Bad News Bible The New Testament:

When Your Doctor Has Bad News Al B. Weir, 2010-06-15 When the diagnosis is serious what makes the difference between hope and despair As a practicing oncologist Dr Al Weir works daily with patients who receive bad news A medical doctor with a pastor's heart Dr Weir knows from experience that it's the patient's focus not the diagnosis that indicates whether one will slip into despair and hopelessness or have the courage to live each day fully Resilience of spirit can powerfully influence recovery and healing and within our crisis the choices we make are important When Your Doctor Has Bad News offers no easy answers no quick outs But it does equip you to weather the storm you are facing and emerge whole again Practical tips provide questions for you to ask your doctor and choices you can make to achieve your best chances for healing Real life stories show how others have coped with life threatening illness walked with God and won You can deepen communion with God in the midst of medical crisis When Your Doctor Has Bad News gives you proven principles that will enable you to choose a life worth living no matter what news the doctor has given you Dr Weir guides the reader especially the one who has received bad news past the soul numbing shock of a dismal medical report He reminds us of the soothing comfort available in the Word of God of the heartwarming precepts upon which we can build a new life and of the simple steps a family can take to promote hope and healing Joni Eareckson Tada from the introduction [Confessions of a Recovering Fundamentalist](#) Keith Ward, 2019-11-07 Can theology be expounded almost entirely in jokes This is an attempt to do so But it is also a record of how one person recovered from fundamentalism and found a different more positive spirituality within Christian faith It seeks to speak to those who only know an exclusive and dogmatic version of Christianity and who feel the need for something more universally compassionate and friendly to informed scientific thought Ward argues that we need to escape from the image of a vindictive wrathful judgmental God who saves just a few people from endless torture for no obvious reason He proposes instead a view of the universe as evolving towards a goal guided by a supreme cosmic consciousness which manifests its nature in this historical process Jesus is the human image of this consciousness an image of universal self giving love and a foreshadowing of the transformation of human lives by their union with the divine The jokes are there because Christian faith should be really joyful hopeful and positive good news for everyone that there is a spiritual basis and goal of the universe which wills everyone without exception to share in its unlimited wisdom and love

Bad News from the Good Book Jimmie L. Hancock, 2010-09-11 This book is a research project listing many of the troubling events found in the Bible I don't think anyone else has found and compiled as thorough a list of toil and trouble as I have from the Bible It also contains 98 Engravings by Gustave Dore selected for their graphic depiction of many of the stories and events presented in the book I was surprised at how many of his Biblical engravings reflected the doom and gloom of the Bible [You Are Not Going to Heaven \(and why it doesn't matter\)](#) Wes Bergen, 2013-07-08 Honesty Humility The purpose and future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes These are

some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don't Wes Bergen's aim is to cast a vision of the church beyond divine fire insurance Bergen's contention is that salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to bodies More importantly salvation is something that either will happen on this earth or we risk making the world uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn't enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don't Now get to work helping salvation happen

Another Gospel? Student Edition Alisa Childers, 2025-10-21 A movement seeks to redefine Christianity Some think that it is a much needed progressive reformation Others believe that it is an attack on historic Christianity Alisa Childers never thought she would question her Christian faith She was raised in a Christian home where she had seen her mom and dad feed the hungry clothe the homeless and love the outcast She had witnessed God at work and then had dedicated her own life to leading worship as part of the popular Christian band ZOEgirl All that was deeply challenged when she met a progressive pastor who called himself a hopeful agnostic Another Gospel Student Edition describes the journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith She invites young people along on her journey with compelling stories informative charts and provocative discussion questions After everything she had ever believed about God Jesus and the Bible had been picked apart she found herself at the brink of despair until God rescued her helping her to rebuild her faith one solid brick at a time In this book you'll find a list of resources including apologetics books theology books and podcasts for additional study discussion questions to help you dig deeper or spark conversations a sound biblical worldview mixed with personal stories from Alisa Childers popular speaker and author of *The Deconstruction of Christianity* and *Live Your Truth and Other Lies* In a culture of endless questions students need solid answers If you or someone you love has encountered the ideas of progressive Christianity and aren't sure how to respond Alisa's journey will show you how to determine and rest in what's unmistakably true This student edition of *Another Gospel* is designed to help young adults dive into this topic investigate the questions and the evidence and find clarity

The Good News of the Apocalypse Ione L. Sedinger, 2010-10 Today there is a renewed interest in the Biblical book of Revelation which naturally brings to mind the word apocalypse Because Revelation is best known for its wild symbolic imagery some people will naturally assume this title to imply the same approach This isn't the case the word can also mean simply prophetic and that certainly describes the Bible We are daily presented with the bad news of the world In contrast the Bible is the Good News the rain that cleanses our soul the amazing grace assuring us that God is still in control

regardless of the situation Through studying his Word we are programming our conscience for right or wrong in thought and action That is the reason we need not only to read but to study the Bible daily The Good News of the Apocalypse offers assistance with that study with a brief comprehensible discussion of every book in the bible arising from Sedinger s experience with a study group for teenagers Everything in life is under God s control and so Pastor Sedinger refers to life as God s Dance The Good News is that Jesus came to teach us how to dance with God **Noah's Park Children's Church**

Seven Trumpets and the Investigative Judgment, The David D. Burdick, 2017-04-13 Earthquakes rip through the world as the Creator approaches the stars fall the sun goes dark and the moon proclaims death Jesus comes and His powerful presence causes the atmosphere to split and roll away Revelation 6 shows people wailing for the mountains to bury them Fall on us and hide us from the face of Him who sits on the throne and from the wrath of the Lamb for the great day of His wrath is come and who will be able to stand And who does stand in that day No one Not a single soul It s the total annihilation of a vile self righteous human race God s followers expected all of this to happen on October 22 1844 They watched and waited but Jesus didn t return This was only a warning preview of His return in the sixth seal In God s mercy He commands to delay the cataclysm of judgment day so that He can send to the world the needed preparation for the day of wrath That needed preparation comes with the seven trumpets of the seventh seal that occur after 1844 The postponed destruction seen in the sixth seal will yet be a future reality The Seven Trumpets and the Investigative Judgment examines chapters 4 11 in the book of Revelation and studies how recent events since 9 11 have almost completed God s gracious delay This book presents a new view of Revelation that meets the biblical rules of prophetic interpretation and of the inspired testimony of Jesus which is the spirit of prophecy Rev 19 10 How have we done in this waiting period Will we stand when Jesus returns By God s grace this book will help you prepare for that great day

A Primer on the Book of Daniel Ted Noel, 2009-01-01 The Common Market is going to be the kingdom of the Antichrist Jesus will return within 40 years of the creation of the state of Israel in 1948 The Battle of Armageddon will come when the Soviet Union invades Israel over oil Those newspaper mileposts passed and the Soviet Union fell The faithful Christian has his faith shaken every time prophetic teaching based on the New York Times fails Critics have a field day with each wrong interpretation Then a new theory that fits the daily news better than the last one pops up Each time the sensational new speculation fails Could it be that prophecy writers are listening to CNN more than to God When a careful Christian reads a scholarly work it can be about as interesting as reading the telephone book Scholars do great research but their books generally are written to other scholars not to the rest of us Isn t there a better choice You re holding it A Primer on the Book of Daniel is designed for you It s written in your language not the almost foreign jargon of the scholar At the same time it s drawn from the work of scholars who have studied the Bible carefully for years Their work has been assembled and translated so you can understand what the Bible says when it s allowed to interpret itself Using plain language Daniel gets to explain himself

Stanley E. Porter, Hughson T. Ong, 2019-05-02 Is the Gospel Good News was the theme of the 2015 H H Bingham Colloquium at McMaster Divinity College in Hamilton Ontario Canada held on June 4 5 The fourteen participants in this colloquium presented their own individual perspectives on the theme from three broad vantage points Bible theology and crucial topics The good news that Jesus proclaimed concerning the kingdom of God became the gospel proclaimed by his followers throughout church history This gospel is about the coming of Jesus Christ in fulfillment of God s will for humanity This volume presents some accounts of how this good news has been understood through the ages and continues to be understood in relation to some of the major topics and issues of our contemporary world The papers in the Bible section discuss this good news from both Old and New Testament passages and themes The papers in the Theology section address theological topics in light of the question of what constitutes the good news Finally the papers in the Crucial Topics section explore new and different perspectives on ways in which the gospel is good news This volume highlights diverse perspectives and proposals by scholars from various locations in different stages of their academic careers resulting in a stimulating discussion of the topic of the gospel as good news **Singing Mary's Song** John A. Stroman, 2012-09-01 Soon after the angel Gabriel announced

to Mary the astonishing news that she would bear the long awaited Messiah Mary went to visit her cousin Elizabeth who was also expecting a child As Mary greeted Elizabeth the child in Elizabeth s womb John the Baptist leaped inside her Elizabeth exclaimed to Mary God has blessed you among all women Why do I have this honor that the mother of my Lord should come to me Mary responded by singing a song of praise to God commonly known as the Magnificat Her song recorded in Luke 1 46

55 was not a sweet lullaby sung in anticipation of the baby Jesus birth Stroman says Instead it was a message of deliverance and hope Mary s song proclaimed deliverance and hope to a dark and fearful world It continues to bring challenge and hope to us today Singing Mary s Song provides scripture readings meditations and prayers for each day of Advent Each week s readings focus on various lines of Mary s song Reflection questions are included each week This Advent study will give you new insight into the life of Mary Listen closely to Mary s song and discover its message for you today A great study for individuals or groups Their God/S Michael Jean Nystrom-Schut,2015-11-19 In the mind of each person on the planet a set of notions and ideas of God or gods reside Some of these systems are basic and simple Others are highly complex and complicated Some borrow their God god notions from authority or from others they know Others are much more original eclectically piecing together many separate parts from multiple sources No two people in the world experience and translate God gods in the same way And this is what makes things so interesting As I have encountered this wonderful life I have also bumped up against countless people who were in the position to explain exactly who God was and was not They were quite sure of themselves and anxious to impart this wisdom to me But because I had a mind and heart of my own this put me on the outside looking in for much of my life We all come to a place where we realize we must make our minds up as to what we will and will not do how we will think and who we will be As I have encountered them and their God gods I have found my own way through this foggy maze and discovered a modicum of peace and reconciliation in the process This is the massive task of all of us as well as why I needed to lay it out to you in this lengthy 2 part book *Journal of a Mad Man* Derrick McCarson,2014-02-19 What is the meaning of life The question has been asked by the brightest philosophical minds for centuries Still to this day answers vary greatly depending on the worldview Solomon the wisest king in Israel s history set all his energies to search for the ultimate meaning of life under the sun His conclusions may shock and surprise you vanity chasing after the wind absurdity vanishing smoke Are these the musings of a genius or of a mad man If you are looking for a candy coated appraisal of life then go ahead and put this book down However if you are looking for a no frills brutally honest ragged edged assessment of reality then you have discovered an indispensable volume In *Journal of a Mad Man* pastor and author Derrick McCarson will carefully guide readers verse by verse through Solomon s meditations recorded in the Old Testament book of wisdom Ecclesiastes Not only will readers attempt to plumb the depths of some of mankind s most vexing questions but they will also discover Solomon s secrets for wise living in a warped world *The Press of the Text* Andrew H. Bartelt,Jeffrey Kloha,Paul R. Raabe,2017-05-11 The breadth and depth of these essays are a fitting testimony to the personal and professional interests of James W Voelz They span a spectrum from Greek language and lexicography to hermeneutics and translation theory to interpretation and theology of both biblical testaments to contemporary issues in church and world Leading scholars with a diversity of interests and in diverse contexts offer a buffet of both general and focused issues from detailed translation theory and method to the World Series as a template for theological reflection from creeds and

confessions to cultural and social hermeneutics Readers will find much that will strengthen and challenge their study of theology and the biblical text Restoring the Story Anne van Gend, 2024-03-29 Are we getting too squeamish about the atonement There is a quiet crisis of confidence in many Western churches Confusion debates and changing sensibilities have thrown doubt on whether one of our central doctrines can be reliably communicated as good news today This book approaches atonement through story allowing imagination to illuminate the multi faceted meanings in Christ s atoning work and exploring how those rich stories can be good news for the complex issues of our day
