Dixon, 2012-07-17 A JOE STOLE THE TEST B TONY STOLE THE TEST C NONE OF THE ABOVE A new statewide test has all the students at Bayport High on edge Then Joe and his friend Tony find one of the tests in Tony s bookbag Joe knows Tony didn t steal it but the assistant principal isn t so understanding He suspends them both Joe talks to the truck driver who delivered the tests as well as the owner of a tutoring service who promises amazing improvements in test scores Frank checks out who could have put the test in Tony s bag a bag just like the one belonging to a star of the hockey team Joe and Tony are still in the penalty box but the Hardys are determined to ace this case Goosed! Bill Wallace, 2004-05 When Jeff s girlfriend leaves a Labrador retriever puppy with his family for a week his dog T P and cat Cord hope the energetic puppy does not stay any longer *Totally Disgusting!* Bill Wallace, 2008-01-08 Despite his uncourageous name Mewkiss proves to be a strong and brave kitten during a crisis in which his mistress s life is threatened Skinny-Dipping at Monster Lake Bill Wallace, 2014-08-12 Kent doesn t believe in monsters But he knows he saw two gleaming yellow eyes beneath the surface of Cedar Lake when he and his buddies were camping at the lake When he sneaks out alone a few nights later to investigate the eyes return and they seem to be following him Kent and his friends are determined to solve the mystery of the Cedar Lake monster But what they discover one dark summer night is just as surprising as a monster and just as dangerous *Hills of Eden* Jory Sherman, 2012-07-10 Jory Sherman s first book for Gallivant Press The Hills of Eden is a deeply personal look at the green highlands of Missouri and Arkansas His work could easily be described as a travel book He does lead the reader down beautiful and poignant mountain highways and long forgotten back roads to places that reflect the timeless legacy and unforgettable characters of the Ozarks As he has written All the dirt roads lead somewhere and I have followed many of them since that first morning a wanderer and an explorer never expecting anything but always finding something of great value whether it be a diamond strewn creek in sunlight or a midnight river full of dancing stars or a verdant woodland glade Or maybe it s a memoir of the time Sherman spent in the highlands the time he says that was both mystical and magical as if the green spring hills were being born at just that

moment as if they had lain dormant beneath a low sky full of heavy clouds waiting for that first kiss of sunlight waiting for me He has written These green hills and memory percolates up through the thick layers of civilization in my mind The hills that first morning arose out of a thick mist like some Brigadoon stage set that appears only once in a span of years then disappears until another generation spawns Others may prefer to use The Hills of Eden as a devotional because the power and the passion of his writing the depth of his insights the raw energy of his thoughts are stimulating motivational and inspiring His words his stories those he met within the highlands remain firmly implanted in your mind long after the final pages have been read As Jory Sherman remembers I discovered long ago that it s not the things that last It s not the things we see and touch which endure in reality but the images of those things that are important to us that seem to mirror memories in the soul The images are those intangibles that we can summon from some deep place inside us and relive and enjoy again and again though we be far from home far from the hills and hollows that we have journeyed through to find our own truths our own personal mythology As reviewer Lee Kirk wrote This is the sort of book that may be pulled down again and again on those days when you re feeling blue or when you re somewhere else and need to smell and feel the Ozarks one more time

The Legend of Thunderfoot Bill Wallace, 2014-08-12 The day of the Naming is an important one for young roadrunners That s when roadrunner parents judge the speed courage and hunting skill of their offspring and choose fitting names for them One proud fledgling dreams of being named Muscles or Dash or even Hunter If only he hadn t pursued those three juicy grasshoppers for a final snack If only he d remembered his parents lesson Always look before you leap If only he d paid more attention to the mouse family that had lost two children to a nearby snake If only the rattler had given some warning before it struck Miraculously the young roadrunner survives the attack but not without damage With their son s feet swollen to such an enormous size his parents have no choice but to give him the humiliating name of Thunderfoot It s enough to make a roadrunner wallow in self pity and give up But the only thing bigger than Thunderfoot s feet is his heart and with some not always gentle goading from a wise old gopher tortoise named Berland he finds the courage to go forward and seek his destiny and to become the stuff of legends
