Connolly, 2019-10-31 Michele A Connolly's postcolonial analysis links the Gospel of Mark produced in the context of the Roman Empire with contemporary Australia established initially as a colony of the British Empire Feminist analysis of texts from two foundational events in Australian colonial history reveal that women in such texts tend to be marginalised silenced and denigrated Connolly posits that imperialist sexism both ancient and modern perceives women as a threat to the order that males alone can impose on the world The Gospel of Mark portrays Jesus bringing the order of the Reign of God to combat the disorder of apocalyptic evil Jesus' task is a markedly male project against which eleven female characters are portrayed as disorderly distractions who are managed by being marginalised silenced and denigrated contradicting Jesus' message of mutual service and non domination In his death under apocalyptic power Jesus is likewise depicted as isolated silenced and denigrated subtly associating femininity with chaos failure and disgrace **The Book of Books** Melvyn

Tokan,2013-06-18 This is the sequel to The Bad Girls Of The Bible I assure you that you are about to face some of the most horrific scenes in the Holy Book The Bible Men who will stop at nothing to get their way Evil men with unthinkable character traits that would make you cringe You will be familiar with one or two but some are obscure Whatever you think of them we can learn life lessons for the 21st Century Enjoy Contents Chapter One Doeg the Edomite 1 Samuel 21 7 22 6 23 Psalm 52 Chapter Two Abimelech Judges 9 Chapter Three Ziba 2 Samuel 9 16 19 Chapter Four Achan Joshua 7 Chapter Five Judas Iscariot Luke 6 12 16 Chapter Six Baanah and Recab 2 Samuel 4 Chapter Seven Ananias and Sapphira Acts 5 **Men in the Bible** John F. O'Grady,2005 MEN IN THE BIBLE explores the lives of twelve men whose lives figure prominently in Scripture six each from the Old and New Testaments Throughout the text John O Grady is careful to keep these stories in perspective and focuses on the historical and archaeological evidence surrounding them The profiles presented here represent the entire span of biblical history from Adam and Abraham to Jesus and his followers Among them are such familiar figures as Moses David Jeremiah Jesus John the Baptist Peter and Judas Apart from Jesus all the subjects in this book have flaws some of them quite serious Often their noble qualities are obscured by such negative traits as pettiness meanness jealousy anger and pride These bad and ugly aspects make the rough edges more than evident Yet these same individuals are bound together by a common faith in God Even Judas must have had considerable talents and generosity to be included among the twelve disciples As in biblical times people today also represent a spectrum of traits some good some bad and some downright ugly But the author demonstrates that because of the goodness of God the bad and the ugly never eradicate the presence of goodness He explains how such stories from the past can serve as examples for people today By fully understanding the character of each of the men covered in this work we can overcome the dark side of our natures and learn to become stronger and better people
