Second Deficiency Appropriation Bill, 1928 United States. Congress. House. Committee on Appropriations, 1928 **Our Final Salute** Jay Schofield, 2012 Introduction A Trip to Canada September 3 1944 On the above date two brothers Jay and Win Schofield briefly crossed the Canadian border from New York to gather a few documents then return to America Why Each needed naturalized citizen status to join the U S Army Jay at twenty five and Win ten years older were both drafted and eager to serve their country in what would be World War II Two other brothers Llew and Brent had already become eligible The required documentation for Jay and Win were requisites to prove they were born in the province of Nova Scotia Canada some twenty years earlier It would have been a simple matter of simply asking for their respective birth certificates getting sworn in and packing for boot camp It got complicated In Halifax there had been a fire around the time of their family's migration to America destroying their birth records Jay and Win got their desired status and entered the military My Life Went On That story was related to me back in the 1950s but in typical fashion of a self absorbed teen rebel I saw little value in the story Like most boys that age my immediate focal points were What's for supper or Did the Red Sox win last night or Who'll be my date for Friday's record hop I mean Really that war happened when I was a few months old What value could it have to me How wrong I was The years went by including college marriage family and work Buried in the background of my thinking lingered the question about the brothers Canadian visit and what changes the family had undergone before and after that point It became even more of a topic considering today's America's red hot immigration issue with the Mexican border What would compel family members back then to fight for their adopted country Today Canada has become America's forgotten northern border while our southern Mexican border captures most of the national interest We hear of both electronic and structural fences our National Guard's involvement a drug war with Mexican cartels and wanton illegal

crossings bringing murders of America's border states citizens Regrets For Sure In 1980 the urgency to ask my dad family questions became more critical following his cancer diagnosis Hoping to make up for lost time I suggested nine years later I write his life story An endless barrage of questions while he was undergoing the ravages of invasive cancer treatment would prove tiresome Despite repeated chemical invasions he persevered For the first time I witnessed him crying as he related his mother's undying dedication while she helped him memorize his lines before his high school performance The Mikado Even today I can hear my dad's tears on that tape as he confirmed he never missed a line Dad shared his family's work ethic getting to the job despite sickness or hard times They toiled at multiple often menial jobs providing for their four sons and daughter He spoke lovingly of his parents including his dad dying in 1951 and then losing his mom nine years later Those tapes provided me long lasting insights and inspiration I learned elders are eager to share their lives if someone asked the right questions Thrilled to tip over that first domino I knew the interviews had built his story's foundation Although he was a rookie at dying I was a rookie at writing yet we both persisted like veterans In a few months his life story formed I transcribed the interview did parallel research and crafted his memoirs the best an emerging author could The process and the result brought us unparalleled joy Upon completion he read and re read the story then gushed on about how much he appreciated my effort He died knowing his life story would be saved and passed down Infected with a Memoirs Schofield history bug I vowed to carry on Filling In Some Blanks The family questions however gnawed at me I wanted **The Irish Quarterly Review**, 1853 **Mnemonic English Learning** Abdüllatif Ofli, 2023-07-26 Mnemonic reference featuring nuanced definitions idiomatic expressions and extensive word coverage to aid young adults and academics in enhancing their lexicon to master English the honest way for native fluency Mnemonic Learning is an engaging and authentic dictionary with a holistic approach to sophisticated language training Conceptual mapping facilitates each query to link with many others in dozens of different ways by interactive and native content for thousands of refined expressions words phrases collocations idioms proverbs and exclusive concordances Key terms each connected to the main term with variations at different rates are cultivated under 17 sections catering to proficient English speakers to escape from intermediate to advanced levels A Daughter of the People Georgiana Marion Craik, 1886 **Northern Monkeys** Daniel Wright, 2025-11-28 The gritty story of working class lads in Bradford at the heart of Northern Monkeys is The Ointment a football firm built on pride and reputation But behind the matchday clashes are deeper struggles addiction poverty broken homes love revenge and the fight to stay above water As the firm rises the police close in determined to bring them down Some lads are just trying to escape their mundane lives Others are chasing power and a reputation And some just want a few beers a laugh with their mates and a bit of casual violence But what happens on the streets is only half the story Northern Monkeys goes beyond the terraces deep into the lives relationships and choices that shape these men when the crowds are gone and the doors are shut A brutal honest look at life on the edge when the lines between good and bad start to blur and then start to cross **BALD**
