What Are Your Power Animal Spirit Guides Trying to Tell You? Identify, Attune, and Connect to the Energy of Animals

Melissa Alvarez, 2023-02-06 Have you ever had a specific animal suddenly appear over and over again and wondered if it meant something or the animal had a message for you? Maybe you saw the animal in person and then heard it mentioned on the radio, television or online and then picked up a magazine and see a picture of it in there too. When this happens, your animal guides, also called spirit animals or totem animals, which Melissa Alvarez refers to as your energy animals, are trying to send you a message to help in your current circumstances. Every animal, just like every person, has their own unique frequency and energy vibration. When they suddenly appear repeatedly, you can use the process of Animal Frequency, a heart-to-heart, divine connection to communicate with them, receive their messages and understand their role in your spiritual development. *Animal Frequency* is a reference book that will help you discover the energetic power of animals and will teach you how to connect with them to receive their messages, connect with their frequencies, which will aid in your own spiritual growth.
