conglomerates local television news has grown from a

curiosity into a powerful journalistic and cultural force In *A Newscast for the Masses* Tim Kiska examines the evolution of television news in Detroit from its beginnings in the late 1940s when television was considered a wild young medium to the early 1980s when cable television permanently altered the broadcast landscape Kiska shows how the local news which was initially considered a poor substitute for respectable print journalism became the cornerstone of television programming and the public's preferred news source Kiska begins his study in 1947 with the first Detroit television broadcast made by WWJ TV Owned by the Evening News Association the same company that owned the Detroit News WWJ developed a credible broadcast news operation as a cross promotional vehicle for the newspaper Yet by the late 1960s WWJ was unseated by newcomers WXYZ TV and WJBK TV whose superior coverage of the 1967 Detroit riots lured viewers away from WWJ WXYZ TV would eventually become the most powerful news outlet in Detroit with the help of its cash rich parent company the American Broadcasting Corporation and its use of sophisticated survey research and advertising techniques to grow its news audience Though critics tend to deride the sensationalism and showmanship of local television news Kiska demonstrates that over the last several decades newscasts have effectively tailored their content to the demands of the viewing public and as a result have become the most trusted source of information for the average American and the most lucrative source of profit for television networks *A Newscast for the Masses* is based on extensive interviews with journalists who participated in the development of television in Detroit and careful research into the files of the McHugh Hoffman consulting firm which used social science techniques to discern the television viewing preferences of metro Detroiters Anyone interested in television history or journalism will appreciate this detailed and informative study **Weekly World News**, 1996-02-13 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site [Making Money, Making Music](#) David Bruenger, 2016-09-06 Making money making music is an alternative music business text providing an entrepreneurial toolbox based on historical analysis trends and patterns in music enterprise It begins by introducing core principles and processes and shows how to apply them adaptively to new contexts so that students gain a deeper understanding not only of how things work in the music business but why By applying essential concepts to a variety of real life situations students improve their capacity to critically analyze solve problems and even predict where music and money will converge in a rapidly evolving culture and marketplace Provided by publisher *Weekly World News*, 1998-07-28 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site [Creating Chaos Online](#) Asta Zelenkauskaitė, 2022-10-10 With the prevalence of disinformation geared to instill doubt rather than clarity *Creating Chaos Online* unmask disinformation when it attempts to pass as deliberation in the public sphere and distorts the democratic processes Asta Zelenkauskaitė finds that repeated tropes justifying Russian trolling
